The Book of Revelation Elisabeth Schüssler Fiorenza, 1998 Rev ed of The book of Revelation justice and judgment c1985

The Book of Revelation: Justice and Judgment Elisabeth Schussler Fiorenza, 1985      **The Book of Revelation** John Bertram Phillips, 1957      *Future and perfect Justice and Judgment certified by the Divine Government; and all called now to a ministry of mercy ... A sermon [on Psalm lxxxix. 14].* Rev. Robert HAWES, 1861      Handbook of Restorative Justice Gerry Johnstone, Daniel Van Ness, 2013-01-11 Discusses the key concepts and principles of restorative justice explains how the campaign for restorative justice arose and developed into an influential social movement describes the variety of restorative justice practices and identifies and examines key issues within the restorative justice movement      **The Apocalypse of John Among its Critics** Alexander Stewart, Alan S. Bandy, 2023-07-26 Should Christians be embarrassed by the book of Revelation The Revelation of John has long confused and disturbed readers The Apocalypse of John among Its Critics confronts the book s difficulties Leading experts in Revelation wrestle honestly with a question raised by critics Should John s Apocalypse be in the canon Alan S Bandy Was John intentionally confusing Ian Paul Was John a bully Alexander E Stewart Did John delight in violence Dana M Harris Was John a chauvinist K lli T niste Was John intolerant to others Michael Naylor Was John antisemitic Rob Dalrymple Did John make things up about the future Dave Mathewson Did John advocate political subversion Mark Wilson Did John misuse the Old Testament G K Beale Engaging deeply with Revelation s difficulties helps the reader understand the book s message and respond rightly The book of Revelation does not need to be avoided or suppressed It contains words of life      Messiah and Exaltation Andrew Chester, 2007 Andrew Chester focuses on Jewish messianic hope intermediary figures and visionary traditions of human transformation particularly in the Second Temple period and analyzes their significance for the origin and development of New Testament Christology He brings together five previously published essays on these themes these include two long chapters one on Jewish messianic and mediatorial traditions in relation to Pauline Christology the other on messianism and eschatology in early Judaism and Christianity plus one on messiah and Temple in Sibylline Oracles 3 5 Two further essays on the significance of Torah in the messianic age and on resurrection transformation and early Christology have been extensively revised There are also three substantial new chapters all of which engage closely with recent scholarly debate The first on the origin of Christology argues for the significance of Jewish visionary traditions of human transformation for understanding how high Christology came about at such an early stage within the New Testament The second discusses the complex questions of the definition scope and nature of Jewish messianism especially in relation to the Hebrew Bible and the more recently available Qumran evidence and their significance for the New Testament The third is concerned with what Paul means by the law of Christ and the wider issues raised by this      **The Body in Biblical, Christian and Jewish Texts** Joan E. Taylor, 2014-07-31 The body is an entity on which religious ideology is printed Thus it is frequently a subject of interest anxiety prescription and regulation in both the

Hebrew Bible and the New Testament as well as in early Christian and Jewish writings Issues such as the body's age purity sickness ability gender sexual actions marking clothing modesty or placement can revolve around what the body is and is not supposed to be or do The Body in Biblical Christian and Jewish Texts comprises a range of inter disciplinary and creative explorations of the body as it is described and defined in religious literature with chapters largely written by new scholars with fresh perspectives This is a subject with wide and important repercussions in diverse cultural contexts today John among the Apocalypses Benjamin E. Reynolds, 2020-10-22 The Gospel of John has long been recognized as being distinct from the Synoptic Gospels John among the Apocalypses explains John's distinctive narrative of Jesus's life by comparing it to Jewish apocalypses and highlighting the central place of revelation in the Gospel While some scholars have noted a connection between the Gospel of John and Jewish apocalypses Reynolds makes the first extensive comparison of the Gospel with the standard definition of the apocalypse genre Engaging with modern genre theory this comparison indicates surprising similarities of form content and function between John's Gospel and Jewish apocalypses Even though the Gospel of John reflects similarities with the genre of apocalypse John is not an apocalypse but in genre theory terms John may be described as a gospel in kind and an apocalypse in mode John's narrative of Jesus's life has been qualified and shaped by the genre of apocalypse such that it may be called an apocalyptic gospel In the final two chapters Reynolds explores the implications of this conclusion for Johannine Studies and New Testament scholarship more broadly John among the Apocalypses considers how viewing the Fourth Gospel as apocalyptic Gospel aids in the interpretation of John's appeal to Israel's Scriptures and Mosaic authority and examines the Gospel's relationship with the book of Revelation and the history of reception concerning their writing An examination of Byzantine iconographic traditions highlights how reception history may offer a possible explanation for reading John as apocalyptic Gospel **Angel Veneration and Christology** Loren T. Stuckenbruck, 1995 Salvation in the New Testament Jan G. van der Watt, 2005-11-01 Salvation in the New Testament offers an analysis of the soteriological perspectives and language of the different books of the New Testament Special attention is given to the imagery used in expressing soteriological ideas Salvation deals with becoming part of the people of God In Salvation in the New Testament special attention is given to the nature and power of the salvific language used in the New Testament to express the dynamics of salvation Individual articles on the different books of the New Testament highlight the diverse perspectives offered in these documents The emphasis especially falls on the different images and metaphors which were used to express the event and moment of salvation rather than on the results ethics or behaviour of salvation An overview of the different perspectives on soteriology in the New Testament offers the opportunity to compare similarities and differences in concepts and expressions It also illustrates the dynamic interaction between historical situations and salvific language and expression *The Justice and Goodness of God* Thomas R. Schreiner, 2024-04-25 Understanding God's Righteousness through His Final Judgment of Sin The reality of God's ultimate punishment is central to

