## **Somebodys Gotta Be On Top:**

Somebody's Gotta Be On Top Mary B. Morrison, 2010-04-19 In Mary B Morrison's national bestsellers *Never Again* Once More and *He's Just a Friend* readers met playboy heir Darius Jones and reckless in love Fancy Taylor. Now in this achingly poignant, deliciously sensual erotic novel she takes Darius's relationships further and explores the ways men and women surrender themselves in order to gain the love they're desperately seeking. The only time a woman should be on top is during sex. So says Darius Jones. At just twenty-two the baby boy has grown bigger, taller, sexier, hotter, but he hasn't necessarily grown up. Maybe he isn't messing with the women on his mama's staff anymore, but he's still messing with people's lives and messing up his own. For Darius, if it doesn't make money, it doesn't make sense. And that goes for women, too. Women are there to give him what he wants the way he wants it. Not that he doesn't know how to pleasure a sister; he just doesn't want them telling him the way it's going to be. On anything. Ever. Including his mother. If his mother was a liar, then every other woman was, too. That's why he relocates from Washington D.C. to Los Angeles, near his mama's business, where he sets up his own company, *Somebody's Gotta Be on Top Enterprises*. And it's no secret who that somebody's got to be. Now that Darius is all about the control, getting it, keeping it, and taking it away if need be, he's sure he can apply that principle to finding the one. But trying to be on top all the time only gets him into trouble with the women in his life. Women like Ciara Monroe, president of a rival company. She's earned power and respect the hard way, but Darius isn't about to be outsmarted by her, not in bed and not in business. He's going after Ciara on a personal level, digging up the dirt on her past. It's a move that will cost him, and Ciara's not leaving before she confronts him about his feelings for Ashlee. Ashlee Anderson is the stepsister who's more than just his friend. She's also the woman he loves and desires. When Darius convinces Ashlee to live with him and manage his finance department, he never expects her to fall for his half brother Kevin Williams. Darius will do anything to split them apart, even if it means risking his business. But there's one woman who's got Darius's number: Fancy Taylor. With skin like brown sugar and the bearing of a fine queen, Fancy definitely intrigues Darius. If he didn't have his heart set on conquering Ashlee, no matter what he'd enjoy sampling what the lady has to offer, but that's all. Fancy's a woman with a past that precludes her from being serious relationship material. But fate has a way of stepping in and putting the wrong people on the right path if they're not too foolish to see it. Still harboring the wounds of his mother's deception and a childhood without his biological father, caught between an all-consuming pride and the call of his own untrusting heart, Darius has a lot to learn about life, women, and what it takes to find and nurture real love. And if he's not careful, he might just end up on the bottom of everything.

**Nothing Has Ever Felt Like This** Mary B. Morrison, 2010-04-19 In bestselling author Mary B Morrison's steamiest novel yet, the timing finally seems to be right for Darius Jones and Fancy Taylor, but what they discover about one another may surprise them. Fancy knows this time around things will be different with Darius. Before she gets intimate with the man she's going to get to know, he'll get her share. As far as relationships go, Darius has a past of his own.

Currently he's praying that he isn't the father of estranged wife Ciara's expected baby or anyone else's. Even if he were interested in fatherhood, he can't afford it. Darius's wealthy parents have taken control of his business. With his bank accounts dwindling, he's forced to make some big changes that get him in trouble with the law. Now Darius discovers who his real friends are, and Fancy is number one until she makes a shocking confession that renews Darius's lifelong distrust of women. To quell his heartache, Darius focuses on life as the ultimate player. But nothing and no one can get Fancy off his mind.

*Never Again Once More* Mary B. Morrison, 2011-04-07 In Mary B. Morrison's eagerly awaited sequel to *Soul Mates Dissipate*, the love story of Jada Diamond Tanner and Wellington Jones continues as they find themselves facing new conflicts that will challenge the decisions they made years ago. Do we choose love or does love choose us? That's the question Jada can't seem to stop asking herself. She thought she'd chosen the right man in Lawrence Anderson, her rock-solid husband and stepfather to her son Darius. But did she really choose wisely when she turned her back on Wellington, her one true soul mate? For twenty years, Jada has kept her distance from Wellington, and he's paid her in respect. But now the cracks in her carefully constructed life are beginning to show. Darius is a young man in trouble. When his destructive behavior threatens to destroy him, Jada reluctantly lets Wellington take more control and be the father Darius needs. With each day back in Wellington's company, Jada begins to question her past choices, choices made out of fear, pride, and denial. Slowly, she begins to realize that she has one important choice left. Armed with the courage she's been missing for years, Jada's out to seize the opportunity she thought she had lost, and this time she'll say never again once more.
