Rosenberg,Kenyon C. Rosenberg,1973 **Divided by Faith** Benjamin J. Kaplan,2010-03-30 As religious violence flares around the world we are confronted with an acute dilemma Can people coexist in peace when their basic beliefs are irreconcilable Benjamin Kaplan responds by taking us back to early modern Europe when the issue of religious toleration was no less pressing than it is today *Divided by Faith* begins in the wake of the Protestant Reformation when the unity of western Christendom was shattered and takes us on a panoramic tour of Europe s religious landscape and its deep fault lines over the next three centuries Kaplan s grand canvas reveals the patterns of conflict and toleration among Christians Jews and Muslims across the continent from the British Isles to Poland It lays bare the complex realities of day to day interactions and calls into question the received wisdom that toleration underwent an evolutionary rise as Europe grew more enlightened We are given vivid examples of the improvised arrangements that made peaceful coexistence possible and shown how common folk contributed to toleration as significantly as did intellectuals and rulers Bloodshed was prevented not by the high ideals of tolerance and individual rights upheld today but by the pragmatism charity and social ties that continued to bind people divided by faith *Divided by Faith* is both history from the bottom up and a much needed challenge to our belief in the triumph of reason over faith This compelling story reveals that toleration has taken many guises in the past and suggests that it may well do the same in the future **The Athenæum** ,1854 The Works of John Dryden,; Amboyna, or The cruelties of the Dutch to the English merchants, a tragedy. The state of innocence, and fall of a man, an opera. Aureng-Zebe, a tragedy.
