The Complete Elegies of Sextus Propertius Propertius,2016-07-07 The Roman poet Propertius is best known as the writer who perfected the Latin love elegy a technical as much as a psychological and cultural feat Propertius has been admired for both his metrical genius and the modernity of his narrative flow Many of the poems here pay tribute to Cynthia Propertius s romantic obsession but the scope of these 107 elegies is broad Propertius s poetry offers a fascinating look into life in the Augustan age addressing social political and historical subjects A contemporary of Virgil and Horace Propertius has influenced scores of poets from Ovid to Housman to Pound His poetry appears here for the first time in a dual language edition with the translations facing the original Latin Rendered into English by a poet who is also one of the nation s pre eminent Propertius experts the volume brings Propertius s difficult mix of vernacular and high literary allusion into contemporary language Cynthia was the first She caught me with her eyes a fool who had never before been touched by desires Love cast down my look of constant pride and he pressed on my head with his feet until he taught me to despise chaste girls perversely and to live without plan Already it s been a whole year that the frenzy hasn t stopped when for all that the gods are against me

The Collected Lyric Poems of Luís de Camões Luís de Camões,2008-07-21 Lu s de Cam es is world famous as the author of the great Renaissance epic The Lus ads but his large and equally great body of lyric poetry is still almost completely unknown outside his native Portugal In The Collected Lyric Poems of Lu s de Cam es the award winning translator of The Lus ads gives English readers the first comprehensive collection of Cam es s sonnets songs elegies hymns odes eclogues and other poems more than 280 lyrics altogether all rendered in engaging verse Cam es 1524 1580 was the first great European artist to cross into the Southern Hemisphere and his poetry bears the marks of nearly two decades spent in north and east Africa the Persian Gulf India and Macau From an elegy set in Morocco to a hymn written at Cape Guardafui on the northern tip of Somalia to the first modern European love poems for a non European woman these lyrics reflect Cam es s encounters with radically unfamiliar peoples and places Translator Landeg White has arranged the poems to follow the order of Cam es s travels making the book read like a journey The work of one of the first European cosmopolitans these poems demonstrate that Cam es would deserve his place among the great poets even if he had never written his epic

The Dream of the Poem ,2009-01-10 Hebrew culture experienced a renewal in medieval Spain that produced what is arguably the most powerful body of Jewish poetry written since the Bible Fusing elements of East and West Arabic and Hebrew and the particular and the universal this verse embodies an extraordinary sensuality and intense faith that transcend the limits of language place and time Peter Cole s translations reveal this remarkable poetic world to English readers in all of its richness humor grace gravity and wisdom The Dream of the Poem traces the arc of the entire period presenting some four hundred poems by fifty four poets and including a panoramic historical introduction short biographies of each poet and extensive notes The original Hebrew texts are available on the Princeton University Press Web site By far the most potent and comprehensive gathering of medieval Hebrew poems ever assembled in English Cole s anthology builds on what poet and translator Richard Howard has described as the finest labor of poetic translation that I have seen in many years and an entire revelation a body of lyric and didactic verse so intense so intelligent and so vivid that it appears to identify a whole dimension of historical consciousness previously unavailable to us The Dream of the Poem is Howard says a crowning achievement

The Complete Odes and Satires of Horace Horace,2016-06-30 Horace has long been revered as the supreme lyric poet of the Augustan Age In his perceptive introduction to this translation of Horace s Odes and Satires Sidney Alexander engagingly spells out how the poet expresses values and traditions that remain unchanged in the deepest strata of Italian character two thousand years later Horace shares with Italians of today a distinctive delight in the senses a fundamental irony a passion for seizing the moment and a view of religion as aesthetic experience rather than mystical exaltation in many ways as Alexander puts it Horace is the quintessential Italian The voice we hear in this graceful and carefully annotated translation is thus one that emerges with clarity and dignity from the heart of an unchanging Latin culture Alexander is an accomplished poet novelist biographer and translator who has lived in Italy for more than thirty years Translating a poet of such variety and vitality as Horace calls on all his literary abilities Horace Quintus Horatius Flaccus 65 8 bce was born the son of a freed slave in southern rural Italy and rose to become one of the most celebrated poets in Rome and a confidante of the most powerful figures of the age including Augustus Caesar His poetry ranges over politics the arts religion nature philosophy and love reflecting both his intimacy with the high affairs of the Roman Empire and his love of a simple life in the Italian countryside Alexander translates the diverse poems of the youthful Satires and the more mature Odes with freshness accuracy and charm avoiding affectations of archaism or modernism He responds to the challenge of rendering the complexities of Latin verse in English with literary sensitivity and a fine ear for the subtleties of poetic rhythm in both languages This is a major translation of one of the greatest of classical poets by an acknowledged master of his craft

Through Naked Branches Tarjei Vesaas,2000 Tarjei Vesaas one of Scandinavia s greatest fiction writers has been less well known as a poet Now Roger Greenwald an award winning translator of Scandinavian poetry presents forty six poems drawn from Vesaas s six volumes of poetry This selection is intended to reveal the distinctive sensibility and voice of Vesaas

the poet The Norwegian texts appear facing the English versions which won the American Scandinavian Foundation Translation Prize The translator's groundbreaking introduction explores why Vesaas's poetry has often resisted critical analysis and how it challenges received notions of modernism Excerpts from Vesaas's writings about himself and his work supply helpful background and give some sense of the man behind the work Vesaas emerges as a lyric and meditative poet of uncommon depth who renders states of being beyond the reach not only of discourse but of most poetry as well From The Boat on Land Your still boat hasn't got a name Your still boat hasn't got a port Your secret boat on land From Shadows on the Point We stand here in your deep night Night and wait for something new from beyond the point The current runs black and silent And what we feel through it we don't tell each other

The Poetess Counts to 100 and Bows Out Ana Enriqueta Terán, 2009-02-09 Ana Enriqueta Terán is arguably Venezuela's finest poet Celebrated throughout the Spanish speaking world she is almost unknown among anglophones Until now only a handful of her poems have been translated into English giving at best a diluted impression of a uniquely intense imagination This bilingual edition reveals the power and beauty of this poet's Spanish poems through English versions of corresponding force It invites readers to enter Terán's world a world at once strongly Venezuelan and universally human imbued with great beauty sardonic humor pitiless compassion lucid wisdom and joyful affirmation Selected from several volumes of Terán's work these poems span half a century of composition and show an extraordinary range in both form and substance Some are written in closed forms some in free verse Some are carefully evocative representations of the landscapes and cityscapes that have nourished the poet's intelligence and imagination Others are dramatic character studies All are infused with Terán's rare sensibility and realized through language that manages to be at once graceful urgent and explosive This volume is a treasure for all lovers of poetry Deal Struck with Happiness How much sweetness to make right the night and this clutch of anemones near thin smooth consoling stones stones havens of southern weather Of a woman who watches Cepheids quaver among lightbursting mangroves Of a woman who offers cats eyes and clematis only Islands for the sake of setting right her deal struck with happiness
