**Wrestling With God** Lydia B. Miller,2025-03-24 WRESTLING WITH GOD highlights the author s view of the pandemic years and the political and cultural upheaval that reared its ugly head simultaneously under the disastrous Biden administration The author recounts historical events chronologically through relatable stories and poetry to remind the reader what it was like to wake up and discover that the world they had grown up in was gone The rug was unceremoniously pulled out from beneath America and its citizens were left standing on a foundation of shifting sand looking upon an unfamiliar landscape and wondering what had happened and what to do next It was a time of fear disbelief chaos and confusion While desperate for answers it became apparent all too soon that our leaders had forsaken us and that we were alone to navigate the new world order being ushered in on our own Many conservative Christians wondered where God was and why he didn t do something to stop the insanity Our safety livelihood family values and sovereignty as a nation were being threatened and we were in danger of losing the freedoms our forefathers fought and died for We were left wrestling with unwanted feelings of fear anger anguish hate contempt and distrust of our government with each threatening to become strongholds in our hearts and minds which were in direct conflict with the teachings of our faith We prayed to God to save us and each day waited for an answer that didn t come For some his silence was an indication that the end times were upon us While our innocence was painfully lost 4 years ago our eyes are wide open now It is only by remembering the mistakes of the past that we can ever hope to prevent such needless pain and suffering from reoccurring in the future **Heart of a Heroine** Nancy Albao,2019-02-06 God is writing a story about himself through your life and you are the heroine of his story He created you to live out his purpose What does the heart of his heroine look like How does she think What does she value How does she trust God How does she face life In a time when many women are confused about how to navigate the Christian walk in our culture the reader learns how to understand herself and how she came to believe what she does Through biblical truths and sharing her own experiences with sincerity and transparency the author helps the reader to make

the connection between knowing her own mind and heart and understanding how God wants to work in her life to connect her heart to his This leads to victory in her struggles hope for her future and a deeper walk with Christ **Bible**

parts of the Earth such as in Nusantara Tantra is often associated with brutal rituals that are considered as the application of the teachings of Panca Makara. Legendary figures from Nusantara such as Adityawarman, Sri Kertanegara, and Calon Arang are often mentioned as practitioners of Tantra, specifically Bhairawi Tantra, with the habit of holding following rituals that undoubtedly make people in the modern era shake their heads: eating corpses, binge alcoholic drinking, and sex parties or performing dances, mystic naked in the grave. This book was actually written to answer all the confusion and at the same time straighten the slander against the legendary figures of Nusantara. In this book, Tantric practices are explained which are actually divine, simple, and effective to lead to enlightenment and a life full of happiness. Tantric practice includes dhyana, pranayama, samadhi, mantra, yantra, and others. The author of this book, Setyo Hajar Dewantoro, is a practitioner of Tantra as a path of stillness, mindfulness that leads to connectedness as well as a great oneness with Sang Hyang Atman, True Self, Divine Self, and Brahman, God Almighty. The readers are invited to dive into Tantra as a teaching of spiritual sciences as well as a holistic method for the transformation of the soul towards purity, wisdom, and complete, perfect empowerment.
