Spinoza's Religion Clare Carlisle, 2021-09-07 A bold reevaluation of Spinoza that reveals his powerful inclusive vision of religion for the modern age Spinoza is widely regarded as either a God forsaking atheist or a God intoxicated pantheist but Clare Carlisle says that he was neither In Spinoza's Religion she sets out a bold interpretation of Spinoza through a lucid new reading of his masterpiece the Ethics Putting the question of religion centre stage but refusing to convert Spinozism to Christianity Carlisle reveals that being in God unites Spinoza's metaphysics and ethics Spinoza's Religion unfolds a powerful inclusive philosophical vision for the modern age one that is grounded in a profound questioning of how to live a joyful fully human life Like Spinoza himself the Ethics doesn't fit into any ready made religious category But Carlisle shows how it wrestles with the question of religion in strikingly original ways responding both critically and constructively to the diverse broadly Christian context in which Spinoza lived and worked Philosophy itself as Spinoza practiced it became a spiritual endeavor that expressed his devotion to a truthful virtuous way of life Offering startling new insights into Spinoza's famously enigmatic ideas about eternal life and the intellectual love of God Carlisle uncovers a Spinozist religion that integrates self knowledge desire practice and embodied ethical life to reach toward our highest happiness to rest in God Seen through Carlisle's eyes the Ethics prompts us to rethink not only Spinoza but also religion itself The Christian Doctrine of the Church, Faith, and the Consummation Emil Brunner, 2014-10-10 *Projection and Realism in Hume's Philosophy* P. J. E. Kail, 2010-04-22 Hume is held to have taught that causal power and self are projections that God is a projection of our fear and that value is a projection of sentiment In *Projection and Realism in Hume's Philosophy* P J E Kail provides a fresh interpretation of this metaphor and uses it to shed new light on some of Hume's central ideas *Religious Liberty and the Hermeneutic of Continuity: Conservation and Development of Doctrine at Vatican II* R. Michael Dunnigan, 2023-10-24 The Second Vatican Council's declaration *Dignitatis Humanae* marks a significant advance over prior magisterial teaching about the right to religious liberty yet the nature of this advance has long been subject to controversy Is it a true development conserving and extending what came before Or does it instead chart a new course entirely rejecting and replacing the older teaching In *Religious Liberty and the Hermeneutic of Continuity* R Michael Dunnigan takes up these pressing questions and offers a careful examination of how the claims of *Dignitatis Humanae* relate to the magisterial precedents set by the papacy in the nineteenth century With precision and nuance Dunnigan analyzes the object scope and foundation of the right to religious liberty itself and his analysis culminates in the proposal that the right endorsed by Vatican II is not identical with the rights condemned by previous popes Beyond establishing the claims of *Dignitatis Humanae* as a true development of prior teaching Dunnigan shows that its contribution to the question of religious liberty has not yet received full appreciation Indeed Dunnigan demonstrates how the Vatican II declaration reaffirms reinforces and even revivifies prior magisterial

teaching on religious liberty through its emphasis on human integrity which emerges as a foundational but often overlooked principle of continuity **Encyclical of Pope Pius X on the Doctrines of the Modernists** Saint Pius X, Aeterna Press, 2015-07-31 The office divinely committed to Us of feeding the Lord's flock has especially this duty assigned to it by Christ namely to guard with the greatest vigilance the deposit of the faith delivered to the saints rejecting the profane novelties of words and oppositions of knowledge falsely so called There has never been a time when this watchfulness of the supreme pastor was not necessary to the Catholic body for owing to the efforts of the enemy of the human race there have never been lacking men speaking perverse things Acts xx 30 vain talkers and seducers Tit i 10 erring and driving into error 2 Tim iii 13 Aeterna Press **Theology explained and defended, sermons; with a memoir [by S.
