THE BOOK OF THE JUST

The Of The Just The Silent Heroes Who Saved Jews From Hitler

Hillel Levine

The Of The Just The Silent Heroes Who Saved Jews From Hitler:

The Book of the Just Eric Silver, 1992 Israel has honored more than 10 000 men and women who risked their lives freedom and careers to save Jews in a Nazi Europe where it was open season for their systematic and random slaughter The Book of the Just tells the stories of forty of these righteous among the nations unsung heroes of the Holocaust ordinary people who showed extraordinary courage daring and simple human decency in the face of almost unspeakable horror at a time when most people looked the other way They came from many countries religions and walks of life but they all shared a burning faith in individual responsibility and a passionate commitment to justice

In Search of Sugihara: The Elusive Japanese Diplomat Who Risked His Life to Rescue 10,000 Jews from the Holocaust Hillel Levine, 2019-08-09 Chiune Sugihara the Japanese consul in Kovno Lithuania honored in 1984 by Yad Vashem as a Righteous Among the Nations issued transit visas to thousands of Jews in 1940 saving them from almost certain death in Nazi occupied Europe From extensive archival research and interviews of survivors fellow students in Harbin China diplomats who knew Sugihara and family members Hillel Levine reconstructs the fascinating story of this diplomat spy and Russia expert who singlehandedly built a conspiracy of goodness Mr Levine dug deep into wartime archives and traveled all over the world in search of Sugihara s friends and relatives and surviving eyewitnesses of his extraordinary acts researched Japanese culture folklore diplomacy imperialism and attitudes toward Jews and the West In Search of Sugihara finally inspires you to believe that in a time of great evil a good man threw caution to the winds and acted out of simple humanity Christopher Lehmann Haupt The New York Times This remarkable biography is in the author s words a study of the banality of good Honored in Israel and Japan yet still largely unknown in the West Japanese diplomat and spy Chiune Sugihara with this book joins the ranks of Raoul Wallenberg Oskar Schindler and other rescuers of Jews escaping Nazi persecution In Levine s compelling analysis Sugihara s rescue effort was motivated by love of life and a strong sense of justice not by any special relationship to Jews or driving obsession an ordinary man turned extraordinary hero Publishers Weekly On the basis of considerable research including interviews with survivors friends and relatives official records and Sugihara s scant memoirs Levine presents the available facts Sugihara s story is ultimately a fascinating addition to Holocaust literature and a valuable historical footnote Kirkus Reviews One of a handful of landmark books in our desperately needed process of just beginning to explore the strange mystery of human goodness M Scott Peck author of *The Road Less Traveled* Sugihara is unique because he demonstrated that every individual is empowered to resist tyranny and that one can act in accordance to the dictates of a higher moral authority that advocates justice humanity and compassion to all mankind Hillel Levine is to be commended for bringing attention to this unsung hero of the Holocaust and for telling us with historical depth and literary eloquence of the unknown dimensions of this incredible story Tom Lantos US Congress This is history as it was and history as it might have been Hillel Levine has relentlessly uncovered one of the most thrilling and unknown stories of World War II and the Holocaust He has

