The Divided Union The Story Of The Great American War 1861 65:

The Divided Union Peter Batty, Peter J. Parish, 1987 The Divided Union is an account of five of the most dramatic and tragic years in the history of the U S The families and neighbors of a fledgling superpower were pitted against each other in a war concerned with the most fundamental of human motivations freedom identity and nation While great leaders like Abraham Lincoln and Ulysses S Grant found their moment millions of ordinary Americans suffered terribly and more were killed than during the First and Second World Wars combined The victory of the North determined the indivisibility of the Union and ensured its development as a nation yet deep scars remained and the ideals outlined by Lincoln in the Gettysburg Address failed to become a blueprint for the modern U S This is an accessible and compelling account both of the conflict itself and of its wider implications

Review of Current Military Literature, 1988

Professional Journal of the United States Army, 1988 **Military Review**, 1988 The Hidden Treasure of Dutch Buffalo Creek Jackson Badgenoone, 2015 An eight year old boy named James aka the wannabe Cisco Kid nearly lost his life as he searched for precious metal in a bone dry southwest Arizona gulley He retrieved only pyrite before a desert flood swept away his world Over the course of half a century James acquired several additional nicknames They were reflections of his

multiple personalities His dad called him Traveler or Trav Some coworkers referred to him as Point Man A few colleagues labeled him Knowledge Navigator or Nav Under the cool shimmering waters of Dutch Buffalo Creek in 2014 A D Trav came upon a rusty bayonet It was buried long ago in the Carolina Piedmont This discovery is no coincidence indeed this bayonet is a symbol of the abundant riches found in the river of history that connects both the past and future The blade reminded Point Man that all that glitters is not gold Nav expanded the search for real treasure beyond the water s edge The blade was a catalyst that drove James to sift through a lifetime of artifacts and bittersweet memories He found riches from the past and caught a glimpse of the future Just as the bayonet glimmered in the depths of the water so does the ongoing work of his family s unseen witnesses the Neverborn They reveal ancient treasures that go far beyond mere gold and silver James is guided into a deeper understanding that he and countless loved ones have been called by name as spoken by the prophet Isaiah I have summoned you by name you are mine When you pass through the waters I will be with you Your search for real treasure begins when you realize that you are called by name You are special in the eyes of your Creator Your spiritual wealth will overcome all of the conflict and competition that troubles the waters in your life **Men In The Public Eye** Jeff Hearn,2006-05-11 Men in the Public Eye reveals why men s domination in and of the public sphere is a vital feature of gender relations in patriarchy It also shows how public domains dominate private domains contributing to the intensification of public patriarchies Jeff Hearn explores these important issues by focusing on the period 1870 1920 when there was massive growth and transformation in the power of the public domains He demonstrates that these historical debates and dilemmas are still relevant today as men search for new postmodern forms of masculinities **Air University Library**
