Ann Woodward**

The Hidden Epidemic Confronting Sexually Transmitted Diseases Summary:

The Hidden Epidemic Institute of Medicine, Committee on Prevention and Control of Sexually Transmitted Diseases, 1997-02-01 Committee on Prevention and Control of Sexually Transmitted Diseases 1997 68 pp 4 00 each minimum order of 50 copies

The Hidden Epidemic Institute of Medicine, Committee on Prevention and Control of Sexually Transmitted Diseases, 1997-03-28 The United States has the dubious distinction of leading the industrialized world in overall rates of sexually transmitted diseases STDs with 12 million new cases annually About 3 million teenagers contract an STD each year and many will have long term health problems as a result Women and adolescents are particularly vulnerable to these diseases and their health consequences In addition STDs increase the risk of HIV transmission The Hidden Epidemic examines the scope of sexually transmitted infections in the United States and provides a critical assessment of the nation's response to this public health crisis The book identifies the components of an effective national STD prevention and control strategy and provides direction for an appropriate response to the epidemic Recommendations for improving public awareness and education reaching women and adolescents integrating public health programs training health care professionals modifying messages from the mass media and supporting future research are included The book documents the epidemiological dimensions and the economic and social costs of STDs describing them as a secret epidemic with tremendous consequences The committee frankly discusses the confusing and often hypocritical nature of how Americans deal with issues regarding sexuality the conflicting messages conveyed in the mass media the reluctance to promote condom use the controversy over sex education for teenagers and the issue of personal blame The Hidden Epidemic identifies key elements of effective culturally appropriate programs to promote healthy behavior by adolescents and adults It examines the problem of fragmentation in STD services and provides examples of communities that have formed partnerships between stakeholders to develop integrated approaches The committee's recommendations provide a practical foundation on which to build an integrated national program to help young people and adults develop habits of healthy sexuality The Hidden Epidemic was written for both health care professionals and people without a medical background and will be indispensable to anyone concerned about preventing and controlling STDs

Sexually Transmitted Disease Surveillance, 2009

Our Common Journey National Research Council, Policy and Global Affairs, Policy Division, Board on Sustainable Development, 1999-12-09 World human population is expected to reach upwards of 9 billion by 2050 and then level off over the next half century How can the transition to a stabilizing population also be a transition to sustainability How can science and technology help to ensure that human needs are met while the planet's environment is nurtured and restored Our Common Journey examines these momentous questions to draw strategic connections between scientific research technological development and societies efforts to achieve environmentally sustainable improvements in human well being The book argues that societies should approach sustainable development not as a destination but as an ongoing adaptive

learning process Speaking to the next two generations it proposes a strategy for using scientific and technical knowledge to better inform future action in the areas of fertility reduction urban systems agricultural production energy and materials use ecosystem restoration and biodiversity conservation and suggests an approach for building a new research agenda for sustainability science Our Common Journey documents large scale historical currents of social and environmental change and reviews methods for what if analysis of possible future development pathways and their implications for sustainability The book also identifies the greatest threats to sustainability in areas such as human settlements agriculture industry and energy and explores the most promising opportunities for circumventing or mitigating these threats It goes on to discuss what indicators of change from children s birth weights to atmosphere chemistry will be most useful in monitoring a transition to sustainability

Healthy People 2010 United States. Office of Disease Prevention and Health Promotion, Presents Healthy People 2010 an initiative of the Office of Disease Prevention and Health Promotion of the Healthy People 2010, Volume 2, November 2000 ,2001 Teen Pregnancy Prevention United States. Congress. House. Committee on Ways and Means. Subcommittee on Human Resources,2002 **Male Infertility in Reproductive Medicine** Botros Rizk,Ashok Agarwal,Edmund S. Sabanegh Jr.,2019-10-16 This useful illustrated text summarizes for an audience of clinicians in Reproductive Medicine the practical essentials of what they need to know about diagnosis and management of the infertile male patient whether they need to instruct or liaise with a colleague or undertake the procedures themselves **Public Health Law** Lawrence O. Gostin,2008-09-02 In this completely revised second edition Gostin analyzes the major health threats of our times from emerging infectious diseases e g SARS and pandemic influenza to bioterrorism e g the deliberate release of anthrax and smallpox to chronic diseases caused by overweight and obesity By analyzing transnational law Gostin shows how public health law transcends national borders in areas ranging from infectious disease and tobacco use to world trade and access to essential medicines Public Health Law creates an intellectual framework for the modern field of public health and supports that framework with illustrations of the intellectual scientific political and ethical issues involved In proposing innovative solutions for the future of the public s health Gostin s essential study provides a blueprint for coming public and political debates about this vital and burgeoning field **BOOK JACKET** **Fundamentals of Sexually**

Transmitted Infections Zekayi Kutlubay,Server Serdaroglu,2017-09-06 This textbook includes the recent progresses and scientific knowledge from the leading experts in different approaches to control diagnosis and management depending on resources and facilities available This book has been written by our colleagues from all over the world This book is divided into six sections Each section supplies particularly sexually transmitted infections diagnostics microorganism types pathogenesis and treatment options Essential points in publishing this book are to improve our knowledge about sexually transmitted infections and new treatment modalities One chapter of the book is devoted to viral infections and their treatment We think that this textbook will serve as a comprehensive guide to many physicians dealing with sexually

transmitted infections in their clinical practice It will hopefully be a precious source for dermatologists educators other physicians and medical students

Strong Fathers, Strong Daughters Meg Meeker,2006-09-30 Inspiration for the motion picture streaming on Pure Flix Drawing on her thirty years experience practicing pediatric and adolescent medicine teen health expert Dr Meg Meeker explains why an active father figure is maybe the single most important factor in a young woman s development In this invaluable guide Meeker shows how a father can be both counsel and protector for his daughter as she grows into a spiritually and mentally strong young woman From cradling his newborn to walking her down the aisle a father must relish his paramount responsibility guiding the course of his daughter s life Meeker reveals how a man can become a strong father how a father s guidance influences every part of a woman s life from her self respect to her perspective on drugs alcohol and sex how to lay down ground rules that are respected without creating distance in your relationship with your daughter why you need to be your daughter s hero the mistakes most fathers make and their serious consequences how to help daughters make their own good decisions and avoid disastrous mistakes how a father s faith will influence his daughter s spiritual development how to get through to you daughter even during her toughest don t talk to me years true stories of daughters who were on the wrong path and how their fathers helped to bring them back Learn how to grow strengthen or rebuild your relationship with your daughter to better both your life and hers in the bestselling *Strong Fathers Strong Daughters 10 Secrets Every Father Should Know*
