Leabo, 2012-07-16 Without a Trace Their disappearances had haunted Detective Caroline Trice for longer than she cared to remember young girls in trouble who had simply vanished She d known with chilling certainty that something was very wrong and now she had the terrible proof the cold lifeless body of a girl who had just given birth There was no room in her life for anything that came between her and her work and that definitely included her disturbing new partner It wasn t simply that Austin Lomax didn t share her obsession with this case The real problem was that he was awakening feelings that she had thought were long dead **Letters to Arden** Carmen "Angel" Mc Kay, 2012-05-14 Carmen wrote this letter with her

Wells, 2015-07-02 Country rock star Scout Steele and Tess Harlow have been best friends since forever He s always wanted her but it s never been their time Tess knows that Scout is her one and only she s shared everything with him save for the one flaw that she knows will keep them apart So they ll have to settle for best friends Scout though has other plans her best friend is about to become her best lover *My Mother Chose Him* ShaRae Simpson, 2021-02-10 My Mother Chose Him By ShaRae Simpson My Mother Chose Him is the story of a family a story of love and loyalty how family secrets can either bring you together or tear you apart how family is more than being born of the same parents or coming from the same bloodline This tale attempts to show a bond that was made with adopted children and how children born in bad circumstances can still turn out successful with the proper guidance *Out There* Iris Eliot, 2024-02-01 At this moment Catherine Des Lauriers

wants only two things in life to forget all about the cheating ex she left behind in Paris and for Maple Springs Country Music Fest to end while she s still somewhat sane When an attractive stranger waltzes into her grandfather s pottery shop

Catherine can't stop herself from unloading her profound contempt for the festival frenzy and in particular for Jesse Morgan the main attraction of the event. Much to her dismay Catherine is gob-smacked to discover that the stranger is none other than the boot-scooting singer herself. Jesse Morgan has everything a woman could wish for: an accomplished career, people who love her, and a life full of fun. Too bad the only thing she wants is an irritable, distrustful French woman who seems convinced Jesse is shallow with no morals at all. Can the two find true love in the Colorado wilderness? And even if they do, how can they possibly build a relationship that will last?

Sacred Parenting Gary Thomas, 2017-08-29 Parenting is a school for spiritual formation and our children are our teachers. The journey of caring for, rearing, training, and loving our children profoundly alters us forever. Even when the journey is a rough one, God uses the experience to train, shape, and love us. Sacred Parenting is unlike any other parenting book on the market. This is not a how-to book that teaches readers the ways to discipline their kids or help them achieve their full potential. Instead of a discussion about how parents change their children, Sacred Parenting demonstrates how God uses children to change their parents. Stepping beyond the overly tilled soil of method books, parents can learn a whole new side of parenting. You'll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent and how their children transformed their relationship with God. The lessons that Gary Thomas, bestselling author of Sacred Marriage, offers are timeless. But in this edition, Thomas adds in some additional insights and stories that he's learned and lived over the past fifteen years of his own parenting. He has found that the lessons have remained much the same, but there are new applications for the readers in this generation who are just now coming to his book.

And So We Dream Linda Mahkovec, 2022-02-15 A lucidly described coming-of-age tale with a mysterious, almost mythic, feminine glamour. Kirkus Reviews: From the author of the best-selling CHRISTMASTIME series comes AND SO WE DREAM, a coming-of-age story set in 1970. Twelve-year-old Joey Roland is sent away to family friends while his parents try to work things out. He's eager to leave sadness and secrets behind in Chicago and head downstate to the small town of Greenberry where the Vitale family awaits him. He thinks of their town as boyland, a world of bike riding, fishing, and going barefoot. Though initially shy of the beautiful teenage daughters Anne, Vita, and Beth, they welcome him into their lives of adventure, beauty, and dreams. Joey especially bonds with the middle sister Vita and her all-or-nothing pursuit of an acting career. Joey's there must be more merges with Vita's. I must make it happen, resulting in a magical summer where the town of Greenberry becomes the crucible for two desperate dreamers.
