Sometimes the Dragon Wins Alan Dundes, Carl R. Pagter, 1996 This is a collection of Xerox lore and humour circulating widely in today s workplace Have you seen anytime recently the High School Math Test or Varying Interpretations of a Basic Philosophical Principle or Why God Never Received Tenure Well it s all here and much more The book features humorous commentaries cartoons mottoes zany poems defiant sayings parodies funny faxes ethnic slurs and crude jokes on all of the issues and problems facing the modern world No one and nothing escapes their raunchy wit and sarcasm Speak Louder Than Words" Wolfgang Mieder, 2008 The ten chapters of Proverbs Speak Louder Than Words present a composite picture of the richness of proverbs as significant expressions of folk wisdom as is manifest from their appearance in art culture folklore history literature and the mass media The first chapter surveys the multifaceted aspects of paremiology the study of proverbs with the second chapter illustrating the paremiological work by the American folklorist Alan Dundes The next two chapters look at the effective role that proverbs play in the mass media where they are cited in their traditional wording or as innovative anti proverbs The fifth chapter discusses proverbs as expressions of the worldview of New England This is followed by two chapters on the proverbial prowess of American presidents to wit the proverbial style in the correspondence between John and Abigail Adams and a discussion of Abraham Lincoln's apocryphal proverb Don't swap horses in the middle of the stream The eighth chapter traces the tradition of proverb iconography from medieval woodcuts to Pieter Bruegel the Elder and on to modern caricatures cartoons and comic strips The last two chapters deal with the origin and history of the proverbial expression to tilt at windmills as an allusion to Cervantes Don Quixote and the many proverbial utterances in Mozart's letters. The book draws attention to the fact that proverbs as metaphorical signs continue to play an important role in oral and written communication Proverbs as socalled monumenta humana are omnipresent in all facets of life and while they are neither sacrosanct nor saccharine they usually offer much common sense or wisdom based on recurrent experiences and observations Sometimes the Dragon Wins Robert V. Van Trees, 1994 Spanning the turbulent years after the Revolutionary War it is a mesmerizing story of love hope courage sacrifice and despair in the Territory of the United States Northwest of the River Ohio A Woman's Heart, **Who Killed the Jingle?** Steve Karmen, 2005-02 Book In this funny and insightful investigation Steve Karmen dubbed the King of the Jingle by People magazine takes us back to a time when consumers happily sang along to Pepsi Cola Hits the Spot This Bud's for You and Hershey Is the Great American Chocolate Bar and brings us to the era of borrowed melodies electronic sounds and lyrics that never mention the name of the product Did Madison Avenue get too sophisticated for its own good Too cheap Too sneaky In its guest to combat the technology that allows viewer to zap the commercials tune out or eliminate advertising did the advertising world invent integration putting the product into the programming rather than make the commercials lovable hummable units of entertainment themselves Karmen explores the demise of the advertising music business and why the future of advertising is

