The Divine Humanity:

The Divine Humanity, Its Origin, Nature, and Glorification. [By Samuel Smith?], 1868 Divine Humanity David Brown, 2013-02-11 For almost a century British understanding of the life of Christ was dominated by one particular way of interpreting the incarnation as a kenosis or self emptying that involved real change in God In this controversial and ground breaking work David Brown argues that the sharp decline in the popularity of such ideas in more recent years is undeserved There is in fact a rich strain of creative thinking in its original advocates that needs to be re assessed not least in the light of the wider intellectual challenges of time to which they were responding But going further than this Brown also attempts a defence of his own Even if readers disagree with the author s conclusions they are likely to be impressed by the range of issues considered in pursuit of a fully human incarnate Christ *The Divine Humanity* Samuel Smith, 1868* **The Divine and the Human** Nikolai Berdiaev, Nikolai Berdiaev, 1949 **Divine Humanity** David Brown, 2011 At times controversial Divine Humanity expertly repositions kenosis at the center of Christological discussions *The Lamb of God* Sergius Bulgakov, 2008-01-02 What is our participation in the divine humanity In explaining this important doctrine Sergius Bulgakov begins by surveying the field of Christology with special reference to the divine humanity He considers the role of the Divine Sophia examines the foundations of the Incarnation explores the nature of Christ s divine consciousness and ponders Christ s ministries while on earth A profound discussion of Christ s kenosis as a model for humanity rounds out this comprehensive and valuable study The Lamb of God is one of the greatest works of Christology in the twentieth century and a crowning achievement in the examination of the theology of divine humanity The Apocalypse Explained, According to the Spiritual Sense Emanuel Swedenborg, 1871 **The Divine Humanity** John Turner Stannard, 1892 **Heaven and its Wonders, the World of Spirits, and Hell** Emanuel Swedenborg, 2023-03-20 Reprint of the original first published in 1872 The publishing house Anapisi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost
