The Dragon Cant Dance

**Albert James Arnold, Julio Rodríguez-
Luis, J. Michael Dash**

The Dragon Cant Dance:

The Dragon Can't Dance Earl Lovelace, 1981 Described as a landmark not in the West Indian but in the contemporary novel by C L R James Earl Lovelace's Caribbean classic tells the story of Calvary Hill poverty stricken pot holed and garbage strewn where the slum shacks leap out of the red dirt and stone thin like smoke fragile like kite paper balancing on their rickety pillars as broomsticks on the edge of a juggler's nose *The Dragon Can't Dance* is a remarkable canvas of shanty town life in which Lovelace's intimate knowledge of rural Trinidad and the Carnival as a sustaining cultural tradition are brilliantly brought to life

The Dragon Can't Dance Earl Lovelace, 1998 In Trinidad the martial arts dancer Aldrick Prospect fights the commercialization of the Mardi Gras carnival Sick to see the country's traditions destroyed warrior contests have been replaced by games for tourists he joins a coup d'etat serves a stint in jail and never dances again

A History of Literature in the Caribbean: English- and Dutch-speaking countries Albert James Arnold, Julio Rodríguez-Luis, J. Michael

Dash, 2001-01-01 For the first time the Dutch speaking regions of the Caribbean and Suriname are brought into fruitful dialogue with another major American literature that of the anglophone Caribbean The results are as stimulating as they are unexpected The editors have coordinated the work of a distinguished international team of specialists Read separately or as a set of three volumes the *History of Literature in the Caribbean* is designed to serve as the primary reference book in this area The reader can follow the comparative evolution of a literary genre or plot the development of a set of historical problems under the appropriate heading for the English or Dutch speaking region An extensive index to names and dates of authors and significant historical figures completes the volume The subeditors bring to their respective specialty areas a wealth of Caribbeanist experience Vera M Kutzinski is Professor of English American and Afro American Literature at Yale University Her book *Sugar's Secrets Race and The Erotics of Cuban Nationalism* 1993 treated a crucial subject in the romance of the Caribbean nation Ineke Phaf Rheinberger has been very active in Latin American and Caribbean literary criticism for two decades first at the Free University in Berlin and later at the University of Maryland The editor of *A History of Literature in the Caribbean* A James Arnold is Professor of French at the University of Virginia where he founded the New World Studies graduate program Over the past twenty years he has been a pioneer in the historical study of the Negritude movement and its successors in the francophone Caribbean

Nationalism and Identity Stefano Harney, 1996 The nation state of Trinidad and Tobago offers a unique case for the study of the forces and ideologies of nationalism This book reveals how this ethnically diverse nation 40% African origin 40 45% East Indian origin plus those of Syrian Chinese Portuguese French and English descent independent for less than forty years has provided fertile ground for the creative tension between the imagination of the writer in his or her search for a habitable text of identity and the official discourse on nationalism in Trinidad and Tobago This discourse has in turn been embedded in a struggle that propels the nation's story Following on from this background the study examines the changes and influences on the sense of nationalism and peoplehood caused by

migration and the ethnicization of migrant communities in the metropolises *The Dragon Can't Dance* ,2015 In Trinidad the martial arts dancer Aldrick Prospect fights the commercialization of the Mardi Gras carnival. Sick to see the country's traditions destroyed, warrior contests have been replaced by games for tourists; he joins a coup d'état, serves a stint in jail, and never dances again. *Cultural Conundrums* Natasha Barnes,2010-02-11 *Cultural Conundrums* investigates the passions of race, gender, and national identity that make culture a continually embattled public sphere in the Anglophone Caribbean. Today academics, journalists, and ordinary citizens have weighed in on the ideological meanings to be found in the minutiae of cultural life: from the use of skin bleaching agents in the beauty rituals of working-class Jamaican women to the rise of sexually suggestive costumes in Trinidad's Carnival. Natasha Barnes traces the use of cultural arguments in the making of Caribbean modernity, looking at the cultural performances of the Anglophone Caribbean: cricket, carnival, dancehall, calypso, and beauty pageants, and their major literary portrayals. Barnes historicizes the problematic linkage of culture and nation to argue that Caribbean anticolonialism has given expressive culture a critical place in the region's identity politics. Her provocative readings of foundational thinkers C. L. R. James and Sylvia Winters will engender discussion and debate among the Caribbean intellectual community. This impressively interdisciplinary study will make important contributions to the fields of Afro-diaspora studies, postcolonial studies, literary studies, performance studies, and sociology. Postcolonial cultural criticism is celebrated for its mastery of generalization and condemned for its inability to historicize. *Cultural Conundrums* is unique in its ability to find a middle ground. It touches on some of the most important and contentious issues in the field. This book will account for why it was in those small islands that what we now call cultural studies was invented. Simon Gikandi, Princeton University. Natasha Barnes is Associate Professor of African American Studies and English at the University of Illinois at Chicago. **Voices in the Creation of an Indigenous Trinidad and Tobago Theatre** Patrick Brennan,2025-04-15 This book explores how, from the mid-20th century, a new form of theatre emerged in Trinidad and Tobago as its playwrights came to mine the Afro-Creole Trinidadian folk milieu. This book focuses primarily on the period from the 1950s through to the contemporary moment, investigating how Trinidad's theatrical practitioners developed methodologies that formulated an indigenous theatre. It examines how, in its creation, it would distance itself from Western forms as the stage was decolonized, making way for a variety of new forms that mimetically reflect the reality of Trinidad's Afro-Creole folk. This book establishes a premise on which the terms folk and indigenous have been shaped by Trinidad's socio-historical past. It develops an argument that outlines how Trinidad's African cultural retentions form a central basis on which a theatrical tradition was established. This book traces the historical impetus and driving forces that gave rise to a body of writers for whom the vitally important link between the production of drama and the search for identity in the immediacy of the post-colonial period is established. The book develops a structure that forms three lines of discrete research: folk expression, women, their portrayal, and their emergence as theatrical practitioners and theatrical developments through the decades. These subject areas are

examined through the work of a broad body of playwrights Exploring their theory and praxis their work is described in terms that exhibit a variety of genres with tropes that have become indelible resources for theatrical practitioners to draw from With a theatrical base that extends from popular comedy to avant garde spiritual works the theatre is shown to represent a composite entity one that accommodates a plurality of forms which in their summation express the breadth and depth of Trinidad and Tobago s theatrical journey one that is still very much underway Readers that have an interest in theatre cultural gender post colonial or Caribbean studies will enjoy this book *Interrogating Caribbean Masculinities* Rhoda Reddock, 2004 Annotation This anthology of new Caribbean scholarship on masculinities establishes masculinity studies as an important new area of research and theorizing in the Caribbean The content of this volume reflects a range of disciplinary approaches including anthropology history international relations literary criticism and art and installation The book is of interest for those teaching masculinity studies women and gender studies and for policy makers interested in gender relations in the Caribbean and the Caribbean diaspora BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Caribbean Without Borders* Gabriel J. Jiménez Fuentes, Gabriel Mejía González, Marisol Joseph Haynes, 2015-09-04 One of the most salient issues in Caribbean studies is the region s linguistic and cultural fragmentation as a result of European colonization More than five centuries later the islands and American countries whose shores touch the Caribbean Sea still echo such maladies The title of this book is a call towards unity a unity that in the words of Barbadian poet historian and critic Kamau Brathwaite is submarine In the past nations borders were established based on the distance a cannon ball was able to cover when fired from land out to sea It is time to go beyond the cannon ball distances out into uncharted territories beyond the canon and thus beyond the cannon s range This book features a selection of essays presented at the fifth annual Caribbean Without Borders conference at the University of Puerto Rico R o Piedras It critically delves into the fields of linguistics history literature philosophy politics feminism cultural studies music film and art among many others as a means to re visit re view re envision re read re interpret and thus re create a Caribbean aesthetics that looks to submarine unity a unity that defies spatial temporal and social borders The book conveys the limitless nature of the Caribbean and its rich culture making it an appealing transdisciplinary source for a multidisciplinary academic audience

The West Indian Novel and Its Background Kenneth Ramchand, 2004 An account of the emergence of the West Indian novel in English this work provides valuable insights into the social cultural and political background offering concise and focused accounts of the growth of education the development of literacy and the formation of West Indian Creole languages
