The Early Records Of The Town Of Dedham Massachusetts 1659 1673 Volume 4:

The Early Records of the Town of Dedham, Massachusetts, 1659-1673, a Complete Transcript of the Town Meeting and Selectmen's Records Contained in Book Three of the General Records of the Town.. Don Gleason

Hill,1894 *The Early Records of the Town of Dedham, Massachusetts, 1659-1673, Vol. 4* Dedham Dedham,2017-10-13

Excerpt from The Early Records of the Town of Dedham Massachusetts 1659 1673 Vol 4 A Complete Transcript of the Town Meeting and Selectmen s Records Contained in Book Three of the General Records of the Town Together With an Appendix Containing Transcripts From the Massachusetts Archives and From the General Court Records 1635 1673 A This volume the fourth of the Dedham series and the second of the general town records covers about fifteen years between 1658 and 1673 a period of great development both in the town and in the colony It shows how an independent homogeneous self respecting community could manage its own affairs upon the good old New England plan which has never been surpassed The town meeting the town officers and back of both the controlling town sentiment constituted a triple power which ruled supreme With all the necessary sanctions of law and safeguards of liberty Such records of course do not belong to the class of literature common ly called popular They are far removed from the range of fiction or poetry or tradition But one who makes himself familiar with these annals will find vastly more than mere hard and dry facts He will read between the lines and by allowing his imagination to brood over them he will find here ele ments of civics economics education religion domestic and social life and even the touches of romance In fact the story of such a town is intensely dramatic especially in the age of the founders There are acts and scenes and Dramatic personae and exhibitions of human passion and pride both tragic and comic Here are not only examples of selfishness but of the noblest generosity and sacrifice of personal magnanimity and courage of steadfast loyalty and patriotism These qualities may not appear at first sight as one opens the book The quaint spelling disguises the narrative and diverts the attention but to the student this peculiarity is really a charm in itself and it belongs to all the original literature of that period in England as well as in this country About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Early**

Condition of the Public Records of Parishes, Towns, and Counties Massachusetts. Public Records Division,1892

Dispossession by Degrees Jean M. O'Brien, 2003-05-01 Despite popular belief Native peoples did not simply disappear from colonial New England as the English extended their domination in the seventeenth and eighteenth centuries Rather the Native peoples in such places as Natick Massachusetts creatively resisted colonialism defended their lands and rebuilt kin networks and community through the strategic use of English cultural practices and institutions So why did New England settlers believe that the Native peoples had vanished In this thoroughly researched and astutely argued study historian Jean M O'Brien reveals that in the late eighteenth century the Natick tribe experienced a process of dispossession by degrees which rendered them invisible within the larger context of the colonial social order thus enabling the construction of the myth of Indian extinction

Report on the Custody and Condition of the Public Records of Parishes, Towns, and Counties ... Massachusetts. Record Commission, 1895
