[Paranormal Nation](#) Marc E. Fitch, 2013-03-21 This thought provoking study of paranormal phenomena traces the impact of supernatural beliefs on popular culture and conversely examines the influence of new communication technologies on research being conducted in the field Did you know that interest in UFO research increased during the 1960s as a result of the Kennedy assassination Or that America experienced a Satanic Panic in the 1980s that culminated with the longest most expensive court trial in American history This book reviews the history economy and community of paranormal research in this country and considers the deeper meaning behind the philosophies and theories surrounding the industry Paranormal Nation Why America Needs Ghosts UFOs and Bigfoot explores the events that have defined paranormal belief systems today From the birth of religious doctrine to European witch hunts to the increasing popularity of the supernatural in American television programming the author examines the past and present conditions that have fueled interest in the unexplained and considers what this trend means for modern day America

**Retracing the Keowee Trail** J. Stuart Taylor, 2024-11-07 In Retracing the Keowee Trail the author tells the story of the Cherokee Path that connected the low country of colonial Carolina with the mountain homeland of the Cherokee Nation The Keowee Trail was a busy trading route for a burgeoning deerskin trade Along this same path epidemic disease made its way inexorably from the colony toward Cherokee society reducing their population by more than half Along this path warfare was waged in both directions by Cherokee war parties determined to defend their homeland and by settlers like the author's Scots Irish ancestors evermore hungry for land That ancestral history is an entry point into this larger narrative A deep map approach to the Keowee Trail will hold together multiple lines of perspective including memoir family history migration patterns religious history Indigenous wisdom trauma theory ghost stories mythology archeology geography the watersheds and the flora and

fauna of the Southern Appalachians      **The Big Book of Maryland Ghost Stories** Ed Okonowicz, 2019-07-17 Hauntings lurk and spirits linger in the Old Line State Reader beware Turn these pages and enter the world of the paranormal where ghosts and ghouls alike creep just out of sight Author Ed Okonowicz shines a light in the dark corners of Maryland and scares those spirits out of hiding in this thrilling collection From footsteps and apparitions appearing at Fort McHenry to reports of strange noises and phenomena at the battleground of Antietam these stories of strange occurrences will keep you glued to the edge of your seat Around the campfire or tucked away on a dark and stormy night this big book of ghost stories is a hauntingly good read      *Weaving New Perspectives Together* María Alonso Alonso, Jeannette Bello Mota, Alba de Béjar Muñíos, 2012-04-25 The present volume seeks to offer a novel and interdisciplinary overview of the question of literary interpretation and the numerous perspectives current in the field today Written by early career researchers and enriched with the important contributions of three senior lecturers the articles contained in this compilation are devised to work as a multi faceted whole that may at the same time give inspiration to students and constitute a guide to more experienced scholars Acting as an integrating entity that agglutinates works from scholars across Europe the editors consider this book to be a clear example of the dynamism of present day literary studies and of the numerous ways in which literature can speak to people Following Margaret Atwood s statement The answers you get from literature depend on the questions you pose this volume may be said to possess the potential to provide as many answers as it poses new questions which will stimulate future research in the field
