compassionate account examines the nature of Cocteau's chameleon-like genius, his romantic attachments, his controversial politics, and his intimate involvement with many of the century's leading artistic lights including Picasso, Proust, Hemingway, Stravinsky, and Tennessee Williams. Already published to great critical acclaim in France, Arnaud's penetrating and deeply researched work reveals a uniquely gifted artist while offering a magnificent cultural history of the twentieth century.

**Encyclopedia of Twentieth-Century Photography, 3-Volume Set** Lynne Warren, 2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide-ranging interdisciplinary manner. This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force. This Encyclopedia presents the important developments, movements, photographers, photographic institutions, and theoretical aspects of the field along with information about equipment, techniques, and practical applications of photography. To bring this history alive for the reader, the set is illustrated in black and white throughout, and each volume contains a color plate section. A useful glossary of terms is also included.

**Vivien** Alexander Walker, 1994-01-12 Vivien Leigh is best known as the former Mrs. Laurence Olivier, the beautiful but willful Scarlett O'Hara, and the fading southern belle with a tenuous grip on reality, Blanche Du Bois. In life and on the screen, these were her public roles. Walker's excellent biography fills the gaps, giving insights into her private life, into what it must have been like to be Vivien Leigh. Walker, author of *Garbo: A Portrait* (CH Mar 81) and *Dietrich* (1984) and *Bette Davis: A Celebration* (1986), is a careful researcher who managed to win the confidence of the right people. His interview subjects include Vivien Leigh's only daughter, Suzanne Farrington; her first agent, John Glidden; and her last husband, Jack Merivale. Vivien is personal without being excessively gossipy and informative without being pedantic. Walker's book should delight filmgoers, theatergoers, and readers curious about prominent people. Leigh's achievements were many, but her personality had its darker side. Even her 20 years as half of Britain's reigning theatrical couple, the Oliviers, took its toll on her physical and mental health. Amply supplied with photographs of the actress at all stages of her life, Vivien is an engaging book about an engaging figure. Undergraduates and general readers. J. L. Cohen, Los Angeles County Museum of Art
