The Dreaming Stones G J Busiko,2019-12-09 Discovering a nuclear threat on Australian soil Joshua Carver and his team of international experts who work for the United Nations must race around the world from outback Australia to Europe What they discover is a powerful organisation that has existed for centuries an ancient alien device and a secret that could forever change the world *Soils Stones and Symbols Cultural Perceptions of the Mineral World* Nicole Boivin,Owic,2013-07-04 Ethnographic and archaeological records feature a rich body of data suggesting that understandings of the mineral world are in fact both culturally variable and highly diverse *Soils Stones and Symbols* highlights studies from the fields of anthropology archaeology and philosophy that demonstrate that not all individuals and societies view minerals as commodities to be exploited for economic gain or as passive objects of disembodied scientific enquiry In visiting such diverse contexts as contemporary India colonial period Australia and prehistoric Europe and the Americas the papers in this volume demonstrate that in pre industrial societies minerals are often symbolically meaningful ritually powerful and deeply interwoven into not just economic and material but also social cosmological mythical spiritual and philosophical aspects of life In addressing the theme of the mineral world this book is not only unique within the social and geo sciences but also at the forefront of recent attempts to demonstrate the importance of materiality to processes of

The Dreaming Tree C. J. Cherryh, 1997-12-01 The classic fantasy duology combining The Dreamstone and The Tree of Swords and Jewels in an omnibus for the first time It was that transitional time of the world when man first brought the clang of iron and the reek of smoke to the lands which before had echoed only with fairy voices In that dawn of man and death of magic there yet remained one last untouched place the small forest of Ealdwood which kept the magic intact and protected the old ways And there was one who dwelt there Arafel the Sidhe who had more pride and love of the world as it used to be than any of her kind But fear of the world of Faery ran deep in the hearts of men and when Ciaran Cuilean Lord of Caer Wiell a man with Elvish blood in his veins found himself the object of increasing distrust and suspicion from his men his king and even his own family he knew he must once again put his humanity aside and return to Ealdwood For shadows of a newly awakened evil swarmed across both lands and unless Ciaran reclaimed his haunted weapons from the Tree of Swords and joined Arafel he would see this evil overtake not only the warm hearthstones of the mortal keeps but the silvery heart of Ealdwood itself The Book of Stones Robert Simmons, Naisha Ahsian, 2015 Published in association with North Atlantic Books Berkeley California