shown what one courageous diplomat in one small country did to make a real difference in those darkest of times He has also given us the account of an improbable but genuine hero whose name should be inscribed with the other great figures of the resistance Harvey Cox Thomas Professor of Divinity Harvard University *Heroes of the Holocaust* Lyn Smith, 2012-01-05 Collected here for the first time are the remarkable and moving stories of the 27 British recipients of the Hero of the Holocaust award During one of the darkest times in human history they refused to stand by and do nothing risking their lives to save Jewish friends or complete strangers And yet many of their stories have been forgotten Frank Foley a British spy whose cover was working at the British embassy in Berlin took huge risks issuing forged visas to enable around 10 000 Jews to escape Germany before the outbreak of war Jane Haining refused to come back to Scotland and leave the Jewish orphans in her care in Hungary When they were sent to Auschwitz she was transported with them Louise and Ida Cook were sisters from suburban London They used their love of opera as a cover to take daring trips to help Jews escape Nazi Germany and Austria right up until the outbreak of war Ten British POWs hid and cared for young Hannah Sarah Rigler when she escaped from a death march having been forced to leave her mother behind All those whose stories are collected here were ordinary people acting on no one's authority but their own who found they could not stand idly by in the face of such great evil Written by acclaimed Holocaust historian Lyn Smith *Heroes of the Holocaust* is a moving testament to the bravery of those whose inspiring actions stand out in stark relief at a time of such horror [The Jewish Holocaust](#) Marty Bloomberg, Buckley Barry Barrett, 1995-01-01 This expanded edition of the guide to major books in English on the Holocaust is organized into ten subject areas reference materials European antisemitism background materials the Holocaust years Jewish resistance

The Righteous Martin Gilbert, 2010-04-01 Important The very fact that there were so many tales of courage is reason to take heed of this heartening aspect of one of history's darkest moments Publishers Weekly Drawing from twenty five years of original research eminent historian Sir Martin Gilbert re-creates the remarkable stories of non Jews who risked their lives to help Jews during the Holocaust According to Jewish tradition Whoever saves one life it is as if he saved the entire world Non Jews who helped save Jewish lives during World War II are designated Righteous Among the Nations by Yad Vashem the Holocaust archive in Jerusalem In *The Righteous* distinguished historian Sir Martin Gilbert through extensive interviews explores the courage of those who throughout Germany and in every occupied country from Norway to Greece from the Atlantic to the Baltic took incredible risks to help Jews whose fate would have been sealed without them Indeed many lost their lives for their efforts Those who hid Jews included priests nurses teachers neighbors and friends employees and colleagues soldiers and diplomats and above all ordinary citizens From Greek Orthodox Princess Alice of Greece who hid Jews in her home in Athens to the Ukrainian Uniate Archbishop of Lvov who hid hundreds of Jews in his churches and monasteries to Muslims in Bosnia and Albania many risked and lost everything to help their fellow man One of the book's virtues is Gilbert's ability to set the local context briefly before recounting the personal stories thus keeping the human

dimension paramount Library Journal This emotionally stirring book is an essential addition to Holocaust collections Booklist

Hitler's war in the East, 1941-1945 Rolf-Dieter Müller, 2009 *The Oxford Dictionary of the Jewish Religion* Adele Berlin, 2011 Hailed by Library Journal as the best ready reference access point to the Jewish religion and as essential by CHOICE in its First Edition The Oxford Dictionary of the Jewish Religion has been the go to resource for students scholars and researchers in Judaic Studies since its 1997 publication Now The Oxford Dictionary of the Jewish Religion Second Edition focuses on recent and changing rituals in the Jewish community that have come to the fore since the 1997 publication of the First Edition including the growing trend of baby naming ceremonies and the founding of gay lesbian synagogues Under the editorship of Adele Berlin nearly 200 internationally renowned scholars have created a new edition that incorporates updated bibliographies biographies of 20th century individuals who have shaped the recent thought and history of Judaism and an index with alternate spellings of Hebrew terms Entries from the previous edition have been revised new entries commissioned and cross references added all to increase ease of navigation research The Dictionary covers more than three millennia of Jewish religious thought custom law and practice from traditional approaches to Reform Conservative Reconstructionist and post denominational Judaism Brief definitions and longer essays all supplemented with bibliographies enlighten readers about the major figures folklore and events in the history of Judaism throughout the world To Save a Life Ellen Land-Weber, 2000 The Holocaust takes on a riveting immediacy in these true stories of an everyday understated heroism that saved thousands of Jews from annihilation at the hands of the Third Reich Combining personal interviews with contemporary and vintage photographs To Save a Life pairs the stories of a handful of rescuers with those of people they saved These stories of courage and risk set in Holland Poland and Czechoslovakia represent a great many other stories of rescue that will never be documented BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *A Conspiracy Of Decency* Emmy E Werner, 2009-04-20 The people of Denmark managed to save almost their country's entire Jewish population from extinction in a spontaneous act of humanity one of the most compelling stories of moral courage in the history of World War II Drawing on many personal accounts Emmy Werner tells the story of the rescue of the Danish Jews from the vantage point of living eyewitnesses the last survivors of an extraordinary conspiracy of decency that triumphed in the midst of the horrors of the Holocaust A Conspiracy of Decency chronicles the acts of people of good will from several nationalities Among them were the German Georg F Duckwitz who warned the Jews of their impending deportation the Danes who hid them and ferried them across the Oresund and the Swedes who gave them asylum Regardless of their social class education and religious and political persuasion the rescuers all shared one important characteristic they defined their humanity by their ability to act with great compassion These people never considered themselves heroes they simply felt that they were doing the right thing The Other Schindlers Agnes Grunwald-Spier, 2010-12-26 Thanks to Thomas Keneally's book Schindler's Ark and the film based on it Schindler's List we have become more aware of the fact that

