

An aerial photograph of a city, likely New York City, taken from a high vantage point. The image is dimly lit, with a warm, orange glow from the setting or rising sun in the upper left corner. The city's grid pattern of streets and buildings is visible, with some taller skyscrapers standing out. A semi-transparent dark rectangle is overlaid on the center of the image, containing white text.

A group of tolerance. A group who struggles silently and laughs loudly. We are the ones with courage, with love and devotion. We may have lost our cool a time or two, but we always got it back. These people meant more to us than anything. These dreams were not handed over. It didn't come easily. So we tell you these stories that you also may have heard. That you also may persevere. With great love. This book is our autobiography. These are OUR STORIES. We are STILL SURVIVING.

After five years in exile, his presence is required at the funeral of patriarch Joe Murston, and even though the last time Stu saw the Murstons he was running for his life, staying away might be even more dangerous than turning up. Although there's supposed to be a temporary truce between Stewart and the town's biggest crime family, it's soon clear that only Stewart is taking this promise of peace seriously. As he steps back into the minefield of his past to confront his guilt and all that it has lost him, Stu uncovers ever darker stories and his homecoming takes a more lethal turn than even he had anticipated.
