Christian Mission in the Modern World John Stott,Christopher J H Wright,2016-01-15 Jesus sends us into the world just as God the Father sent him and yet Christians continue to disagree on what this involves Some believe that the focus of Christian mission is evangelizing and saving souls Others emphasize global justice issues or relief and development work Is either view correct on its own John Stott s classic volume first published forty years ago presents an enduring view of Christian mission that is just as needed today Newly updated and expanded by Christopher J H Wright Christian Mission in the Modern World provides a biblically based approach to mission that addresses both spiritual and physical needs With his trademark clarity and conviction Stott illuminates how the Great Commission itself not only assumes the proclamation that makes disciples but also teaches obedience to the Great Commandment of love and service Wright has expertly updated the original book and demonstrates the continuing relevance of Stott s prescient thinking This balanced approach to mission encourages current and future Christians to embrace an unconflicted and holistic model of ministry [What Makes People Rich and Nations Powerful , NKJV Life Application Study Bible, Third Edition, Large Print Tyndale,2022-10 Trusted](#)

Evangelizing the Chosen People Yaakov Ariel, 2003-06-19 With this book Yaakov Ariel offers the first comprehensive history of Protestant evangelization of Jews in America to the present day Based on unprecedented research in missionary archives as well as Jewish writings the book analyzes the theology and activities of both the missions and the converts and describes the reactions of the Jewish community which in turn helped to shape the evangelical activity directed toward it Ariel delineates three successive waves of evangelism the first directed toward poor Jewish immigrants the second toward American born Jews trying to assimilate and the third toward Jewish baby boomers influenced by the counterculture of the Vietnam War era After World War II the missionary impulse became almost exclusively the realm of conservative evangelicals as the more liberal segments of American Christianity took the path of interfaith dialogue As Ariel shows these missionary efforts have profoundly influenced Christian Jewish relations Jews have seen the missionary movement as a continuation of attempts to delegitimize Judaism and to do away with Jews through assimilation or annihilation But to conservative evangelical Christians who support the State of Israel evangelizing Jews is a manifestation of goodwill toward them *the spirit of missions vol lxxiv ,1909 Baptist Missionary Magazine ,1901 BAESICS , Baptist Missionary Review ,1905 All nations [afterw.] The Missionary review of all nations.