in the midst of Hitler's extermination of the Jews courage and humanity could still overcome evil While 6 million Jews were murdered by the Nazi regime some were saved through the actions of non Jews whose consciences would not allow them to pass by on the other side and many are honoured by Yad Vashem as Righteous Among the Nations for their actions As a baby Agnes Grunwald Spier was herself saved from the horrors of Auschwitz by an unknown official and is now a trustee of the Holocaust Memorial Day Trust She has collected together the stories of thirty individuals who rescued Jews and these provide a new insight into why these people were prepared to risk so much for their fellow men and women With a foreword by Sir Martin Gilbert one of the leading experts on the subject this is an ultimately uplifting account of how some good deeds really do shine in a weary world

Judging 'Privileged' Jews Adam Brown, 2015-05 The Nazis persecution of the Jews during the Holocaust included the creation of prisoner hierarchies that forced victims to cooperate with their persecutors Many in the camps and ghettos came to hold so called privileged positions and their behavior has often been judged as self serving and harmful to fellow inmates Such controversial figures constitute an intrinsically important frequently misunderstood and often taboo aspect of the Holocaust Drawing on Primo Levi's concept of the grey zone this study analyzes the passing of moral judgment on privileged Jews as represented by writers such as Raul Hilberg and in films including Claude Lanzmann's Shoah and Steven Spielberg's Schindler's List Negotiating the problems and potentialities of representing the unrepresentable this book engages with issues that are fundamental to present day attempts to understand the Holocaust and deeply relevant to reflections on human nature

Anne Frank and After D. van Galen Last, Rolf Wolfswinkel, 1996 Between 1940 and 1945 110 000 of the 140 000 Dutch Jews were deported to the death camps in Eastern Europe 80% never returned In Anne Frank and After the authors focus on two main questions how exactly did this happen and how has Dutch literature come to terms with this appalling event In the book's final chapter they analyze the relationship between history and the literature of the Holocaust Does literature add to what we know or does it actually distort historical evidence Based on the work of leading historians of the period the book examines literary works from Gerard Durlacher Anne Frank W F Hermans Harry Mulisch Gerard Reve and many others With its well chosen quotations many appearing for the first time in print presented in a clear and illuminating historical setting Anne Frank and After is must reading for all who want to go beyond Anne Frank for a more rounded picture of wartime Holland and its Jews Holocaust and Genocide Studies January 1998