the gospel Only by facing sin s devastation can believers fully grasp the beauty of their salvation and help unbelievers confront their need for forgiveness Unfortunately many Christians and Bible scholars neglect God s final judgment In his book *The Justice and Goodness of God* theologian Thomas Schreiner offers a comprehensive biblical analysis of eternal destruction Explaining that final judgment doesn t contradict God s goodness but verifies and displays it he examines themes of sin death and redemption in the New Testament and other passages of Scripture With helpful personal and theological application this brief guide helps readers see how God s judgment is anchored in his holiness justice and righteousness Readers will see that God s judgment isn t bad news but good news Life doesn t make sense without it and salvation shines brighter against the backdrop of God s judgment *Brief yet Insightful* Examines themes of sin death mercy and holiness with helpful Scripture references and summaries in each chapter *Rich Biblical Analysis* Studies eternal destruction as described in the Gospels the Pauline Epistles and throughout Scripture *Ideal for College and Seminary Students*      **Scripture And Pluralism** University of Tennessee, Knoxville. Marco Institute for Medieval and Renaissance Studies. Symposium,2005 This book is a study of the multiplicity of ways the Bible was used by different groups during the Middle Ages They explore different aspects of Christian Biblical Study in the face of the challenges of religious pluralism in the medieval and early modern periods      **Philosophia perennis** Wilhelm Schmidt-Biggemann,2007-11-08 The study features the five most important and most efficacious themes of Western spirituality in their ancient historical origins and in their unfolding up to early modernity Divine names Microkosmos Makrokosmos theories of creation the idea of spiritual spaces and the concepts of eschatological history      *Like a Bride Adorned* Lynn R. Huber,2007-06-10 This book engages one set of conceptual metaphors in relation to Revelation s literary and social historical milieu      *The Westminster Handbook to Patristic Theology* John Anthony McGuckin,2004-01-01 The early centuries of the Christian era were marked by a variety of theological ideas in differing stages of development Numerous theologians emerged with proposals about what the Christian church should believe and how theological ideas related to each other Some of these theologians gained more prominent status and their ideas became sources on which others built Patristic theology is thus a formative period a yeasty time in which theological doctrines took on many stages of complexity This outstanding handbook by a leading specialist in Patristic Theology provides students and scholars with easy access to key terms figures socio cultural developments and controversies of this period extending to the ninth century McGuckin s introductory essay outlines the main intellectual issues in the early church His concluding Bibliographic Guide Essay and General Bibliography also features a Website Resources Guide to assist readers with additional ways to study this period The entries are written to help those with no previous theological knowledge understand the major dimensions of each topic The result is an eminently useful reliable and unique resource

*Evoking Lament* Eva Harasta,Brian Brock,2009-10-10 Harasta and Brock show how lament seems to introduce notes of mistrust into an otherwise confident relationship with faith God and His will In prayer all experiences may be brought to God

in openness and trust Yet lament seems to introduce notes of mistrust into a relationship properly characterized by confident faith in God and His will Sustained attention to lament presents a challenge to theological reflection in reminding it of the acuteness of the experience of suffering and evil This volume suggests that a robust concept and practice of lament is an appropriate response to questions of evil and suffering in its refusal to close off questions that cannot and should not be closed Lament takes place in the eye of the storm of theodicy and when the distinct content of Christian lament is discovered here the question of theodicy is transformed The first section reflects on the anthropological conditions of lament describing it as a hermeneutic for negotiating adverse experiences that transcends the simple opposition of innocent suffering and guilt The second section reflects on why and how lament has faded from modern theological thought that is over reliant on systematic accounts of evil and whose abstractions have drifted free of religious experience The third section develops an understanding of trust that includes expressions of lament while not sanitizing its rawness The final section inquires after the distinct Christian profile of lament Lament even as an experience of isolation stands within the believing community and its traditions Moreover because Christian lament is based on Christ s passion and resurrection Christ endorses and shapes the believers lament as he shapes their praise *The Biblical Repository and Classical Review* ,1848

**The Biblical repositior (and quarterly observer) [afterw.] The American biblical repository [afterw.] The biblical repository and classical review, conducted by E. Robinson. [With] General index, January 1831-October 1844** Edward
