## **The Disappearance Of Abigail:**

*The Disappearance of Abigail* Jill Stephenson, 2002-04-12 Abigail Wallestine is trying to survive A single woman in New York City she knows she must have money to live the glamorous life she dreamed of as a child But instead of the glamor Abigail finds herself entrenched in the politics and madness of a corporate nightmare A brokerage firm bent on the crash and burn of profit by any means Abigail finds she must play the game their way or risk losing it all A story out of the headlines of today The Disappearance of Abigail is a shocking insider s account of the kind of Enron culture that has become America s most sinister and contagious epidemic of our time **The Abandoned Countess - Abigail's Story** Shannon

Salter, 2013-12-26 Abandoned shortly after her wedding day the Countess of Rathbourne has been searching for her husband for two years with little success A social outcast with few loyal friends left Abigail begins to despair of ever seeing her husband again until a chance encounter rekindles her hopes But as the mystery of her husbands disappearance unravels who can she trust The seemingly angelic gentleman who swiftly befriends her or the darkly mysterious brother of her best friend And when lives are in danger will her heart prove to be the worst traitor of all Spies lies and intrigues set against the backdrop of Regency England **And He Will Take Your Daughters...** April D. Westbrook, 2015-04-23 April Westbrook

explores the intentional inclusion of woman stories those displaying significant female presence within the David narrative in the books of Samuel These stories are made prominent by the surprisingly high number of their occurrences as well as the sequentially progressive literary pattern in which they occur in the larger narrative Westbrook shows that the dramatic and detailed accounts within the story repeatedly challenge the reader to consider the experiences of women and their contribution to the purpose of the larger narrative When viewed collectively these woman stories serve to stir the reader s responses in ways which systematically call into question the nature of the monarchy itself as a power system both its impact upon the nation and upon the kings who rule Although King David is often held up as a paragon of virtue the experiences of the women in his life frequently reveal a different side of his character and the reader must wrestle with the resultant ambiguity In the process the reader must also think deeply about the inevitably negative aspects of hierarchical social structures and why this biblical text is apparently designed to press the reader toward unavoidable and uncomfortable personal confrontation with these realities concerning the use of power within community life **The Oakdale Affair** Edgar

Rice Burroughs, 2013-03-15 The THING moved down the hallway to the closed door The dragging chain marked each foot of its advance If it made other sounds they were drowned by the clanking of the links over the time roughened flooring Within the room the five were frozen into utter silence and beyond the door an equal quiet prevailed for a long minute then a great force made the door creak and a weird scratching sounded high up upon the old fashioned panelling Bridge heard a smothered gasp from the boy beside him followed instantly by a flash of flame and the crack of a small caliber automatic The Oskaloosa Kid had fired through the door Edgar Rice Burroughs created one of the most iconic figures in American pop

culture Tarzan of the Apes and it is impossible to overstate his influence on entire genres of popular literature in the decades after his enormously winning pulp novels stormed the public's imagination. The sequel to *The Mucker*, considered Burroughs' finest novel *The Oakdale Affair*, follows the continuing adventures of Mucker hero Billy Byrne's best friend Bridge in a tale of kidnapping, jewel theft, and other nefarious acts in the devastated social and economic landscape of post-World War I America. Originally appearing as a serial in 1918, it did not appear first in book form until 1937.