Children's Exodus Vera K. Fast, 2010-11-09 In the months leading up to the outbreak of World War Two Britain rushed to evacuate nearly 10 000 Jewish children from the Nazi occupied territories Through the unprecedented cooperation of religious and governmental organizations the Kindertransport spared thousands of Jewish children from the terror of the Third Reich and provided them with host families in Britain Children's Exodus offers an in depth look at the people and politics behind the various chains of rescue as well as the personal narratives of the children who left everything behind in the hope of finding safety Drawing on unpublished interviews journals and articles Vera K Fast examines the

religious and political tensions that emerged throughout the migration and at times threatened to bring operations to a halt Children s Exodus captures the life affirming stories of child refugees with vivid detail and examines the motivations religious or otherwise of the people that orchestrated one of the greatest rescue missions of all time Pastor André Trocmé Allison Stark Draper,2000-12-15 Depicts the efforts of one village in France under the spiritual guidance of Andr e Trocm e to protect thousands of Jewish refugees during World War II November 1942 Peter Englund,2023-11-21 The New York Times Book Review Editors Choice An intimate history of the most important month of World War II completely based on the diaries letters and memoirs of the people who lived through it At the beginning of November 1942 it looked as if the Axis powers could still win the Second World War at the end of that month it was obviously just a matter of time before they would lose In between were el Alamein Guadalcanal the French North Africa landings the Japanese retreat in New Guinea and the Soviet encirclement of the German 6th Army at Stalingrad It may have been the most important thirty days of the twentieth century In this hugely innovative and riveting history Peter Englund has reduced an epoch making event to its basic component the individual experience Englund s narrative is based solely on what he learned from the writings of soldiers and ordinary citizens alike They comprise a remarkable deeply personal resource In thirty memorable days among those we meet are a Soviet infantryman at Stalingrad an American pilot on Guadalcanal an Italian truck driver in the North African desert a partisan in the Belarussian forests a machine gunner in a British bomber a twelve year old girl in Shanghai a university student in Paris a housewife on Long Island a shipwrecked Chinese sailor a prisoner in Treblinka a Korean comfort woman in Mandalay Albert Camus Vasily Grossman and Vera Brittain forty characters in all In addition we experience the construction and launching of SS James Oglethorpe a Liberty ship built in Savannah the fate of U 604 a German submarine the building of the first nuclear reactor in Chicago and the making of Casablanca Not since the publication of the author s last book The Beauty and the Sorrow which similarly looked at the First World War have we had such a mesmerizing work of history *World War III - Salvation of the Jews (Paperback)* Rabbi Simon Altaf Hakohen,2010-09-05 Paperback How will the salvation of the Jews come about will they convert to Christianity Are the Jews in Israel the genetic children of Israel Will the 3rd Temple be built before the coming of the Messiah Will we have a war with Iran and when When will the Messiah come who is he Who is the prince of Ezekiel and why is he making sin sacrifices Should we support the Jewish Aliyah to Israel Rabbi Simon is the only Rabbi to look at the thorny issues that no one has addressed to date while many people mostly run with popular churchy opinions colored by bad theology by picking and choosing verses in isolation Is modern Zionism biblical Is Israel right to take over territories occupied by Palestinians today Should people be selling up homes to go and live in Israel All these questions and even more answered in this book the sequel to the popular prophecy book World War III Unmasking the End Times Beast **Conscience and Courage** Eva Fogelman,2011-08-17 In this brilliantly researched and insightful book psychologist Eva Fogelman presents compelling stories of rescuers of Jews during the Holocaust and offers a

revealing analysis of their motivations Based on her extensive experience as a therapist treating Jewish survivors of the Holocaust and those who helped them Fogelman delves into the psychology of altruism illuminating why these rescuers chose to act while others simply stood by While analyzing motivations Conscience And Courage tells the stories of such little known individuals as Stefnaia Podgorska Burzminska a Polish teenager who hid thirteen Jews in her home Alexander Roslan a dealer in the black market who kept uprooting his family to shelter three Jewish children in his care as well as more heralded individuals such as Oskar Schindler Raoul Wallenberg and Miep Gies Speaking to the same audience that flocked to Steven Spielberg s Academy Award winning movie Schindler s List Conscience And Courage is the first book to go beyond the stories to answer the question Why did they help