so precarious Rethinking Stress in an Age of Ease William J. Elenchin, 2019-02-27 Stress is a concept that has become both increasingly popularized and misunderstood in society Today we often think about how stressed we are many on a daily basis This is especially interesting when we consider that as life has become easier at least from a materialistic standpoint rates of depression and anxiety in our culture have risen It is true that living with too many demands in life can be harmful to our physical and emotional health But it is equally true that when we believe difficult circumstances are an unnatural part of life we only set ourselves up for increased fear and sorrow Hans Selve the scientist who discovered how stress operates in the mind and body nearly a century ago never intended for it morph into the now common idea that all stress is bad for us Yet that s precisely what has occurred driven by three particular social changes in the last half century This little guide is a back to the basics kind of field manual written for students but is generally for all ages By rethinking the proper role that stress plays in our lives we will be better positioned not only to deal with life s challenges but to embrace all seasons as a part of our journey while on earth The Nature of War in the Information Age David J. Lonsdale, 2004 Will the information age witness a transformation in the nature of war Putting the notion to the test the author uses a range of contexts to assess whether the Clausewitzian nature of war will retain its validity Psychological Warfare and India Dr Arunkumar Bhatt, 2015-03-16 Wars are born in human mind Great military leaders belonging to all times and cultures have always tried to influence the minds of their foes and friends alike to facilitate their own victories by making their enemies hesitant The minds concerned could be influenced with a variety of overt and covert actions that send right signals to the target audiences In the words of Allied Supreme Commander of the World War II Gen Dwight Eisenhower these actions are anything from the singing of a beautiful anthem to the most extraordinary kind of physical sabotage This is Psychological Warfare and the most preferred action is communication Dr Arunkumar Bhatt who being a defence journalist knows nuances of communication and unfolds here this soft kill strategy and its tactics He traces the history of the psychological warfare to establish how steadily its importance has grown It became a war winning factor in the Great War and its role further expanded in the World War II The Psywar as it has come to be known among many names has not looked back since then The advances in science and technology revolution in communication and information technologies have greatly enhanced the range and effectiveness of the psychological warfare in terms of both time and space The Revolution in Military Affairs has been further sharpening the Psywar weapons Dedicated Psywar units and even commands backed by elements in formation staff are in the vogue The Psychological Warfare has now found a place among war by other means It is recognised as a command function and is factored in planning at all levels It is so important that the decision to deploy the psy weapons is taken at the top echelon of the high command and this is done much ahead of the breaking out of hostilities Where does India that has a poor strategic culture and still poorer awareness about its security stand vis vis Psywar Indian culture has instances of the Psywar It was being practised in the ancient period Kautilya recommends it strongly Different invaders used it The British practised it in an

institutionalised fashion to rule India India did counter the British psywar but in a rather irregular way India used it successfully in some of the post independence wars but the country needs to do much more to protect itself against Psywar attacks and to use it effectively to enhance its own security in the present day multi threat scenario This is an attempt to table a calling attention motion before the nation Family Emergency Handbook ,1987 American Proverbs Wolfgang Mieder, 2021-09-17 Dictionary of Authentic American Proverbs offers a comprehensive reference guide for distinctly American proverbs Compiled by Wolfgang Mieder a key figure in the field of proverb studies this compendium features nearly 1 500 proverbs with American origins spanning the 17th century to present day including a scholarly introduction exploring the history of proverbs in America the structure and variants of these proverbs known authors and sources and cultural values expressed in these proverbs Along with a comprehensive bibliography of proverb collections and interpretive scholarship this dictionary offers a glimpse into the history of American social and cultural attitudes through uniquely American language Memo to the Leader William Walling, 2005-12 It is year 142 of Deutsches Weltreich the German World Empire dating from 1933 when the vilified Nazi r gime was born Tenured history professor and seasoned retrotemporal researcher Dr James Silverthorne reluctantly accepts the key role in a desperate conspiracy aimed at obliterating Deutschesweltanreich tyranny in retrospect via a desperate clandestine return to wartime Berlin in order to thwart the efforts of SS hero of heroes Erich Lustmann Sent back to 1939 Berlin decades after the war by Odessa expatriates in Argentina Lustmann is armed with prescient knowledge of actual wartime events and circumstances the former SS Deathshead officer's mission is to rectify via a decidedly outr method Hitler's meddlesome misdirection of the war that culminated in erroneous fanciful military decisions and thereby ensured a Nazi victory in WW II Fearing his own mission impossible is exactly that Professor Silverthorne nevertheless doggedly pursues his world changing crusade in an exciting time travel adventure grand in scope and world changing in purpose Encyclopedia of American Folklife Simon J Bronner, 2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife

concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research The Oxford Handbook of American Folklore and Folklife

Studies Simon J. Bronner,2019 The Oxford Handbook of American Folklore and Folklife Studies surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters explore the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice Clausewitz in the Twenty-First Century Hew Strachan, Andreas Herberg-Rothe, 2007-09-13 The volume considers Clausewitz s timeless On War against the background of actual armed conflict With scholars from a range of disciplines and countries it throws new light on a classic text and contemporary issues

**Rebellious Laughter** Joseph Boskin,1997-11-01 Rebellious Laughter changes the way we think about the ordinary joke Claiming that humor in America is a primary cultural weapon Boskin surveys the multitude of joke cycles that have swept the country during the last fifty years Dumb Blonde jokes Elephant jokes Jewish American Princess jokes Lightbulb jokes Readers will enjoy humor from many diverse sources whites blacks women and Hispanics conservatives and liberals public workers and university students the powerless and power brokers Boskin argues that jokes provide a cultural barometer of concerns and anxieties frequently appearing in our day to day language long before these issues become grist for stand up comics

