Gerard Manley Hopkins's Poetics of Anxiety and Transience Mirko Starčević, 2023-10-25 This book analyses the themes of anxiety and transience in the poetical thought of Gerard Manley Hopkins a prominent 19th century poet The book argues that despite Hopkins s strong religious beliefs his artistic vision and quest for an original aesthetic were the foremost concerns in his poetry The author examines Hopkins s early interest in transience which he later developed through the influence of the philosopher Duns Scotus and the aesthetic critic Walter Pater In the second half of the book the author employs Martin Heidegger s philosophy to deepen our understanding of Hopkins s poetics of anxiety and transience He illuminates how these themes shaped Hopkins s poetic voice revealing his affinity with Romanticism and his belief that transience and anxiety enhance rather than hinder the creative process The book provides a fresh perspective on Hopkins s work challenging the prevailing views that downplay the importance of these themes While the book is primarily a contribution to literary scholarship it may also appeal to readers interested in the intersection of literature philosophy and art **Selected Poems** Du Bellay, Ronsard, 2023 From the gritty realism and resentment of Du Bellay to the lyric grace and frank eroticism of Ronsard the poems of this volume testify to the many faceted achievement of the two poets who as leaders of the famous Pl iade group were crucial to the creation of a new national literature

Lee, 2011-11-28

Aquest llibre explora l'estètica de LeRoi Jones Amiri Baraka des dels seus primers dies com poeta beat fins a l'actualitat Baraka ha estat considerat com el poeta rebel el que sempre ataca la política denuncia l'abús de poder i les erronies polítiques administratives dels Estats Units Aquest volum examina alguns dels més importants assajos i obres de ficció amb l'objectiu de clarificar la importància en el desenvolupament de l'obra de Baraka **Collected Poems** Peter Redgrove, 2012-01-31 Peter Redgrove who died in 2003 was one of the most prolific of post war poets and as this Collected Poems reveals one of the finest A friend and contemporary of Ted Hughes and Sylvia Plath in the early 1950s Redgrove was regarded by many as their equal and his work has been championed by a wide variety of writers from Margaret Drabble to Colin Wilson Douglas Dunn to Seamus Heaney Ted Hughes once wrote warmly to Redgrove of how important you've been to me You've no idea how much right from the first time we met In this first Collected Poems Neil Roberts has gathered together the best poems from twenty six volumes of verse from The Collector 1959 to the three books published posthumously The result is an unearthed treasure trove poems that find new and thrilling ways of celebrating the natural world and the human condition poems that dazzle with their visual imagination poems that show the huge range and depth of the poet's art In Redgrove's poetry there is a unique melding of the erotic the terrifying the playful the strange and the strangely familiar his originality and energy is unparalleled in our time and his work was the work of a true visionary *The Girl at the Halfway House: A Story of the Plains* Emerson Hough, 2020-09-28 The band major was a poet His name is lost to history but it deserves a place among the titles of the great Only in the soul of a poet a great man could there have been conceived that thought by which the music of triumph should pass the little pinnacle of human exultation and reach the higher plane of human sympathy Forty black horses keeping step forty trumpeters keeping unison this procession headed by a mere musician who none the less was a poet a great man crossed the field of Louisburg as it lay dotted with the heaps of slain and dotted also with the groups of those who sought their slain crossed that field of woe meeting only hatred and despair yet leaving behind only tears and grief Tears and grief it is true yet grief that knew of sympathy and tears that recked of other tears For a long time the lines of invasion had tightened about the old city of Louisburg and Louisburg grew weaker in the coil When the clank of the Southern cavalry advancing to the front rang in the streets many were the men swept away with the troops asked to go forward to

silence the eternally throbbing guns Only the very old and the very young were left to care for the homes of Louisburg and the number of these grew steadily less as the need increased for more material at the front Then came the Southern infantry lean soft stepping men from Georgia and the Carolinas their long black hair low on their necks their shoes but tattered bits of leather bound upon their feet their blankets made of cotton but their rifles shining and their drill perfection The wheat lay green upon the fields and the odours of the blossoms of the peach trees hung heavy on the air but there was none who thought of fruitage or of harvest Out there in front where the guns were pulsing there went on that grimmer harvest with which the souls of all were intimately concerned The boys who threw up their hats to greet the infantry were fewer than they had been before the blossoming of the peach The war had grown less particular of its food A boy could speed a bullet or could stop one There were yet the boys Of all the old time families of this ancient little city none held position more secure or more willingly accorded than the Fairfaxes and the Beauchamps There had always been a Colonel Fairfax the leader at the local bar perhaps the representative in the Legislature or in some position of yet higher trust The Beauchamps had always had men in the ranks of the professions or in stations of responsibility They held large lands and in the almost feudal creed of the times they gave large services in return The curse of politics had not yet reached this land of born politicians Quietly smoothly yet withal keyed to a high standard of living the ways of this old community as of these two representative families went on with little change from generation to generation
