## **Son Of The Valley:**

*Through the Valley* James F. Humphries, 2008-10-13 The fierce close combat in the remote areas of South Vietnam's northern provinces in 1967-68 the battles of Hiep Duc March 11 Nhi Ha and Hill 406 has been a strangely underreported slice of the Vietnam War *Through the Valley* brings those battles into sharp focus chronicling the efforts of the proud units of the Americal Division and the 196th Light Infantry Brigade against a stubborn enemy in long forgotten villages and on torturous hills Colonel Humphries draws on both his own combat experience and the eyewitness reports of fifty former veterans to reconstruct what it was like to fight in Vietnam

Lehrack, 2010-04-01 This is an epic oral history of Vietnam's bloodiest campaign fought for seven months in a series of battles, most of them within four miles of each other along Route 534. Starting in October 1967, orders came down to the 2nd North Vietnamese Army Division commanding them to join with the local Viet Cong and seize the city of Danang in the Tet Offensive. After fighting for seven months in the Que Son Valley, the division was so battered that it failed to carry out its mission with only one platoon making it inside the city limits. This is the true life accounts of what fighting was like in that narrow bloody valley from the veteran's own mouths and how that saved Danang from suffering the same fate as Hue City. Library of Congress Subject Headings Library of Congress. Schneider, 2018-09-04 Although an estimated four hundred thousand Hudson Valley residents feed, observe or photograph birds, the vast majority of New Yorkers enjoy their birdwatching activities mostly around the home. Kathryn J. Schneider's engaging site guide provides encouragement for bird enthusiasts to expand their horizons. More than just a collection of bird finding tips, this book explores Hudson Valley history, ecology, bird biology and tourism. It describes sites in every county in the region including farms, grasslands, old fields, wetlands, orchards, city parks, rocky summits, forests, rivers, lakes and salt marshes. Designed for birders of all levels of skill and interest, this beautifully illustrated book contains explicit directions to more than eighty locations as well as useful species accounts and hints for finding the valley's most sought after birds. **Lithic Technological Organization and Paleoenvironmental Change** Erick Robinson, Frédéric Sellet, 2017-11-06 The objective of this edited volume is to bring together a diverse set of analyses to document how small scale societies responded to paleoenvironmental change based on the evidence of their lithic technologies. The contributions bring together an international forum for interpreting changes in technological organization embracing a wide range of time

periods geographic regions and methodological approaches As technology brings more refined information on ancient climates the research on spatial and temporal variability of paleoenvironmental changes In turn this has also broadened considerations of the many ways that prehistoric hunter gatherers may have responded to fluctuations in resource bases From an archaeological perspective stone tools and their associated debitage provide clues to understanding these past choices and decisions and help to further the investigation into how variable human responses may have been Despite significant advances in the theory and methodology of lithic technological analysis there have been few attempts to link these developments to paleoenvironmental research on a global scale
