Son Of New England James Jackson Storrow:

Son of New England. James Jackson Storrow, 1864-1926. [With Plates, Including Portraits.]. Henry Greenleaf PEARSON,1932 *Son of New England* Henry Greenleaf Pearson,1932 James Jackson Storrow was born 20 January 1864 in Boston Massachusetts His parents were James Jackson Storrow 1837 1897 and Annie Maria Perry 1838 1865 His grandparents were Charles Storer Storrow 1809 1904 Lydia Cabot Jackson 1812 1889 Oliver Hazard Perry 1815 1878 and Elizabeth Ann Randolph He married Helen Osborne in 1891 They had one son **Son of New England: James Jackson Storrow 1864-1926** Henry Greenleaf Pearson,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Men of Massachusetts August C. Bolino,2012-08 As one of the original Thirteen Colonies and birthplace of the American Revolution Massachusetts has continued the rich tradition of liberty throughout its storied history becoming a primary contributor to many fields of human endeavor in American society Massachusetts native August C Bolino profiles two hundred significant historical personages from this state in *Men of Massachusetts* Beginning with a brief history Bolino traces the role individual men have played throughout the state s nearly four hundred year history offering a concise and informative profile of each one He discusses how Massachusetts has been a leader in reform movements including education the abolition of slavery and women s and African American suffrage In addition Bolino depicts how people of Massachusetts spread culture in literature music entertainment and sports championed liberty encouraged entrepreneurship and paved the way for us in the twenty first century Profiles include such storied figures as John Adams and Oliver Wendell Holmes Henry David Thoreau and Nathaniel Hawthorne Elias Howe and Calvin Coolidge and of course the Kennedy family A true testament to the remarkable achievements of the people of Massachusetts this compendium shows the fruits of true liberal philosophy Mind and Hand Julius Adams Stratton,Loretta H. Mannix,2005 The intellectual heritage of MIT an account of the flow of ideas about science and education that shaped the Institute as it emerged and that inspires it today The motto on the seal of the Massachusetts Institute of Technology *Mens et Manus* mind and hand signals the Institute s dedication to what MIT founder William Barton Rogers called the most earnest cooperation of intelligent culture with industrial pursuits *Mind and Hand* traces the ideas about science and education that have shaped MIT and defined its mission from the new science of the Enlightenment era and the ideals of representative democracy spurred by the Industrial Revolution to new theories on the nature and role of higher education in nineteenth century America MIT emerged in mid century as an experiment in scientific and technical education with its origins in the tension between these old and new ideas *Mind and Hand* was undertaken by Julius Stratton after his retirement from the presidency of MIT and continued by Loretta Mannix after his death Philip N Alexander of the

MIT Program in Writing and Humanistic Studies stepped in to complete the project The combined efforts of these three authors have given us what Julius Stratton envisioned a coherent account of the flow of ideas from which MIT emerged

The Fitzgeralds and the Kennedys Doris Kearns Goodwin,1991 In its drama and scope this number one bestseller about two families whose ambitions propelled them to unprecedented power and whose passions nearly destroyed them is one of the richest works of biography in the last decade Rarely has popular history rung so authentic The New York Times First time in trade paper Photographs *Elite Families* Betty G. Farrell,1993-09-06 This book maps the development of a regional elite and its persistence as an economic upper class through the nineteenth century Farrell s study traces the kinship networks and overlapping business ties of the most economically prominent Brahmin families from the beginning of industrialization in the 1820s to the early twentieth century Archival sources such as genealogies family papers and business records are used to address two issues of concern to those who study social stratification and the structure of power in industrializing societies in what ways have traditional forms of social organization such as kinship been responsive to the social and economic changes brought by industrialization and how active a role did an early economic elite play in shaping the direction of social change and in preserving its own group power and privilege over time **Pierre S. du Pont and the Making of the Modern**

