By a Layman, of More Than Three-score Years and Ten [i.e. John Stow] ... Second Edition. [With the Text.], 1854 **The Original Aramaic New Testament in Plain English** Rev. David Bauscher, 2009-12-06 This is a rare New Testament 3rd edition from the Aramaic language of Jesus and his countrymen of 1st century Israel in a prose English translation Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Eeshu Pronunciation of Jesus in ancient Aramaic as He originally spoke them in a literal yet idiomatic English rendering Much evidence is presented in notes demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text making this a unique scholarly study Bible in elegant Lucida Calligraphy font 539 pages 6x9 Black hardbound How Early America Sounded Richard Cullen Rath, 2003 In early America every sound had a living willful force at its source **Hellenistic Influence and Twins in the Gospel of Mark** Jeffrey B. Pettis, 2023-12-06 Hellenistic Influence and Twins in the Gospel of Mark Fiery Angels examines Jesus twin disciples James and John Jesus gives them the name Boanerges Sons of Zeus referring to the Dioscuri mythological figures known for their saving action in times of human danger and distress This book addresses various questions prompted by Jesus naming of James and John Is the author embracing Hellenistic myth and mythology as part of his story Does he portray Jesus as one who himself is influenced by Hellenistic culture and if so to what extent To gain insight into these questions Jeffrey B Pettis examines various sources dioscuric figures in Second Maccabees 3 three visitors in Genesis 18 19 traces of dioscurism in the Markan boat stories Major themes include fire and sacrifice theophany personal saviors and old and new religion Of particular interest is the extent to which myth and mythology grasp the hearer s attention and occur as something which makes an impression Does the author of Mark make use of myth for just this reason to capture attention and to make and awaken his community to a larger world Youth Ministry David Olshine, 2013-10-15 The Youth Ministry movement has become a monument Youth leaders are doing so much work and it all seems worthy It s big important stuff But leaders across the nation quietly suspect that the more we do the less effective we seem to be in reaching young people

All those retreats and camps books and seminars conferences and leadership symposiums what difference do they make in young lives today As technology accelerates spiritual apathy increases Young people are biblically illiterate bored and find the church to be irrelevant Parents are frustrated Youth leaders are burned out And high school and college students if they ever attended are leaving the church by the droves What on earth has gone wrong Youth Ministry What s Gone Wrong How to Get It Right shines a revealing light on standard youth ministry practices and helps the reader to see what needs to change The book is full of practical ideas that work in real churches and includes voices from the trenches perspectives from current youth ministry leaders Deep down inside young people want life to matter The church has something important to offer but we have to start getting it right *An Exposition of the Gospels of St. Matthew and St. Mark* Richard Watson,1834
