Non-Wood Forest Products of Asia A. Z. M. Manzoor Rashid, Niaz Ahmed Khan, Mahmood Hossain, 2022-07-22 This book highlights the importance of non wood forest products NWFPs and their crucial role in sustaining the livelihood of rural and indigenous communities in Asia The authors depict how the preservation of forests and the associated major non wood resources may provide an important avenue to reduce poverty The local practices and knowledge on harvesting NWFPs are often rooted in tradition and vary from one region to the other This made it difficult to develop and establish research focus on a greater scale in the past Readers of this volume will gain an often missed broader

perspective from these new studies The authors put a special emphasis on the nexus between conservation and livelihood from an Asian point of view This addresses a knowledge gap in the current literature and offers important clues on conducting similar research around the world The volume provides a useful reference guide for the relevant researchers practitioners and policy makers