The Tarantula Keeper's Guide Stanley A. Schultz, Marguerite J. Schultz, 2009-01-01 Terrarium hobbyists and arachnid lovers will rejoice at this comprehensive guide on tarantulas The Tarantula Keeper's Guide provides in depth information on their biology and advice on housing and caring for pet tarantulas Tarantulas are small and easy to maintain exotic pets that are fun and captivating to watch The Tarantula Keeper's Guide includes detailed information on the natural history and biology of these fascinating creatures This spider book is filled with color photos scientifically accurate line art and detailed care instructions It's no wonder that The Tarantula Keeper's Guide is considered the Bible of Arachnoculture by hobbyists and arachnid enthusiast The Self-Directed Learning Handbook Maurice Gibbons, 2003-02-03 The Self Directed Learning Handbook offers teachers and principals an innovative program for customizing schooling to the learning needs of individual students and for motivating them to take increasing responsibility for deciding what and how they should learn Whether the students are struggling or proficient the program is designed to nurture their natural passion for learning and mastery challenging them to go beyond the easy and familiar so they can truly excel The program can be introduced in stages in any middle or high school classroom and enables students of diverse abilities to design and pursue independent course work special projects or even artistic presentations community field work or apprenticeships Using this approach the students take on an increasingly autonomous self directed role as they progress The heart of the program is the action contract or learning agreement whereby the student sets challenging yet attainable goals commits to a path for achieving

them and evaluates the results Special emphasis is placed on developing skills and competencies that can serve the student Folklore and the Internet Trevor J. Blank, 2009-09-15 A pioneering well in his or her academic and career endeavors examination of the folkloric qualities of the World Wide Web e mail and related digital media These stuidies show that folk culture sustained by a new and evolving vernacular has been a key since the Internet's beginnings to language practice and interaction online Users of many sorts continue to develop the Internet as a significant medium for generating transmitting documenting and preserving folklore In a set of new insightful essays contributors Trevor J Blank Simon J Bronner Robert Dobler Russell Frank Gregory Hansen Robert Glenn Howard Lynne S McNeill Elizabeth Tucker and William Westerman showcase ways the Internet both shapes and is shaped by folklore **Folk Culture in the Digital Age** Trevor J. Blank, 2012-11-16 Smart phones tablets Facebook Twitter and wireless Internet connections are the latest technologies to have become entrenched in our culture Although traditionalists have argued that computer mediated communication and cyberspace are incongruent with the study of folklore Trevor I Blank sees the digital world as fully capable of generating transmitting performing and archiving vernacular culture Folklore in the Digital Age documents the emergent cultural scenes and expressive folkloric communications made possible by digital new media technologies New media is changing the ways in which people learn share participate and engage with others as they adopt technologies to complement and supplement traditional means of vernacular expression But behavioral and structural overlap in many folkloric forms exists between on and offline and emerging patterns in digital rhetoric mimic the dynamics of previously documented folkloric forms invoking familiar social or behavior customs linguistic inflections and symbolic gestures Folklore in the Digital Age provides insights and perspectives on the myriad ways in which folk culture manifests in the digital age and contributes to our greater understanding of vernacular expression in our ever changing technological world **Explaining Traditions** Simon Bronner, 2011-08-26 Why do humans hold onto traditions Many pundits predicted that modernization and the rise of a mass culture would displace traditions especially in America but cultural practices still bear out the importance of rituals and customs in the development of identity heritage and community In Explaining Traditions Folk Behavior in Modern Culture Simon I Bronner discusses the underlying reasons for the continuing significance of traditions delving into their social and psychological roles in everyday life from old time crafts to folk creativity on the Internet Challenging prevailing notions of tradition as a relic of the past Explaining Traditions provides deep insight into the nuances and purposes of living traditions in relation to modernity Bronner's work forces readers to examine their own traditions and imparts a better understanding of raging controversies over the sustainability of traditions in the modern world
