falters Only when trauma is confronted through verbalization and challenged with reparative images of home can memories of a positive self overcome the pain of past experiences and cultural rejection While the cultural trauma of slavery can never truly disappear Schreiber argues that memories that reconstruct a positive self whether created by people relationships a physical place or a concept help Morrison s characters to establish subjectivity A groundbreaking interdisciplinary work Schreiber s book unites psychoanalytic neurobiological and social theories into a full and richly textured analysis of trauma and the possibility of healing in Morrison s novels *Black Enterprise* ,1981-09 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance *Toni Morrison* Adrienne Lanier Seward,Justine Tally,2014-08-12 Toni Morrison Memory and Meaning boasts essays by well known international scholars focusing on the author s literary production and including her very latest works the theatrical production Desdemona and her tenth and latest novel Home These original contributions are among the first scholarly analyses of these latest additions to her oeuvre and make the volume a valuable addition to potential readers and teachers eager to understand the position of Desdemona and Home within the wider scope of Morrison s career Indeed in Home we find a reworking of many of the tropes and themes that run throughout Morrison s fiction prompting the editors to organize the essays as they relate to themes prevalent in Home In many ways Morrison has actually initiated paradigm shifts that permeate the essays They consistently reflect in approach and interpretation the revolutionary change in the study of American literature represented by Morrison s focus on the interior lives of enslaved Africans This collection assumes black subjectivity rather than argues for it in order to reread and revise the horror of slavery and its consequences into our time The analyses presented in this volume also attest to the broad range of interdisciplinary specializations and interests in novels that have now become classics in world literature The essays are divided into five sections each entitled with a direct quotation from Home and framed by two poems Rita Dove s The Buckeye and Sonia Sanchez s Aaayeee Babo Aaayeee Babo Aaayeee Babo
