**God's Triple Threat** Greg Carlson, 2010-12 God is destroying the kingdom of darkness God equips and deploys us his saints in this magnificent campaign But the Almighty does not arm us from just a single arsenal of gifts as is commonly supposed Instead he draws from three distinct arsenals abilities leaders and the charismatic gifts The triune God gives triune gifts What are these gifts what are they like and how do they work These three arsenals differ profoundly from one another But the church has not truly discerned this and so a fog of confusion has enveloped the whole subject Confusion brings futility and frustration clarity brings effectiveness and fulfillment Who gives the gifts and to whom When are they given Are the gifts natural supernatural or both Can any Christian operate in any gift Where do the gifts live Can you use them at any time Can you operate in God's gifts at will The answers may surprise you God's Triple Threat An Inquiry into the Spiritual Gifts works carefully step by step to bring clarity to this often confusing subject with exuberant illustrations for application Author Greg Carlson prays that the vision in this book will become a reality in his lifetime So the clock is ticking for you and your church to more fully experience the dynamic of God's threefold gifts [The Source](#)

Pedrone,2019-05-10 A young man walks along a road leading to the Sea of Galilee Messiahs were plentiful in the first century In Judaism the idea of Messiah referred to a king appointed by the Almighty After the Hasmonean kingdom in the first century and the Roman Jewish wars in the first two centuries the idea of a Messiah expanded The Messiah was considered to be the individual who would deliver the Jewish people from the Roman Empire thus ushering in the golden age of Messiah Now here comes another A leader of a Jewish sect was crucified and there were those who claimed he rose from the grave It does sound a little preposterous Messiahs could fill volumes with their plans and heroics but the obvious questions are Where are they now Where are their followers A man who gathers twelve apparent misfits of society and leads them while he teaches heals delivers evil spirits and raises some from the dead is certainly unique Is he one of the many self proclaimed Messiahs or is he different The faith that this man founded today represents nearly one third of the world s population The Beginning details how this movement started From a small group called The Way to the conversion of a vitriolic Pharisee to meetings with well known political activists the story begins So snuggle up get a nice warm drink and follow The Beginning the early story of Christianity **Miracles : 2 Volumes** Craig S.
