The Earl:

The Earl's Hoyden Madeline Martin, From New York Times Bestselling Author Madeline Martin comes the first book in a playful Regency series where the girls of Lady Finch's Finishing School grow into ladies who have no intention to ever marry. A wallflower no one wants. Miss Hannah Bexley is a friend to everyone and would be the perfect bride if only she wasn't such a hoyden. Perhaps that is why no man has made an offer of marriage. Not that it matters. The life of a country spinster will do quite nicely. That is until she's approached by the Earl of Brightstone to assist him in becoming more appealing in his search for a wife. She readily agrees. After all they would never suit. Not when he follows the rules and she breaks them. Not when he overthinks everything and she's so very impulsive. Not when he's looking to marry and she knows she'll never receive a proposal. But hearts have a way of defying even the most pedantic minds and opposites often create the brightest sparks.

The Earl's Christmas Consultant Bianca Blythe, 2018-12-12. Enjoy Bianca Blythe's delightful Wedding Trouble regency romance series today. Flora has masqueraded as a French maid for years. Though she despises hiding her skill at the piano and has no innate fondness for mending, she is happy to no longer be on the run. When a handsome earl who sent butterflies fluttering through her chest as a child discovers her French is atrocious, Flora requires a new position lest her true identity be discovered. Christmas has never been Lord Wolfe McIntyre's favorite season. His parents never celebrated it and he never imagined he would succumb to sentimentality as an adult. After all he runs a gaming hell. But when his sister's engagement is broken, Wolfe vows to host a magnificent holiday ball so she can find a husband before the next season. The only problem? His lack of knowledge about the holiday. Wolfe is shocked when his friend's maid appears at his manor house in Scotland. When he hired a Christmas consultant, he expected a stern Bavarian woman with a knowledge of Yule logs, not an alluring young woman whom he last saw claiming a blatantly false identity and who seems distressed at seeing him. Wolfe is even more shocked when he discovers he desires her. Earls are not supposed to find their servants appealing, no matter how much they fill their homes with Yuletide joy and music. But perhaps there's a reason Flora looks familiar. A heartwarming Christmas romance between a rakish Scottish earl and a woman on the run. Curl up with this Cinderella romance.
