The Dispossessed Ursula K. Le Guin, 1974 Frequently reissued with the same ISBN but with slightly differing bibliographical details *Dispossessed, the [50th Anniversary Edition]* Ursula K Le Guin, 2024-11-19 One of The Atlantic's Great American Novels One of the greats Not just a science fiction writer a literary icon Stephen King Engrossing Le Guin is a philosopher an explorer in the landscape of the mind Cincinnati Enquirer In celebration of its fiftieth anniversary a commemorative edition of Ursula K Le Guin's Hugo Locus and Nebula Award winning classic a profound and thoughtful tale of anarchism and capitalism individualism and collectivism and one ambitious man's quest to bridge the ideological chasm separating two worlds This special edition includes a new foreword by Karen Joy Fowler The Dispossessed is the spellbinding story of anarchist Shevek the galactically famous scientist who single handedly attempts to reunite two planets cut off from each other by centuries of distrust Anarres Shevek's homeland is a bleak moon settled by an anarchic utopian civilization where there is no government and everyone at least nominally is a revolutionary It has long been isolated from other worlds including its mother planet Urras defined by warring nations great poverty and immense wealth Now Shevek a brilliant physicist is determined to unify the two civilizations In the face of great hostility outright threats and the pain of separation from his family he makes an unprecedented trip to Urras Greater than any concern for his own wellbeing is the belief that the walls of hatred distrust and philosophic division between his planet and the rest of the civilized universe must be torn down He will seek answers question the unquestionable and explore differences in customs and cultures determined to tear down the walls of hatred that have kept them apart To visit Urras to learn to teach to share will require great sacrifice and risks which Shevek willingly accepts Almost immediately upon his arrival he finds not the egotistical philistines he expected but an intelligent complex people who warmly welcome him But soon the ambitious scientist and his gift is seen as a threat and in the profound conflict that ensues he must reexamine his beliefs even as he ignites the fires of change **The Radical Right** Daniel Bell, The Dispossessed :--a Novel Ursula K. Le Guin, 2003-09-01 A Tale of the Dispossessed/La Multitud Errante Laura Restrepo, 2003 From the acclaimed author of The Dark Bride comes a new novella published in a bilingual English Spanish edition Let Justice Roll Down Bruce C. Birch, 1991-01-01 Connecting the Old Testament with the modern church this book relates the testimonies and stories of Israel's faith in the Hebrew canon to the character and conduct of Christians and the Christian community today By opening up the moral resources available in the Old Testament this book will spur discussion of both the character of those moral resources and their pertinence to ethical issues in a complex and challenging time **Narrativizing Theories** Benjamin John Peters, 2020-02-06 Ours is an age of offense a time of reactionary shock always received never given Ours is an age that has forgone cultural narratives a time of individualism wherein personal identities trump the collective spirit Ours is an age of failing earth a time of ecological collapse yet the consumption of global capitalism continues to run amok But don't fear You have the correct worldview the best solutions It's

not your fault these things are happening It s the president s the immigrant s and the Islamicist s Or perhaps It s the socialist s the tree hugger s and the baby killer s But it s not your fault Never yours For the world exists as you see it in an echo chamber lined with golden pixels Do I still have your attention Then join me Within the covers of Narrativizing Theories I dive into ambiguity and aesthetics to depict how clashing worldviews exist side by side yet remain mutually incompatible I examine how cultures distinguish between acceptable and unacceptable beliefs embodiments and identities And I outline an aesthetic theory of ambiguity that highlights through the twists and turns of literature the provisionality of knowledge and the narrativization of reality Pink Pirates Caren Irr,2010-04-15 Caren Irr s clever readings of intellectual property cases and fictional texts expose the complexity of copyright what it means not only legally but also metaphorically By examining how women writers have grappled with the concept and significance of ownership Irr reveals their feminist critiques of market logic and their endorsement of what she calls positive piracy Pink Pirates s creative interdisciplinary approach gave me new ways of thinking about motherhood sexual pleasure domesticity and the commons Alison Piepmeier author Girl Zines Making Media Doing Feminism **The New Utopian Politics of Ursula K. Le Guin's The Dispossessed** Laurence Davis,Peter Stillman,2005-11-22 The Dispossessed has been described by political thinker Andre Gorz as The most striking description I know of the seductions and snares of self managed communist or in other words anarchist society To date however the radical social cultural and political ramifications of Le Guin s multiple award winning novel remain woefully under explored Editors Laurence Davis and Peter Stillman right this state of affairs in the first ever collection of original essays devoted to Le Guin s novel Among the topics covered in this wide ranging international and interdisciplinary collection are the anarchist ecological post consumerist temporal revolutionary and open ended utopian politics of The Dispossessed The book concludes with an essay by Le Guin written specially for this volume in which she reassesses the novel in light of the development of her own thinking over the past 30 years **All the World's a Rage** Pasquale De Marco,2025-04-14 This groundbreaking book delves into the enigmatic and multifaceted world of rage offering a comprehensive exploration of its origins manifestations and consequences Drawing upon a wide range of disciplines including psychology sociology and history it sheds light on this often misunderstood emotion unveiling its complexities and providing insights into how individuals and societies can address it constructively Within these pages readers will embark on a journey through the diverse expressions of rage from the familiar experiences of road rage and cyber rage to the more profound manifestations of political and religious extremism The book delves into the experiences of the dispossessed and marginalized examining the role of inequality discrimination and oppression in fueling anger and resentment Beyond its academic rigor this book is distinguished by its accessible and engaging writing style making it a compelling read for a broad audience Personal anecdotes case studies and real life examples bring the abstract concepts of rage to life allowing readers to connect with the struggles and triumphs of individuals who have grappled with this powerful emotion This book also offers practical strategies

and techniques for managing rage constructively promoting emotional well being and fostering healthier relationships It emphasizes the importance of self awareness emotional regulation and communication skills in mitigating the negative effects of rage and channeling it towards positive outcomes Furthermore the book challenges conventional notions of rage and offers a nuanced understanding of its role in shaping individual and collective experiences It examines the ways in which rage can be a catalyst for social change and transformation while also acknowledging its destructive potential when left unchecked This book is an essential resource for anyone seeking to understand the complexities of rage and its impact on individuals communities and society It is an invaluable guide for mental health professionals social workers educators policymakers and anyone interested in exploring the darker side of human nature and finding pathways toward healing and transformation If you like this book write a review on google books
