Somebody Else's Music A Gregor Demarkian Mystery:

Somebody Else's Music Jane Haddam, 2011-04-01 Jane Haddam's stylishly written novels featuring Gregor Demarkian, retired chief of the FBI's Behavioral Sciences Unit, have thrilled and delighted an ever-increasing number of readers over the years. Now with *Somebody Else's Music*, Haddam delivers her most compelling crime novel to date, a brilliant exploration of how the past affects the present and the twisted workings of human psyche. Elizabeth Toliver, now an acclaimed author with a rock star lover, was a too-smart, fashion-impaired teen who was the target of abuse from a circle of popular high school girls. The abuse escalated until one summer night she was nailed into an outhouse with over twenty snakes, and while she beat herself into a coma trying to escape, a local teenage boy was murdered just outside. Still haunted by nightmares of that night, Toliver returns to her hometown for the first time in almost 30 years, triggering a deadly chain of events. **The**

Headmaster's Wife Jane Haddam, 2025-09-23 Mark DeAvecca is a brilliant fifteen-year-old in his first year at the exclusive private academy Windsor School. Mark, the son of noted commentator Liz Tolliver, grew up in very different circumstances and could not fit in less well. With its hundred-year-old history, Windsor is rife with tradition, nasty rumors, petty jealousies, and long-buried resentments. The most savage of those unpleasant undercurrents swirl around the headmaster's wife, currently rumored with good reason to be having an affair with Mark's roommate, a street-tough scholarship student. Mark, however, has his own problems; he feels himself slowly losing his grip on reality, and the staff widely believes him to be just another prep school burnout headed for an unpleasant end. So when Mark returns from a late winter ramble about the campus to find his roommate dead, hanging from the ceiling of their room, he's reached the end of his own metaphorical rope. Even though he's no longer sure about the line between fantasy and reality, Mark is fairly certain that something is going on at the school, and there's more to the death than the official declaration of suicide. With nowhere else to turn, Mark calls retired FBI agent Gregor Demarkian to ask for help. Sensing the crisis in Mark's dulled voice, Demarkian arrives to find Mark in dire physical and mental state, and a school only too eager to sweep his roommate's death under the rug. In what quickly becomes one of the most complex and challenging cases in his career, Demarkian must untangle truth from fiction, fantasy from reality, before another life is lost.

Blood in the Water Jane Haddam, 2012-03-27 Gregor Demarkian returns in a mindbending case of death and disappearance amongst the wealthy suburban elite. In Waldorf Pines, a very rich, gated suburb of Philadelphia, ostentation and pretension are the order of the day. But even by the local standards, Martha Heydrich is a stone-cold pain. She's the stay-at-home wife of a very rich husband, drives a pink sports car everywhere, and is on all the prominent local committees. She's fake into everybody's business and is rumored to be having an affair with a local teenager, Michael Platte. One morning she seemingly vanishes from her house, and later that night her husband, Arthur, returns home to find the pool house ablaze. Once the fire is extinguished, the police discover two bodies: one is Michael Platte, and the other, too damaged to be recognizable, is presumed to be Martha Heydrich. The police think they know what happened: that Arthur killed his wife.

and her lover over the affair But then the DNA results come back and the second body isn't Martha's at all it is an unknown man With their theory in tatters and Martha nowhere to be found the police turn to ex FBI agent Gregor Demarkian to help them unravel this most puzzling of cases

Conspiracy Theory Jane Haddam, 2007-04-01 In the tradition of P D James Jane Haddam's novels combine compelling story lines with a keen-eyed complex sense of the character's psychology and sharp evocative sense of place Over the years her novels featuring retired F B I agent Gregor Demarkian have won her the respect of the critics and an ever increasing number of devoted readers Now with Conspiracy Theory all of Haddam's ample gifts are on display in a chilling novel of class conspiracy and murder Cavanaugh Street is a mostly quiet Armenian neighborhood in downtown Philadelphia where nearly everyone knows everyone else and certainly knows their business But that quiet is destroyed when the Armenian Orthodox church is destroyed by bombing and its cleric Father Tibor Kasparian is hospitalized as a result What would normally be a front page event however is overshadowed by another event across town when Philadelphia Main Line society is shocked by the murder of one of their own Anthony van Wyck Ross the head of one of the major investment banks and a cornerstone of Main Line society is murdered at the Around the World Harvest Ball being hosted at his mansion Gregor Demarkian former head of FBI's Behavioral Sciences Unit and longtime resident of Cavanaugh Street is soon enmeshed in both cases With the Ross murder there is the never seen conspiracy theorist Michael Harridan who in his literature has claimed that Ross was a member of the dangerous secret ruling elite The Illuminati With the church bombing there were the anonymous threatening letters received by Father Tibor just prior to the bombing Together if indeed they are in some inexplicable way related they are the most challenging cases Demarkian has ever faced