Corporation Alfred D. Chandler, Jr.,Stephen Salsbury,2025-06-23 An admirable biography The book is well written piques the reader s curiosity to keep going and is well documented The New York Times A splendid piece of business history Chandler and Salsbury s history of du Pont represents a major contribution as business history the book is superb What is involved in transforming a small firm into a corporate giant That is the central question and the authors have provided an excellent analytical answer Antitrust Bulletin Alfred Chandler is the world master of institutional business history a first class company and entrepreneurial history David S Landes Economic History Association s EH net An interesting book fascinating reading as a study in business decision making definitely an important work a major contribution to business and economic history as well as required reading for all concerned with twentieth century American history The Journal of Economic History Pierre du Pont was the prime mover in the evolution of the DuPont and General Motors companies into two of the biggest of big businesses in early twentieth century America This painstakingly crafted study describes with commanding scholarship what du Pont did and how he did it This massive at times microscopic but always purposeful and controlled study is indispensable to an understanding of the coming of big business to modern America The American Historical Review Many books and many articles have been written about the du Ponts the Du Pont Company and General Motors Some of them deserve the overworked word excellent but for the business historian none of them approaches the book that Chandler and Salsbury have written It is really a history of Du Pont and General Motors in the most important of their formative years Business historians should read Pierre S du Pont or turn in their union cards Pennsylvania History **Separatism and Subculture** Paula M. Kane,2017-10-10 Kane explores the role of religious identity in Boston in the years 1900 1920 arguing

that Catholicism was a central integrating force among different class and ethnic groups She traces the effect of changing class status on religious identity and solidarity and she delineates the social and cultural meaning of Catholicism in a city where Yankee Protestant nativism persisted even as its hegemony was in decline

The Urban Establishment Frederic Cople Jaher,1982 *Dictionary of American Biography: Sewell-Trowbridge* ,1936 **The Dream Maker: William C. Durant, Founder of General Motors** Bernard A. Weisberger,2024-06-15 Billy Durant 1861 1947 put together General Motors model by model and twice lost it to the bankers and the engineers and to ego It s a big meaty broadly suggestive story that Bernard Weisberger tells properly qualified and documented to rescue Durant from the oblivion which is the price of failure in America Durant s fate it appears was in his stars His energy and drive came from maternal grandfather Henry Howland Crapo midwest magna merchant first citizen of Flint and twice Michigan s governor The failure dreaded and repeatedly was that of his wastrel father Leaving school young he quickly unveiled his true shining gift which was salesmanship but not of the conventional glad handing sort rather he conveyed his own faith in the product opening new vistas for the customer The problem to find a worthy product or to make one was solved with the appearance of a simple cart mounted on ingenious springs that didn t jounce Within hours Durant had bought out the cart factory raised the necessary money and acquired a partner the first of the exceptionally able associates Nash Champion Kettering Chrysler Sloan whom he fired with his dreams The crucial jump into auto production a whole new physical and economic landscape came with the foundering Buick and it was then that Durant discovered critically the ability to raise money in the stock market from the sale of nebulous assets As Durant goes on by this means to incorporate GM to add a parts division to diversify Frigidaire was his name and baby too Weisberger returns intermittently to his dual nature the empire builder impatient of routine and detail But it was also pride that he d proven himself not his father s son that brought Durant down for he lost GM the second time by trying single handedly in 1929 to prop up the tottering market for its stocks and this madness the Morgans and Du Ponts

could not excuse Nothing however becomes Durant more than his failure to admit defeat after the collapse of another auto company launched under his name he returned to Flint to set up foresightedly a respectable bowling alley His pathetic dignity and courage cap a memorable personal portrait far above the business biography norm Kirkus Billy Durant deserved a good biography and he got one Weisberger has collected every scrap of information that could be found and put it together in a complete picture of Durant and his work It gives the first comprehensive account of his family background and private life A variety of interesting figures appear some well known others now forgotten Alfred P Sloan Pierre Du Pont John J Raskob Charles W Nash Walter Chrysler Louis Chevrolet David D Buick Each has a biographical sketch Durant himself is appraised remarkably dispassionately good points and bad from his ability to see the great opportunities in the automobile industry to speculative mania that ultimately destroyed him Durant emerges in this book very much like the protagonist in a Greek tragedy He rose high and fell far because his great talents were offset by equally great flaws Billy Durant could make dreams He just could not make them come true The Washington Post A monumental work Weisberger has painstakingly explored and researched America's greatest success story The Lantern Columbus Ohio

Reforming Boston Schools, 1930-2006 J. Cronin, 2008-02-14 Boston's schools in 2006 won the Eli Broad Prize for the Most Improved Urban School System in America But from the 1930s into the 1970s the city schools succumbed to scandals including the sale of jobs and racial segregation This book describes the black voices before and after court decisions and the struggles of Boston teachers before and after collective bargaining The contributions of universities corporations and political leaders to restore academic achievement are evaluated by one who observed Boston schools for forty years Dictionary of American Biography: Steward-Trowbridge, 1936
