Ukrainian New Drama after the Euromaidan Revolution Natal'ya Vorozhbyt, Anastasiia Kosodii, Natalia Blok, Andrii Bondarenko, Maksym Kurochkin, Kateryna Penkova, Olha Matsiupa, Lena Lagushonkova, 2023-09-07 Ukraine's remarkable aptitude for resilience and grassroots activism as witnessed since February 2022 is closely connected to a process that began with the Euromaidan Revolution in 2013-14 when over two million Ukrainians took to the streets in defense of democracy and human rights In the months directly following the Revolution Russia illegally occupied Ukraine's Crimean Peninsula and began funneling both arms and troops into the eastern region of Donbas to fuel a conflict between the Ukrainian army and a small group of radical separatists Since that time Ukrainians have been working diligently to build the society in which they have wanted to live all while fighting Russia and its proxies in Europe's forgotten war Ukrainian New Drama After the Euromaidan Revolution brings together key works from the country's impressively generative post-Revolutionary period many of them published here in English for the first time As well as established voices from the European theatre repertoire such as Natalka Vorozhbyt and Maksym Kurochkin this collection also features iconic plays from Ukraine's post-Maidan generation of playwrights Natalka Blok Andrii Bondarenko Anastasiia Kosodii Lena Lagushonkova Olha Matsiupa and Kateryna Penkova Considered together these plays reflect the diversity of voices in Ukraine as a country seeking to comprehend both the personal and political consequences of the Revolution the war and all that has come since A key element to the remarkable culture of defiance and resistance that Ukrainians created in these years has been new approaches to arts activism particularly in the performing arts In the eight years between Euromaidan and the full-scale invasion Ukraine witnessed an incredible boom in socially engaged performance practice

Playwriting in particular has become an essential genre through which artists have sought to bear witness to the repercussions of the war and to create spaces for the reclaiming of historical and cultural narratives Ukrainian New Drama After the Euromaidan Revolution captures this spirit and published this necessary and vital work in English for the very first time
