The Discipline Of Law

George A. Giuliani

The Discipline Of Law:

The Discipline of Law Alfred Thompson Denning Baron Denning, 1979 The underlying theme of this book is that the principles of law laid down by the Judges in the 19th century however suited to social conditions of the time are not suited to the social necessities and social opinion of the 20th century They should be moulded and shaped to meet the needs and opinions of today The Discipline of Law is a fascinating account of Lord Denning's personal contribution to the changing face of the law in this century Publ descr *The Discipline of Law. By the Rt Hon Lord Denning* Denning, 1979 **The discipline of law** Alfred DENNING, 1979 **The Discipline of Law** Lord Alfred Thompson Denning, 1979 **The Comprehensive Guide to Special Education Law** George A. Giuliani, 2012-05-15 This useful handbook provides educators with a practical understanding of the laws that are in place to protect the children with special needs that they support Written in a user friendly Q and A format it covers all of the key areas of special education law including Free Appropriate Public Education related services and discipline **Fifty sermons on the minor acts of ... Jesus Christ** John Marks Ashley, 1899 **Rethinking the Masters of Comparative Law** Annelise Riles, 2001-10-08 Comparative Law is experiencing something of a renaissance as legal scholars and practitioners traditionally outside the discipline find it newly relevant in projects such as constitution and code drafting the harmonization of laws court decisions or as a tool for understanding the globalization of legal institutions On the other hand comparativists within the discipline find themselves asking questions about the identity of comparative law what it is that makes comparative law unique as a discipline what is the way forward This book designed with courses in comparative law as well as scholarly projects in mind brings a new generation of comparativists together to reflect on the character of their discipline It aims to incite curiosity and debate about contemporary issues within comparative law by bringing the discipline into conversation with debates in anthropology literary and cultural studies and critical theory The book addresses questions such as what is the disciplinary identity of comparative law how should we understand its relationship to colonialism modernism the Cold War and other wider events that have shaped its history what is its relationship to other projects of comparison in the arts social sciences and humanities and how has comparative law contributed at different times and in different parts of the world to projects of legal reform Each of the essays frames its intervention around a close reading of the life and work of one formative character in the history of the discipline Taken as a whole the book offers a fresh and sophisticated picture of the discipline and its future Contents Montesquieu the specter of despotism and the origins of comparative law Robert Launay Max Weber and the uncertainties of categorical comparative law Ahmed White Rethinking Hermann Kantorowicz Free law American legal realism and the legacy of anti formalism Vivian Grosswald Curran Encountering amateurism John Henry Wigmore and the uses of American formalism Annelise Riles Nobushige Hozumi A skillful transplanter of western legal thought into Japanese soil Hitoshi Aoki Sanhuri comparative law and Islamic legal reform or why cultural authenticity is impossible Amr Shalakany
