really had to take some time and put the study in on that issue After all the Bible does say And the swine though he divide the hoof and be clovenfooted yet he cheweth not the cud he is unclean to you Leviticus 11 7 and unlike Jefferson I was unwilling to just cut that verse out because it was inconvenient I wanted to know what God actually said not what I wanted God to have said I hope this dispels the fear that some could have regarding my project My aim is more in line with Erasmus than Jefferson However poorly he got started Erasmus set out to understand what the Bible said in the original language So if I still end up having texts that are difficult for me and not having the clarity of text I might hope for what is the point of creating a Corrected King James Bible The point is to get just a little bit closer to the magnet of Christ and the Prophets and the Apostles The point is to bring my ear just a few inches closer to God's lips so I can hear him that much more clearly I think that the King James translators got it wrong in 1 John 5 7 8 I think that they put words in the Bible that were never supposed to be there no matter how convenient they are for me So I'm taking those words out so that I can more clearly hear the words that God has placed in the Bible My goal is to provide a single translation of God's Word according to the sources that prayer and study has convinced me is the best primary source Ultimately I would like to translate all of these myself as well but in the meantime The Corrected King James gives me a standardized English text to read and study from

The King James Version of the Bible King James, Murat Ukay, 2014-09-23 The King James Version KJV commonly known as the Authorized Version AV or King James Bible KJB is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611 First printed by the King's Printer Robert Barker this was the third translation into English to be approved by the English Church authorities The first was the Great Bible commissioned in the reign of King Henry VIII and the second was the Bishops Bible of 1568 In January 1604 King James I convened the Hampton Court Conference where a new English version was conceived in response to the perceived problems of the earlier translations as detected by the Puritans a faction within the Church of England James gave the translators instructions intended to guarantee that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy The translation was done by 47 scholars all of whom were members of the Church of England In common with most other translations of the period the New Testament was translated from Greek the Old Testament was translated from Hebrew text while the Apocrypha were translated from the Greek and Latin In the Book of Common Prayer 1662 the text of the Authorized Version replaced the text of the Great Bible for Epistle and Gospel readings and as such was authorized by Act of Parliament By the first half of the 18th century the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches Over the course of the 18th century the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars Today the most used edition of the King James Bible and often identified as plainly the King James Version especially in the United States closely follows the standard text of 1769 edited by Benjamin Blayney at Oxford Editorial Criticism F H A Scrivener and D Norton have both written in detail on editorial variations which have occurred through the history of the publishing of the Authorized Version from 1611 to 1769 In the 19th century there were effectively three main guardians of the text Norton identified five variations among the Oxford Cambridge and London Eyre and Spottiswoode texts of 1857 such as the spelling of farther or further at Matthew 26 29 In the 20th century variations between the editions was reduced to comparing the Cambridge to the Oxford Distinctly identified Cambridge readings included or Sheba Josh 19 2 sin 2 Chr 33 19 cliffs Job 30 6 vapour Psalm 148 8 flieth Nah 3 16 further Matt 26 39 and a number of other references In effect the Cambridge was considered the current text in comparison to the Oxford Cambridge University Press introduced a change at 1 John 5 8 in 1985 reverting its longstanding tradition of having the word spirit in lower case to have a capital letter S It has also done the same in some of its publications in Acts 11 12 and 11 28 These are instances where both Oxford and Cambridge have now altered away from Blayney's 1769 Edition The distinctions between the Oxford and Cambridge editions has been a major point in the Bible version debate Differences among Cambridge editions in the 21st century has become a potential theological issue particularly in regard to the identification of the Pure Cambridge Edition Translation The English terms rejoice and glory stand for the same word in the

Greek original In Tyndale Geneva and the Bishops Bibles both instances are translated rejoice In the Douay Rheims New Testament both are translated glory Only in the Authorized Version does the translation vary between the two verses In the Old Testament the translators render the Tetragrammaton YHWH by the LORD in later editions in small capitals as LORD or the LORD God **The Old Testament of the King James Version of the Bible** Anonymous,IndyPublish.com,2003-05-01
