Engerman, Robert E. Gallman, 1996 Volume III surveys the economic history of the United States and Canada during the twentieth century **The Boston Renaissance** Barry Bluestone, Mary Huff Stevenson, 2000-06-29 This volume documents metropolitan Boston's metamorphosis from a casualty of manufacturing decline in the 1970s to a paragon of the high tech and service industries in the 1990s The city's rebound has been part of a wider regional renaissance as new commercial centers have sprung up outside the city limits A stream of immigrants have flowed into the area redrawing the map of ethnic relations in the city While Boston's vaunted mind based economy rewards the highly educated many unskilled workers have also found opportunities servicing the city's growing health and education industries Boston's renaissance remains uneven and the authors identify a variety of handicaps low education unstable employment single parenthood that still hold minorities back Nonetheless this book presents Boston as a hopeful example of how America's older cities can reinvent themselves in the wake of suburbanization and deindustrialization A Volume in the Multi City Study of Urban Inequality **The Chicopee Manufacturing Company, 1823-1915** John Michael Cudd, 1974 *The Senator from New England* Sean J. Savage, 2015-06-11 Chronicles JFK's growing confidence and ambition while a member of the US Senate John F Kennedy's path to the presidency began during his eight years of service in the United States Senate In *The Senator from New England* Sean J Savage contends that Kennedy initially pursued a centrist bipartisan course in his rhetoric and policy behavior regarding the regional policy interests of New England Following his narrow defeat for the Democratic vice presidential nomination in 1956 and his nationwide speaking campaign for Adlai Stevenson JFK's rhetoric and policy behavior became more partisan and liberal especially during the 1958 midterm elections While JFK claimed that he still protected and promoted the policy interests of New England on a bipartisan basis he used his speaking engagements to interact with Democratic politicians throughout New England in an effort to secure the entire region's delegate votes at the 1960 Democratic National Convention Based on the use of primary sources archives and special collections from four presidential libraries the Library of Congress Boston College the Margaret Chase Smith Library the Massachusetts Historical Society and other institutions *The Senator from New England* provides an unrivaled glimpse into Kennedy's Senate career and early presidential campaign strategy Sean Savage's masterful account of the early political career of John F Kennedy takes a commanding place in the multitude of Kennedy biographies With his focus on Kennedy as a

US Senator and his complex relationship with President Eisenhower and major figures in his own party Savage illuminates the ambition and shrewdness of this rising star of American politics and adds nuance and complexity to our picture of JFK Ross K Baker author of *Is Bipartisanship Dead* A Report from the Senate Asking how John F Kennedy extricated himself from sometimes sordid and provincial state and regional politics to become an inspiring national leader The Senator from New England provides new insights into the forces and strategies that propelled Kennedy into the presidency Donald A Ritchie author of *The U S Congress A Very Short Introduction* **Remaking Boston** Anthony N. Penna, Conrad Edick Wright, 2009 Remaking Boston chronicles many of the events that altered the physical landscape of Boston while also offering multidisciplinary perspectives on the environmental history of one of America's oldest and largest metropolitan areas