Flight and Concealment Susanna Schrafstetter,2022-09-06 Between ten thousand and twelve thousand Jews tried to escape Nazi genocide by going into hiding With the help of Jewish and non Jewish relatives friends or people completely unknown to them these U boats as they came to be known dared to lead a life underground Flight and Concealment brings to light their hidden stories Deftly weaving together personal accounts with a broader comparative look at the experiences of Jews throughout Germany historian Susanna Schrafstetter tells the story of the Jews in Munich and Upper Bavaria who fled deportation by going underground Archival sources and interviews with survivors and with the Germans who aided or exploited them reveal a complex often intimate story of hope greed and sometimes betrayal Flight and Concealment shows the options and strategies for survival of those in hiding and their helpers and discusses the ways in which some Germans enriched themselves at the expense of the refugees

Resisting the Holocaust Paul R. Bartrop,2016-06-06 This book enables readers to learn about upstanders partisans and survivors from first hand perspectives that reveal the many forms of resistance some bold and defiant some subtle to the Nazis during the Holocaust What did those who resisted the Nazis during the 1930s through 1945 known now as the Righteous do when confronted with the Holocaust How did those who resorted to physical acts of resistance to fight the Nazis in the ghettos the concentration camps and the forests summon the courage to form underground groups and organize their efforts This book presents a comprehensive examination of more than 150 remarkable people who said no to the Nazis when confronted by the Holocaust of the Jews They range from people who undertook armed resistance to individuals who risked and sometimes lost their lives in trying to rescue Jews or spirit them away to safety In many cases the very act of survival in the face of extreme circumstances was a form of resistance This important book explores the many facets of resistance to the Holocaust that took place less than 100 years ago providing valuable insights to any reader seeking evidence of how individuals can remain committed to the maintenance of humanitarian traditions in the darkest of times

Rescue and Remembrance Kobi Kabalek,2025-01-07 In Rescue and Remembrance Kobi Kabalek examines how the rescue of Jews during the Holocaust has been understood and represented in Germany from the Nazi period to the present In many regions outside Germany a small number of known Holocaust rescuers are often held up as exemplars of broad pro Jewish sentiment among that country s

population during World War II thereby projecting an image of national moral virtue Within Germany by contrast rescuers are often presented in both scholarship and public commemoration as a small minority their examples condemn the majority by showing what Germans could have done but did not do Kabalek argues that such simplistic depictions of the majority versus minority obscure the complex motivations and situations that led people in Nazi Germany to help persecuted Jews Against the view that the rescuers were forgotten after the war he shows that portrayals and interpretations of helping Jews appeared in various media and social discourses in East West and unified Germany and were used to actively debate questions of collective morality Rescue and Remembrance analyzes the varied and changing depictions of rescue in the distinct German polities from the Nazi period examining how the very notions of majority and collective were articulated and reformulated

Uncover the mysteries within Crafted by is enigmatic creation, Discover the Intrigue in **The Of The Just The Silent Heroes Who Saved Jews From Hitler** . The Of The Just The Silent Heroes Who Saved Jews From Hitler Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Of The Just The Silent Heroes Who Saved Jews From Hitler PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Of The Just The Silent Heroes Who Saved Jews From Hitler PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the

benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Of The Just The Silent Heroes Who Saved Jews From Hitler free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Of The Just The Silent Heroes Who Saved Jews From Hitler Books

What is a The Of The Just The Silent Heroes Who Saved Jews From Hitler PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Of The Just The Silent Heroes Who Saved Jews From Hitler PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Of The Just The Silent Heroes Who Saved Jews From Hitler PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Of The Just The Silent Heroes Who Saved Jews From Hitler PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Of The Just The Silent Heroes Who Saved Jews From Hitler PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and

download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
