Congress. Senate. Judiciary, 1952 **Bright Young People** D. J. Taylor, 2024-07-02 Jampacked and delicious crammed with a cast of selfish feckless darling talented almost terminally eccentric good looking men and women Carolyn See The Washington Post Before the media circus of Britney Spears Paris Hilton and our modern obsession with celebrity there were the Bright Young People a voraciously pleasure seeking band of bohemian party givers and blue blooded socialites who romped through the gossip columns of 1920s London Evelyn Waugh immortalized their slang their pranks and their tragedies in his novels and over the next half century many from Cecil Beaton to Nancy Mitford and John Betjeman would become household names But beneath the veneer of hedonism and practical jokes was a tormented generation brought up in the shadow of war Sparkling talent was too often brought low by alcoholism and addiction Drawing on the virtuosic and often wrenching writings of the Bright Young People themselves the biographer and novelist D J Taylor has produced an enthralling account of an age of fleeting brilliance An ultimately elegiac narrative with a surprising amount of intellectual

and emotional sympathy The New York Times Engaging Taylor's skillful reconstruction of the whole hazy time feels like a lasting party favor NPR Incisive and richly detailed The New York Times Book Review A poignant study of the elusive relationship between art and the social world from whence it springs The New York Observer A splendid social history By placing generational tensions and tenderness center stage Taylor gives his book a beating emotional heart Los Angeles Times Book Review Entertaining and incisive The Boston Globe Fascinating The Wall Street Journal Compelling and ultimately touching The Guardian

Social Justice in Practice in Education Janice Wearmouth, Karen Lindley, Uvanney Maylor, James Shea, 2024-04-12 Exploring Social Justice in Practice in Education focuses on the tensions and challenges to issues of fairness and social and cognitive justice in the sphere of education The terms fairness and social and cognitive justice are often used to justify particular policies and practices in the sphere of education In providing a clear definition of what they should mean in practice this book includes a discussion of and in some cases potential resolutions to tensions and challenges in relation to notions of fairness and social and cognitive justice that are implicit within individuals' lived experiences across all phases of education Through their personal narratives the authors illustrate how such tensions and challenges have played out in their own lives They go on to explore differences in interpretations and consequent challenges in putting concepts of social justice into practice Chapters consider important implications across different sectors and phases of education including special educational needs leadership and higher education This insightful volume will enable educators at all levels to hear from students' family members significant adults carers and professionals their experiences of fairness and social justice in education and about what could be done in the future to redress injustices It will appeal to readers at all levels in education including those studying for or teaching Education related degrees at bachelors masters and doctoral levels

Youth and Suicide in American Cinema Alessandra Seggi, 2022-10-27 This book explores the depiction of suicide in American youth films from 1900 to 2019 Anchored in Sociology this multidisciplinary study investigates the causes and consequences of suicide and uncovers the socio cultural context for the development of youth film and suicide While such cinematic portrayals seem to privilege external explanations of suicide versus internal or psychological ones overall they are neither rich nor sensitive Most are simplistic limited or at the very least unbalanced At times they are flatly controversial In light of this overall problematic depiction of suicide this book offers a proactive approach to empower young audiences a media literacy strategy to embrace while watching these films
