Wasson,2011-07-21 With one of the longest and most controversial careers in Hollywood history Blake Edwards is a phoenix of movie directors full of hubris ambition and raving comic chutzpah His rambunctious filmography remains an artistic force on par with Hollywood s greatest comic directors Lubitsch Sturges Wilder Like Wilder Edwards s propensity for hilarity is double helixed with pain and in films like Breakfast at Tiffany s Days of Wine and Roses and even The Pink Panther we can hear him off screen laughing in the dark And yet despite those enormous successes he was at one time considered a Hollywood villain After his marriage to Julie Andrews Edwards s Darling Lili nearly sunk the both of them and brought Paramount Studios to its knees Almost overnight Blake became an industry pariah which ironically fortified his sense of

Indie, Inc. Alisa Perren, 2012-05-15 During the 1990s films such as sex lies and videotape The Crying Game Pulp Fiction
Good Will Hunting and Shakespeare in Love earned substantial sums at the box office along with extensive critical acclaim A
disproportionate number of these hits came from one company Miramax Indie Inc surveys Miramax s evolution from
independent producer distributor to studio subsidiary chronicling how one company transformed not just the independent
film world but the film and media industries more broadly As Alisa Perren illustrates Miramax s activities had an impact on
everything from film festival practices to marketing strategies talent development to awards campaigning Case studies of key
films including The Piano Kids Scream The English Patient and Life Is Beautiful reveal how Miramax went beyond influencing
Hollywood business practices and motion picture aesthetics to shaping popular and critical discourses about cinema during
the 1990s Indie Inc does what other books about contemporary low budget cinema have not it transcends discussions of
American indies to look at the range of Miramax released genre films foreign language films and English language imports
released over the course of the decade The book illustrates that what both the press and scholars have typically represented
as the rise of the American independent was in fact part of a larger reconfiguration of the media industries toward niche
oriented products
