majestic in all they do relentless in endurance and above all things breathtaking in flight and we are to be like them Wow Of all the birds God created the eagle is perhaps the most fascinating The eagle must exercise the wisdom God has given to him as he chooses a mate disciplines his children and fights the many natural foes of his life It is not coincidence that God would liken his believers to such an amazing creature Riding lofty thermals to the heavenly heights how can it be that we were also meant to soar on the wings of faith prayer and praise to greater heights of spirituality Come with this author and take a journey into the mighty eagles domain leaving the plains of spiritual mediocrity behind Come learn what it means to soar with eagles renewing strength and being all God desires you to be **Flying on the Wings of the Eagle** Emmanuel Okereke,2020-04-20

Believers are considered to be an eagle The eagle is the king of all birds it has lessons to teach us if we are going to reign as Christians in this life It flies higher and soars than any other bird base on the strength of the wings without wings it cannot soar Every eagle Christian has two wings on which he or she soars higher in life **THE EAGLE CHRISTIAN** GODSPower IWEH,2020-12-31 The Bible is replete with metaphors and similes that are used in relation to God Man and things Basically the Old and the New Testament of the Bible attest to this fact In this book The Christian Eagle the writer Rev Godspower Iweh from his wealth of experiences from both the secular and the sacred uses his linguistic and theological dexterity to unveil the qualities and characteristics and of the Eagle that the Christian should possess The Author was down to earth in pricking to pieces this outstanding characteristics of the eagle as he juxtaposes them to the Christian life Systematically Rev Iweh places his thoughts in six chapters in this book as challenges to the contemporary Christian In his first chapter the author challenges all Christians to discover their identity In Chapters two and three the author beckons on all Christians to soar and be a spiritual eagle Chapter Four focuses on how the eagle goes through a painful process of renewal which the contemporary Christian go through to become better in life Besides the Author brings to the fore the wisdom of the eagle in chapter five Here he exposes the Seven types of wisdom of the eagle the four types of wisdom Eight products of wisdom and eight ways to acquire Divine wisdom The Last Chapter x rays how the eagle breaks out of his comfort zone to soar on a higher level Here there is a clarion call for all and sundry to come out of their comfort zone to do the needful and soar higher in life Consequent upon the above this book The Christian Eagle is a very comprehensive and well researched work The book is written in simple and lucid language making very easy to comprehend Admittedly the book is very educative informative illustrative spiritual and devotional Conclusively I recommend it for all Pastors Parishioners Seminarians Students Politicians Counselors and all who desire to soar like eagles in their pilgrimage here on earth He Sees the Eagle in Me Chester R. Owenby,2021-03-11 In these days we are living there is oftentimes much discouragement and struggle Fellow Christian in this book we will expound upon the life of an eagle You will see how these creatures daily look to God for the help and hope to sustain life Furthermore how we as Christians depend upon God s guidance and direction through these difficult times Let me leave you with some thoughts to consider What happens when the eagle looks
