Spanish - Applied New Testament Commentary Stephen Thorson Tom Hale, Spanish Language Edition The Applied New Testament Commentary is an easy to read down to earth commentary on the text of the New Testament It can be used with any version of the Bible and includes

- General Articles on important aspects of the Christian faith
- An Introduction to each book of the New Testament
- Word definitions
- Clear explanations of Bible text
- How to apply the Bible to everyday life

 Dr Tom Hale is an experienced medical missionary in Nepal and his commentary is essentially a missionary's commentary Although he has done his biblical homework and he thinks theologically he does not write from the ivory tower of academia His concern is rather for the grass roots of newly planted churches He is familiar with the problems they face and the questions they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to read style includes both a simple vocabulary and short sentences Inevitably a one man commentary will not please everybody But he

has struggled to rid himself of bias so that there is very much here for all Bible students to learn whatever their cultural or denominational background In fact the Applied New Testament Commentary should help to promote mutual understanding tolerance and respect among Christian people John Stott All Souls Langham Place London **On with Spanish** Zenia Sacks Da Silva,1982 Intermediate Spanish text with readings to stimulate conversation exercises grammar review and extensive appendices Ven Connigo! ,2003 Spanish curriculum for middle and secondary grades which uses an integrated approach to language learning to develop listening reading writing and speaking skills with a variety of print and technology resources Levels 1A and 1B can be interchanged with Level 1 **Companeros** Ruth A.
