Gillis,2022-01-15 As a pastor I have been writing sermons for many years and have found the Bible to be an amazing book and wish to share that with you

Perhaps one of the biggest hurdles of us believing the Bible is our attempt to rationalize things. If it does not make sense to us then it must not be worth much. We tend to say things like 'The Bible was written by man so it is open to many interpretations.' Apostle Peter comments on this in 2 Peter 1:20-21: 'Above all you must understand that no prophecy of scripture came about by the prophet's own interpretation. For prophecy never had its origin in the will of man but men spoke from God as they were carried along by the Holy Spirit.' In bringing you these stories I have for all purposes kept my own interpretations and opinions to myself as much as possible and have provided you with the scripture and encourage you to look them up yourselves. Much time has been spent choosing and researching the images for this book. These are photographs of original paintings and most are from old masters of the Renaissance. Such artists include Michelangelo, Peter Paul Rubens, Gustave Dore and Rembrandt. By incorporating these wonderful images it makes reading and understanding the Bible a little easier and more fun. Bible prophecy has an unparalleled record of accuracy. The Old Testament was completed hundreds of years before Jesus was born. Many prophecies were made in astonishing detail by the prophets throughout the Bible. A prophet could be put to death if he was wrong about a prophecy. In fact, fulfilled prophecy is one of the distinguishing marks of the Bible, authenticating its claim to be the inspired Word of God. The Holy Bible consists of sixty-six books by forty different authors and over a time period of around 1,800 hundred years and answers all of our questions. All we have to do is listen.

The True Text of the Old Testament. With Some Remarks on the Language of the Jews James Brodie (Minister of the Free Church, Monimail.), 1873 **Scripture's Grand Story through the Old Testament** Bryan Beyer, Bill

Jones, 2022-01-13 The Bible contains the greatest story ever told. It reveals the God of history who is writing his story through history's events. It tells us about life and it itself is life. It tells us about Jesus, God's Son, who secured salvation for a lost world two thousand years ago. Maybe you've tried to read the Bible all the way through before and didn't finish. Maybe you need a tool to guide you in your journey. That's what we hope this book will be for you. The Bible is sixty-six books yet it is one book with one story. It was written over 1,500 years ago but with one theme: Jesus. The Bible has forty human authors but one divine author and one central story. It invites us into that story to embrace the life God designed for us. Scripture's Grand Story can help people with little Bible knowledge achieve a basic framework for grasping the Bible's main story. Those with a basic understanding of Scripture will benefit by seeing how each story plays a part in the one central story: Jesus. **Old**

Testament Survey William Sanford LaSor, David Allan Hubbard, Frederic William Bush, 1996-09-03 McKenna and William B Nelson Jr *Focalization in the Old Testament Narratives with Specific Examples from the Book of Ruth* Konstantin

Nazarov, 2021-08-02 Since Gerard Genette first coined the term in 1972, focalization has been recognized as one of the key concepts in contemporary understandings of narrative. However, in the field of biblical studies, the concept has been largely overlooked. Dr. Konstantin Nazarov seeks to rectify this oversight, exploring the implications of focalization on Old Testament narratology. Utilizing the work of Wolf Schmid and Valeri Tjupa to develop his methodology and examining the book of Ruth

as a case study Nazarov demonstrates the value of focalization in furthering the appreciation and understanding of biblical texts This is an excellent resource for students of narratology biblical studies scholars or anyone seeking to better understand the narratives of Scripture
