**Paul and Ancient Views of Sexual Desire** J Edward Ellis, 2007-06-08 Paul and Ancient Views of Sexual Desire refutes the argument put forward by some scholars that Paul in his sexual ethics is in partial agreement with a current of thought in the Greco Roman world that condemns sexual desire and advocates the elimination of such desire from marital sex Ellis argues against not only this line of thought but also the attendant notion that this way of thinking underlies Paul's comments on homosexual activity in Romans 1 Through close analysis of numerous ancient passages relating to sexual desire Ellis demonstrates that ancient thinkers tend to condemn not sexual desire in itself but excessive sexual desire and lack of self control Furthermore he contends that ancient auditors would have been unlikely to see condemnation of sexual desire in Paul's words in 1 Thessalonians 4 or 1 Corinthians 7

**Paul and Perseverance** Judith M. Gundry Volf, 1990-01-01 Does Paul assume that Christians will remain in salvation If so on what basis What if anything can disrupt this continuity and to what extent can it do so Using detailed exegetical analysis of the relevant texts Judith Volf addresses what Paul believed about continuity in salvation and the importance of this theme for subsequent Christians

**A Word Fitly Spoken** Philip L. Culbertson, 1995-02-23 This book compares New Testament and Rabbinical texts in order to recover the oral tradition accompanying the written Biblical text Although New Testament Greek is a hellenistic idiom it reflects a Semitic rather than a hellenistic culture Therefore Culbertson looks to Jewish sources in order to understand the Greek text rather than to the philosophical methodological and literary sources of hellenistic culture The author uses specific examples to illustrate various literary theories and to prove the value of a Listener Response Analysis of Gospel texts A dozen parables are discussed in detail

**Dreamers, Scribes, and Priests** Frances Flannery-Dailey, 2004-08-01 This investigation focuses on divinely sent dreams in early Judaism and discusses their literary forms and socio religious functions It examines Jewish dreams in the Bible Apocrypha Pseudepigrapha Dead Sea Scrolls and Josephus setting them in the wider context of antecedent and contemporary dream cultures Part One grounds the project in the dream traditions of the ancient Near East Hebrew Bible

Greece and Rome Part Two investigates the unique emphases of early Jewish dreams including a priestly and scribal milieu access to various planes of reality new roles for dream messengers and incubation rituals Part Three explores implications for several related topics of study including the rise of apocalypticism and early Jewish mysticism and the social history of early Judaism

**Cain and Abel in Text and Tradition** John Byron, 2011-02-14 The story of Cain and Abel narrates the primeval events associated with the beginnings of the world and humanity But the presence of linguistic and grammatical ambiguities coupled with narrative gaps provided translators and interpreters with a number of points of departure for expanding the story The result is a number of well established and interpretive traditions shared between Jewish and Christian literature This book focuses on how the interpretive traditions derived from Genesis 4 exerted significant influence on Jewish and Christian authors who knew rewritten versions of the story The goal is to help readers appreciate these traditions within the broader interpretive context rather than within the narrow confines of the canon

**Michael and Christ** Darrell D. Hannah, 2011-01-04 Darrell D Hannah engages the debate

over angelomorphic Christology He shows that more than one form of angel or angelomorphic Christology was current in early Christianity and that Michael traditions in particular provided a conceptual framework in which Christ's heavenly significance was understood Divine Scapegoats Andrei A. Orlov, 2015-02-10 Divine Scapegoats is a wide ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptic accounts In these materials antagonists often mirror features of angelic figures and even those of the Deity himself an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality Andrei A Orlov examines the sacerdotal messianic and creational aspects of this mimetic imagery focusing primarily on two texts from the Slavonic pseudepigrapha 2 Enoch and the Apocalypse of Abraham These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism The Yom Kippur ritual in the Apocalypse of Abraham the divine light and darkness of 2 Enoch and the similarity of mimetic motifs to later developments in the Zohar are of particular importance in Orlov's consideration **Supernal Serpent** Andrei A. Orlov, 2023 Supernal Serpent is a wide ranging study of Jewish and Christian traditions about Leviathan as the underworld's ruler the foundation of the world and the embodiment of evil It explores the Leviathan tradition in its full historical and interpretive complexity through a broad variety of texts ranging from ancient West Asian accounts to later rabbinic and Muslim sources paying special attention to the imagery found in the Book of Job the Book of Revelation and the Apocalypse of Abraham The book demonstrates that in some Jewish materials Leviathan is envisioned as a living embodiment of the most profound divine mysteries which are preserved by God from the beginning of creation to be revealed fully in the end of times

