## **Something Wholesale Paperback:**

**Something Wholesale** Eric Newby, 2013-02-21 Veteran travel writer Eric Newby has a massive following and is cherished as the forefather of the modern comic travel book. However, less known are his adventures during the years he spent as an apprentice and commercial buyer in the improbable trade of women's fashion. *The Publishers Weekly*, 1904

Self-Publishing for the First-Time Author M.K. Williams, You've written your first book and you are ready to self-publish it. Congratulations! Now what steps do you need to take to self-publish? What are the best strategies? How do you ensure retailers and libraries will carry your book? These are a few of the questions that many aspiring authors ask as they set out on their publishing journey. With a decade of experience in the self-publishing space, M.K. Williams has compiled the answers that you need into an easily digestible format to walk you through the publishing process. There are lots of online gurus who will throw acronyms, jargon, and advanced strategies at you right out the gate. Williams breaks down the practical steps that you need to take as you self-publish your first book. This self-publishing guidebook covers everything from editing, formatting, assigning ISBNs, and selecting your publishing platforms. Going Wide: Self-Publishing Your Books Outside The Amazon Ecosystem M.K. Williams, The buzzy term in the self-publishing space right now is wide. I was doing this before it was a thing. As more authors hear about the benefits of self-publishing on multiple platforms, I find myself on the receiving end of many panicked emails. While the concept is straightforward to understand, its execution requires careful planning and patience. For those who want to get their book out to as many readers and retailers as possible, I have the tools you need to create a plan. I've condensed my years of experience and best advice into this concise and actionable book to help you transition from Amazon Only to a Wide Author. This book will cover strategy, platforms, opting out of exclusivity, and marketing for success. Get your free planners throughout the book to help you make and stick to your plan. Ready to go wide? , 1912 **Make Something Real: Artwork, 2022 - 2024** Tiffany Gholar, 2025-08-16 Is a life put on hold still a life worth living? Torn between wanting to participate in art shows and not wanting to get exposed to COVID, I was haunted by the feeling that life was passing me by. I felt like I was living my life in captivity, missing all its forgone pleasures. This wasn't the future I wanted. This wasn't the world I wanted to live in. I wasn't the woman I wanted to be. Being an artist was a leap of faith, and I was getting tired of jumping. In a world of artifice and denial, what still mattered? The pursuit of normal at any cost had led to a culture of complacency and resignation. Warnings, unheeded lessons, unlearned. The aftermath of an ongoing crisis that most of the world deliberately ignored was a time of missed opportunities and impossible choices. Just when I needed them the most for publicity, the internet platforms I had come to rely on made it harder for my work to be seen, as tech disruption left upheaval and destruction in its wake. Would my newfound social media sites and online communities help me connect with a new audience, or would my participation in them only further tech oligarchs' nefarious goals? Though making art is my escape, this book is also about what I was trying to escape from. Finding solace in creating art in a world on the precipice of disaster. I have made
