Song Of Desire:

Desire by Gender and Genre in Trouvère Song Helen Dell, 2008 Unspoken desire in trouvère song This study brings the songs of the trouvères to an encounter with Lacanian psychoanalytic theories of signification sexual difference and unconscious desire In trouvère song desire functions as a means of generic and genderic differentiation The trouvères distinguished between sexual need or lust and desire the latter usually confined to the masculine voice in high style Less exalted persons in whose company women were already implicitly included appear as incapable of desire in the fin amors register Critics have treated the issue of desire as represented in the courtly chanson but because criticism has followed the trouvères distinction between desire and need discussion of desire has been limited to songs in the courtly register rather than across the system of genres Desire in Lacan's sense that is unconscious desire is present in all genres and voices and this book unearths the unspoken desires of trouvère song by an attention to the characteristic means by which subjects subvert their demands in different genres HELEN DELL is a research fellow in English Literary Studies in the School of Culture and Communication University of Melbourne

The Song Is You Bradley Rogers, 2020-10-15 Musicals it is often said burst into song and dance when mere words can no longer convey the emotion This book argues that musicals burst into song and dance when one body can no longer convey the emotion Rogers shows how the musical's episodes of burlesque and minstrelsy model the kinds of radical relationships that the genre works to create across the different bodies of its performers spectators and creators every time the musical bursts into song These radical relationships borne of the musical's obsessions with bad performances of gender and race are the root of the genre's progressive play with identity and thus the source of its subcultural power However this leads to an ethical dilemma Are the musical's progressive politics thus rooted in its embrace of regressive entertainments like burlesque and minstrelsy The Song Is You shows how musicals return again and again to this question and grapple with a guilt that its joyous pleasures are based on exploiting the laboring bodies of its performers Rogers argues that the discourse of integration which claims that songs should advance the plot has functioned to deny the radical work that the musical undertakes every time it transitions into song and dance Looking at musicals from The Black Crook to Hamilton Rogers confronts the gendered and racial dynamics that have always undergirded the genre and asks how we move forward

Song of Ascension Darin Penzera, 2012-02-08 A book about a spiritual journey within a soul that begins with its fall and ends with its ascension The fall occurring into the abyss between what life is and what life should be the journey undertaken to seek a way out of the dark abyss to the light At some point in our life we all have to go on a great spiritual quest to give our life meaning we may begin in the darkest night or in a twilight period or even on a bright dawn the point we depart from may differ but we all desire to arrive at the same place at a sense of deep meaning for life This book is the light of hope to all those lost in the darkness This book's purpose is to serve for all who read it as the spiritual map showing the way to life's highest meaning and joy

Song of Songs J. Cheryl Exum, 2005-01-01

This original commentary foregrounds at every turn the poetic genius of the Song of Songs one of the most elusive texts of the Hebrew Bible J Cheryl Exum locates that genius in the way the Song not only tells but shows its readers that love is strong as death thereby immortalizing love as well as in the way the poet explores the nature of love by a mature sensitivity to how being in love is different for the woman and the man Many long standing conundrums in the interpretation of the book are offered persuasive solutions in Exum s verse by verse exegesis The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing The Song of The Lord Sitansu Ghosh,2022-11-17 The Song of the Lord is an interpretation of the Bhagavad Geeta in a newer fashion that was hitherto unknown to the readers and hence the book is a stand out among the gamut of the like discourses The book deserves to be regarded as a pioneering work opening up a new Vista to the readers so far the understanding of scriptural or spiritual texts is concerned The saints and the wise preach know thyself But their counsel fails to elicit the desired results owing to various reasons that are extraneous As you cannot test the sharpness of the edge of an ensheathed sword similarly you cannot know the self encased in the body without transcending your body to which aim this book is to provide you with the key to your endeavor In ultimate consideration life is divine and destined to be a drift in the immeasurable ocean of Ananda Bliss *Contributions of Selected Rhetorical Devices to a Biblical Theology of The Song of Songs* Mark McGinniss,2011-03-07 Scan any Old Testament Theology for its entry concerning the Song of Songs and you are likely to put the book down and walk away disappointed In the majority of resrouces the Song is either missing entirely or is given scant pages that do not justice to its divine message In this book Mark McGinniss seeks to remedy that situation by demonstrating the depth of theology in this ancient love song concerning desire passion and sex Beyond the significant theology of the Song this book demonstrates how the author of the Song of Songs employed certain literary devices for a specific rhetorical purpose to convey certain theological truths **Your Own Song to Sing (Volume 2)** Saverio,2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasnt even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times
