The Old Silver Of Quebec:

The Old Silver of Quebec Ramsay Traquair, 1973 **A Bibliography of Canadian Folklore in English** Edith Fowke, Carole Henderson-Carpenter, 1982-12-15 This book is the only comprehensive bibliography of Canadian folklore in English The 3877 different items are arranged by genres folktales folk music and dance folk speech and naming superstitions popular beliefs folk medicine and the supernatural folk life and customs folk art and material culture and within genres by ethnic groups Anglophone and Celtic Francophone Indian and Inuit and other cultural groups The items include reference books periodicals articles records films biographies of scholars and informants and graduate theses Each item is annotated through a coding that indicates whether it is academic or popular its importance to the scholar and whether it is suitable for young people The introduction includes a brief survey of Canadian folklore studies putting this work into academic and social perspective The book covers all the important items and most minor items dealing with Canadian folklore published in English up to the end of 1979 It is concerned with legitimate Canadian folklore whether transplanted from other countries and preserved here or created here to reflect the culture of this country It distinguishes between authentic folklore presented as collected and popular treatments in which the material has been rewritten by the authors Intended primarily for scholars of folklore international as well as Canadian the book will also be of use to scholars in anthropology cultural geography oral history and other branches of Canadian culture studies as well as to librarians teachers and the general public The International Studio Charles Holme, Guy Eglinton, Peyton Boswell, William Bernard McCormick, Henry James Whigham, 1930 Canadian Silversmiths & Their Marks, 1667-1867 John Emerson Langdon, 1960 **Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada** Frances G. Halpenny, Jean Hamelin, 1983-11 The Dictionary of Canadian Biography is the definitive biographical reference work in Canadian history No serious student of Canada's past can function without access to this thorough balanced and reliable source *R. Hall Globe and Mail* *In Good Hands* Ellen Mary Easton McLeod, 1999 In 1905 two Montreal women Alice Peck and May Phillips founded the Canadian Handicrafts Guild Inspired by British and American women in the arts and crafts movement and spurred by their thirty year rivalry with Mary Dignam of the Toronto based Women's Art Association of Canada these two created an organization that revived popular interest in traditional handwork done by women Canadians Indigenous people and new Canadians

Mémoires Et Comptes Rendus de la Société Royale Du Canada Royal Society of Canada, 1919 Kingdom of the Mind Peter E. Rider, Heather McNabb, 2006-04-05 In *A Kingdom of the Mind* ethnographers material culture specialists and contributors from a wide variety of disciplines explore the impact of the Scots on Canadian life showing how the Scots image of their homeland and themselves played an important role in the emerging definition of what it meant to be Canadian

Canadian Reference Sources Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It

lists books of a general nature as well as works in the disciplines of history and the humanities. These large divisions are then broken down by subject, genre, type of document and province or territory. Titles of national, provincial, territorial or regional interest are included in every subject area when available. The contents of the book are indexed four ways by name, title, French subject and English subject. And to facilitate browsing the major reference books, those dealing with more than one subject or a large geographical region are also cross-referenced. Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages. Entries for unilingual works include citation in the language of the publication and a bilingual annotation. The annotations are descriptive and provide information on the content, arrangements and indexing of works, the availability of non-print formats, previous editions and title changes and related works. Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers.

Literature and Painting In Quebec William J. Berg, 2013-02-04. This unique study explores how Quebec's landscapes have been represented in both literature and visual art throughout the centuries from the writing of early explorers such as Cartier and Champlain to work by prominent contemporary authors and artists from the province. William J. Berg traces recurrent images and themes within these creations through the most significant periods in the development of a Quebecois identity that was threatened initially by the wilderness and indigenous populations and later by the dominance of British and American influences. Focusing on the interplay between nature and culture in landscape representation, *Literature and Painting in Quebec* contends that both have reflected and fashioned the meaning of French Canadian nationhood. As such, *Literature and Painting in Quebec* presents a new perspective to approach the notion of national identity, a quest that few groups have engaged in more persistently than the Quebecois.

Bureau of Mines,1926 **Looking for Old Ontario** Thomas F. McIlwraith,1997-01-01 The slogan on Ontario s licence plates Yours to Discover was designed to promote travel opportunities within the province Every year thousands of tourists drive along country roads past farmyards and through hamlets en route to popular vacation spots In Looking for Old Ontario Thomas McIlwraith shows that many destinations are closer at hand than one might imagine and invites travellers to rediscover familiar countryside landmarks by reading them as chapters in a rich historical narrative Surveyors long ago scored Ontario s land and generations have since inscribed it with residences businesses and institutions This book the result of thirty years of field work and archival research is a reflection on and an interpretation of the ways in which the land and its inhabitants interrelate Looking for Old Ontario guides readers through the vernacular landscape of the province examining barns fences jails post offices inns mills canals railways roadsides cemeteries and much more McIlwraith emphasizes ordinary features of the cultural landscape which communicate social meaning to the observant eye The landscape tells us that Ontario has been inhabited by thrifty people this we can conclude by looking at the economical use and reuse of construction materials Yet the landscape also tells us that Ontario s residents have been inclined to show off consider the province s unusually large number of elegant brick dwellings To read a landscape is to think about such connections and McIlwraith s contemplative style differentiates his work from manuals or handbooks Since landscape interpretation is a highly visual subject Looking for Old Ontario is extensively illustrated with photographs drawings and maps It will be useful to general readers interested in recognizing the broader meanings of their communities heritage as well as to students of geography history and planning The Spur ,1924 *Photogenic Montreal* Martha Langford,Johanne Sloan,2021-12-15 The agency of photographs is a recurrent concern within the context of the city Whether found in architectural records social documentary photojournalism or artistic practice photographic objects are embedded in urban contestation aesthetically charged by artists reinserted into social histories and mobilized to imagine a future city Photogenic Montreal takes a question initially posed by heritage debates what does photography preserve and creates a rich conversation about the agency of the human actors before and behind the camera and of the medium itself The interplay of archives and activism structures the book Photographs that appear to be sealed off in newspapers storage rooms or archives accrue new meaning when they cross the threshold back into social spaces and circulate anew It is through the reactivation of archival photographs that submerged traces of urban experience are discovered and alternate histories of Montreal can be

recounted Multiple forms of activism and artistic expression complement this archival work Beginning in the 1960s community minded and heritage groups responded to the tensions arising from urban reconstruction gentrification and the erasure of neighbourhoods this activism also left its photographic traces Attentive to the still changing face of the city s architecture neighbourhoods and street life Photogenic Montreal participates in debates about who the city belongs to who speaks on its behalf and how to picture its past and present

Catalog of the Avery Memorial Architectural Library of Columbia University: National H - Painting Is Avery Library, 1968 *The Canadian Encyclopedia* James H. Marsh, 1999

This edition of *The Canadian Encyclopedia* is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the

Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada *Report on the Mines of the Province of Quebec* Québec (Province).
