The Dutch Courtesan:

The Dutch Courtesan John Marston, 1613 Although it was written shortly before or after Queen Elizabeth's death in 1603 and performed by the boy company at Blackfriars this play foreshadows the light ladies and callous gallants of Restoration comedy Passion is a scourge love is humiliation and friends might as well be enemies Freevill discards his concubine Franceschina and for a joke sets his straight laced friend Malheureux on to her who falls for her and promises to carry out her revenge on Freevill by killing him The play in the theatre which is fully imagined in the introduction to this edition impresses on the audience the spuriousness of rigid moral persuasions especially when they are tried by fits of sexual passion

The Dutch Courtesan John Marston, 2018-01-25 The Dutch Courtesan is an early Jacobean stage play written by the dramatist and satirist John Marston circa 1604 It was performed by the Children of the Queen's Revels one of the troupes of boy actors active at the time in the Blackfriars Theatre in London *The Dutch Courtesan*, 1963 *The Dutch Courtesan* John Marston, 2018-04-05 The Dutch Courtesan is a riotous tragicomedy that explores the delights and perils afforded by Jacobean London While Freevill an educated young Englishman and the play's nominal hero frolics in the city's streets taverns and brothels Franceschina his cast off mistress and the Dutch courtesan of the play's title laments his betrayal and plots revenge Juxtaposing Franceschina's vulnerable financial position against the unappealing marital prospects available to gentry women the play undermines the language of romance revealing it to be rooted in the commerce and commodification Marston's commentary on financial insecurity and the hypocritical repudiation of foreignness makes *The Dutch Courtesan* truly a document for our time **John Marston** M.
