The Duelling Machine:

The Dueling Machine Ben Bova, Myron R. Lewis, 2012-01-01 At first the dueling machine seemed like a benign or even a helpful invention allowing people to blow off steam and solve conflicts in a virtual reality like environment But before long an evil tyrant discovers a way to use the device to inflict real and lasting harm on participants Will the intrepid scientist who invented the technology be able to stop him before it s too late

The Dueling Machine (Official Complete Novel Edition) Ben Bova, 2014-01 Civilized harmless virtual reality dueling has replaced all physical conflict everything from punching someone over a personal insult to interstellar warfare until a madman dictator of a small empire finds a way to cheat and use the dueling machine to take over the galaxy From a six time Hugo Award winning master of science and set in the same universe as *The Star Conquerors* **THE DUELING MACHINE** is filled with real people facing the end of their world as they know it **ABOUT THE AUTHOR** Dr Ben Bova is a six time Hugo Award winner and author of over 125 futuristic novels and nonfiction books about science and technology

The Duelling Machine Ben Bova, 1969 *The Dueling Machine* Ben Bova, 2018-02 Excerpt Your own Government tested one of the machines and approved its use on Acquatainia more than three years ago I see several of you who were among those to whom I personally demonstrated the device Duelling machines are in use through wide portions of the galaxy and I am certain that many of you have used the machine You have general I m sure The general blustered That has nothing to do with the matter at hand Admittedly Leoh conceded But I do not understand how a therapeutic machine can possibly become entangled in a political crisis We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

Dueling Machine Ben Bova, 2015 **The Dueling Machine** Benjamin William Bova, Myron R. Lewis, 2019-06-27 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature In an attempt to preserve improve and recreate the original content we have worked towards 1 Type setting Reformatting The complete work has been re designed via professional layout formatting and type setting tools to re create the same edition with rich typography graphics high quality images and table elements giving our readers the feel of holding a fresh and newly reprinted and or revised edition as opposed to other scanned printed Optical Character Recognition OCR reproductions 2 Correction of imperfections As the work was re created from the scratch therefore it was vetted to rectify

certain conventional norms with regard to typographical mistakes hyphenations punctuations blurred images missing content pages and or other related subject matters upon our consideration Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references However a few of such imperfections which could not be rectified due to intentional unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work We believe that this work holds historical cultural and or intellectual importance in the literary works community therefore despite the oddities we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole driven by our beliefs We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content HAPPY READING
