The Hidden King James Bible Deane Kogelschatz, 2003-02-18 Sex violence cruelty and a fair and just God who punishes others for what someone else has done are some of the subjects covered in The Hidden King James Bible What The Translators didn't Want You to Know From the Creation performed by the seven Elohim in the first book of Genesis to The Revelation the only book of the KJV Bible directly created by God and untouched by man this book exposes the translating secrets used by the King James Translators to hide ancient Hebrew belief systems from the Christian world Textual differences duplications as well as moral codes of the day provide an entertaining and enlightening insight as to the value systems of these ancient peoples and their motivations The Hidden King James Bible will certainly provide an eye opening experience and insight not only into the Ancient Hebrews but as to how our present Day Christian belief systems have been molded and guided in secret ways without our knowing **Secrets of the Holy Bible** John Terpstra, 2019-07-31 This book thoroughly documents traditions and beliefs using concrete biblical references that every religious denomination is wrong about and it proves how all biblical references must work together without contradiction to tell us the whole truth This book also reveals secrets of the entire Holy Bible and the book of Revelation in detail and solves the mystery of the Trinity which has been debated by the churches for decades This book also contains crucial information concerning apocalyptic events that have been kept secret from the general public for centuries There are secrets disclosed in detail in this book that no mortal man or religious scholar has ever figured out prior to it being written in this book The biblical secrets in this book have been researched studied and thoroughly documented This book is not only biblically accurate It is predominantly indisputable philosophically profound prophetically insightful and extremely overwhelming They Didn't Listen, They Didn't Know How Olwen Davies, 2013-09 They say don't judge a book by its cover but it's human nature to instinctively do it On this cover I've placed a framed picture of my husband as he was in life with the words They didn't listen they didn't know how indicating from where he is right now he can see a bigger picture I say framed because there is evidence indicating he was a diabetic but in fact he was suffering from something else The back cover has a selection of photographs of him enjoying life against a background of honeycomb with the inscription Life became too sweet for me I invite you to read on with an open mind