### **THE MUCKER**

**TRILOGY: *The Mucker, The Return of a Mucker & The Oakdale Affair*** Edgar Rice Burroughs, 2017-07-04 Billy Byrne is a mucker, a low-class American born in Chicago's ghetto. He grows up a thief and a mugger. He is not chivalrous nor kind and has only meager ethics, never giving evidence against a friend or leaving someone behind. He chooses a life of robbery and violence, disrespecting those who work for a living. He has a deep hatred for wealthy society. When falsely accused of murder, Billy flees to San Francisco and is shanghaied aboard a ship. The ship's secret mission is to hijack a millionaire's daughter, Barbara Harding, for ransom. After a terrible storm, the ship is damaged, and Billy rescues Barbara. He protects her from the jungle for weeks, and they fall in love. In *The Return of a Mucker*, Billy goes back to his old Chicago haunts, intending to clear his name. His time with Barbara imbued him with faith in the law and justice. However, he soon realizes that the system is more interested in finding someone guilty than in finding the guilty party. Awaiting the verdict, he reads that Barbara and Mallory are about to marry. *The Oakdale Affair* features the Return of *The Mucker* sidekick Bridge. In the home of Jonas Prim, president of an Oakdale bank, a thief makes off with a servant's clothing and valuables belonging to Prim's daughter, Abigail. Escaping the thief, he later encounters a group of hobos and is taken for one of them, the Oskaloosa Kid. Two of the hobos attempt to murder the newcomer for the loot, but he shoots at one and flees. Edgar Rice Burroughs (1875-1950) was an American writer best known for his creations of the jungle hero Tarzan and the heroic Mars adventurer John Carter, although he produced works in many genres.

***The Watchman*** V.B. Tenery, 2014-10-03 When Detective Noah Adams meets the abused son of a powerful judge, he knows he must intervene, and fast. The violence is escalating, and even Noah's special gifts may not prevent the unthinkable from happening. Relentlessly pursuing two cases, Noah receives a chilling message: Cody's deranged father has taken his son, and it's up to Noah to follow the judge's twisted trail to find the boy before it's too late. Corrupt city officials, a missing socialite, an attempted murder, and a rescue in the middle of a blizzard entangle Noah in the most complicated case of his career. A case that will mean his ultimate redemption or will take him back into the dark history that haunts him.

***The Unseen*** Ania Ahlborn, 2025-08-19 A terrifying new novel from bestselling HorrorBookTok sensation Ania Ahlborn, the acclaimed author of the modern classic *Brother*. Hailed as a writer of some of the most promising horror I've encountered in years, Seanan McGuire, author of the *Ghost Roads* series, Ania Ahlborn delivers a novel that pushes the boundaries of horror into a new realm. Isla Hansen, a mother reeling from a devastating loss, is beside herself when a mysteriously orphaned child appears on the outskirts of the Hansens' secluded Colorado property. Although strange and

unexplainable the child's presence breathes new life into Isla But as the child settles in Isla's husband Luke and their five children notice peculiarities that hint at something far beyond the ordinary anomalies that challenge the very fabric of reality itself The tension within the Hansen household grows and with it the sense that there is something very wrong with the new kid in the house The Unseen is a haunting tale that walks the line between the familiar and the unknown drawing us into a chilling narrative where reality itself feels just out of reach

**David's Secret Demons** Baruch Halpern, 2003-11-12 This is a print on demand book and is therefore non returnable The Bible portrays King David as an exceptional man and a paragon of godly devotion But was he Some scholars deny that he existed at all Did he This challenging book examines the written and archaeological evidence critically in an effort to paint an accurate picture of one of the Bible's central figures Neither defending nor rejecting the traditions about David Baruch Halpern a leading scholar of biblical history and the ancient Near East traces the origins of development of David's persona Because the biblical text clearly responds to concerns that can only be contemporary with David himself we can believe that David was both real and a central actor in the historical drama of ancient Israel Yet at the same time the written record also shows that contemporaries understood David's character to be much more unsavory than the tradition has hitherto allowed Halpern digs beneath the layers of tradition to understand David as an individual as a person The man he uncovers turns out to have been complex ambiguous and above all surprising According to Halpern the image of David grew over time He was the founder of the dynasty that perpetuated the texts about him and they progressively exaggerated his accomplishments But in the earliest writings David remains a modest figure as this book shows for the first time To understand David as a human being one must keep in mind that he was primarily a politician who operated in a rough and tumble environment in which competitors were ready literally to slit throats Halpern's work raises many provocative questions Was David an Israelite or a Philistine Was Solomon really David's son Did David take the throne of Israel by the consent or against the will of the people How many murders did he commit on his way to the crown Indeed was David someone it would have been wise to even invite to dinner The challenging arguments in David's Secret Demons are sure to provoke all kinds of discussion among biblical scholars and general readers alike In addition a big bonus Halpern's accessible at times humorous prose will itself draw readers everywhere into the compelling story of David found between these covers