The Shepherd of Hermas Jonathon Lookadoo, 2021-03-25 Jonathon Lookadoo guides readers through the early Christian apocalypse known as the Shepherd of Hermas providing a clear overview of the numerous literary historical and theological insights that this text contains for those researching early Christianity Dividing his exploration into two sections Lookadoo first introduces the Shepherd by providing an overview of the text to those with limited familiarity while also focusing on critical issues such as authorship date and the Shepherd's complex manuscript tradition and reception history He then moves to examine the interpretation of particular passages in detail and by close exploration of theological and literary features he is able to contextualize the Shepherd alongside contemporary contexts This volume covers the important thematic issues in the Shepherd and also provides a fresh perspective that arises from a thoroughly textual focus in so doing Lookadoo enables readers to engage both with the Shepherd itself and the scholarship that surrounds the text **Jewish, Christian, and Muslim Travel Experiences** Susanne Luther, Pieter B. Hartog, Clare E. Wilde, 2023-10-04 Travel and pilgrimage have become central research topics in recent years Some archaeologists and historians have applied globalization theories to ancient intercultural connections Classicists have rediscovered travel as a literary topic in Greek and Roman writing Scholars of early Judaism Christianity and Islam have been rethinking long familiar pilgrimage practices in new interdisciplinary

contexts This volume contributes to this flourishing field of study in two ways First the focus of its contributions is on experiences of travel Our main question is How did travelers in the ancient world experience and make sense of their journeys real or imaginary and of the places they visited Second by treating Jewish Christian and Islamic experiences together this volume develops a longue dur e perspective on the ways in which travel experiences across these three traditions resembled each other By focusing on experiences of travel we hope to foster interaction between the study of ancient travel in the humanities and that of broader human experience in the social sciences Paul, Women, and Wives Craig S. Keener,1992-06-01 Paul s letters stand at the center of the dispute over women the church and the home with each side championing passages from the Apostle Now in a challenging new attempt to wrestle with these thorny texts Craig Keener delves as deeply into the world of Paul and the apostles as anyone thus far Acknowledging that we must take the biblical text seriously and recognizing that Paul s letters arose in a specific time and place for a specific purpose Keener mines the historical lexical cultural and exegetical details behind Paul s words about women in the home and ministry to give us one of the most insightful expositions of the key Pauline passages in years The Glory of the Invisible God Andrei Orlov,2019-12-26 Andrei Orlov examines early Christological developments in the light of rabbinic references to the two powers in heaven tracing the impact of this concept through both canonical and non canonical material Orlov begins by looking at imagery of the two powers in early Jewish literature in particular the book of Daniel and in pseudepigraphical writings He then traces the concept through rabbinic literature and applies this directly to understanding of Christological debates Orlov finally carries out a close examination of the two powers traditions in Christian literature in particular accounts of the Transfiguration and the Baptism of Jesus Including a comprehensive bibliography listing texts and translations and secondary literature this volume is a key resource in researching the development of Christology

prophets and the God who shaped them Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In An Introduction to the Old Testament Pentateuch Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch

**Peter's Halakhic Nightmare** John R.L. Moxon,2017-07-20 Did Luke intend Peter's visionary command to eat unclean animals in Acts 10 to suggest the dissolution of the Jewish Law Whilst scholars have argued over sources inconsistent redaction and later reception many have failed to notice here the novel use of a type of transgression anxiety dream John Moxon shows how by the incorporation of such naturalistic motifs Luke takes revelation in a new and decidedly psychological direction probably imitating similar developments in Graeco Roman biography If the vision reveals an illegitimate transfer of disgust within an exaggerated halakha of separation then its target is prejudice and inconsistency not the Jew Gentile divide as such as underlined by the ironic contrast with the pious Cornelius In this reading Luke's non supersessionism is maintained whilst showing him acutely aware of the kinds of nightmare holding many back from the nascent Gentile mission

**An Apostolic Gospel** Francis Watson,2020-12-17 Built around a new translation of a neglected text this book offers new perspectives on early gospel literature **The Irrevocable Call of God** Richard H. Bell,2005 Richard Bell examines the impact of Paul's life changing experience before Damascus on his theological understanding of Israel The book considers the development of Paul's view concerning the election and salvation of Israel paying special attention to 1 Thessalonians Galatians and Romans The author examines Paul's critique of Israel's religion in the light of traditional protestant approaches and the new perspective The work concludes by considering some contemporary issues relating to Israel in the light of Paul's theology BOOK JACKET

**Jesus and His Contemporaries** C.A. Evans,2018-12-10 The first part of this book attempts to situate Jesus in his historical and cultural context through comparisons with the prayers parables prophecies and miracles attributed to various Jewish figures of Palestine who are Jesus's near contemporaries It is concluded that Jesus's teachings and activities do not represent a radical break with the piety and restorative hopes of many of his contemporaries This conclusion stands in tension with some of the recent Jesus research especially emanating from the Jesus Seminar which tends to view Jesus as a Stoic or Cynic philosopher with little interest in the restoration of Israel and the fulfilment of prophecy The second part of the book explores the aims of Jesus and the factors that led to Jesus's death This publication has also been published in paperback please click [here](#) for details
