**The One-Eyed Poacher and the Maine Woods** Smith,1975-01-01      **One Eyed Poacher of Privilege** Edmund Ware Smith,1991      *The One-eyed Poacher and the Maine Woods* Edmund Ware Smith,1955 Short stories and sketches about the Maine woods and the men who lived there      **Short Story Index: 1955-1958** ,1960      **A Treasury of the Maine Woods** Edmund Ware Smith,1958 Collection of his essays narratives and wood smoke tales of wilderness Maine      **Maine** Christian P. Potholm,2011-12-16 Exciting and fascinating Maine An Annotated Bibliography is a look at the Maine Experience from its many historical political social and literary perspectives Organized under such unifying themes as The Wild Wild East Ethnicity Matters Women in Maine and Maine in the Civil War the work gives readers a most useful and often humorous overview of over 400 books written about Maine The author introduces the reader to many often overlooked works from the nineteenth century and early twentieth century such as those by Sally Field Elijah Kellogg and Chenoa Hall as well as many studies of familiar political figures such as Bill Cohen Ed Muskie Joshua Chamberlain Angus King Margaret Chase Smith and George Mitchell A valuable resource for anyone interested in the Pine Tree State      **The Interrupted Forest** Neil Rolde,2024-10-01 Add to this the thousands of farms that have grown back to woods since the Civil War and you have the most forested state by percentage in the United States But the uninterrupted forest that Henry David Thoreau first saw in the 1840s was never exactly that Loggers had cut it severely European settlers had gnawed into it and much earlier native people had left their mark This book takes you deep into the past to understand the present allowing you to hear the stories of the people and events that have shaped the woods and made them what they are today      [Vanishing America](#) James Conaway,2008-10-10 A mixture of travelogue and personal narrative James Conaway s smart informative essays offer an insightful depiction of his journeys between Washington D C and Big Sur California as he tries to understand what has become of the places people and traditions that were once so precious but have now been irreparably changed Incorporating the voices of cowboys real estate agents activists and many others he raises vital questions about the merits of sprawling development and the ever increasing use of resources in the name of progress He urges us to consider the value of preservation in our growth driven culture as well as the ramifications of prosperity on the places important to our national identity      [Murder and Mystery in Maine](#) Charles Waugh, Frank D. McSherry, Martin Harry Greenberg,1989      *Wisconsin Library Bulletin* ,1955      *River Music* James R. Babb,2005-07-01 James Babb imbues his devastating wit ornery perspective and musical language within each of the ribald tales in *River Music* This is exemplified in the *Prelude* his opus about the occasional laugh the occasional thought a bit about fly fishing and a bit about Life and all of it underpinned by the music of rivers The pieces are arranged in a harmonious current that carries us through the seasons and life itself He recounts a disastrous and hilarious spring canoeing trip with a friend in *The Darling Buds of May* where the snow accumulated so quickly on their hats that they looked like Conehead voyageurs from *Remulak* In *The Coriolis Effect* Babb rhapsodizes about

the sights smells and culture of what he considers to be the last great place on Earth where pristine Chilean waters and a native way of life relieve him of an obsession about which direction the water flushes And in Little Jewels he weaves an exquisite deeply humorous and haunting nocturne with peccadillo accompaniment that considers the mating habits of trout and men mortality and a thirty nine year long unrequited love Babb is a maverick whose latest offering is a true departure from conventional essays on fly fishing or on any subject and will be relished by the growing circle of Babb fanatics everywhere

*Passages* Chuck Wechsler,2011-12-07 This fascinating 200 page book features the quotes from the best hunting fishing and nature writers to ever grace the pages of Sporting Classics It s laced with poignant passages from hunting stories by Hemingway Ruark Roosevelt and Rutledge You ll enjoy hundreds of quotes by the greatest fishing writers including Izaak Walton Sigurd Olson Robert Traver and Roderick Haig Brown along with the thoughtful words of renowned conservationists like John Madson Aldo Leopold and Henry David Thoreau The book even includes lines from poems by Rudyard Kipling Robert Frost and many other great poets With fifty black and white illustrations by Joseph Byrne *Passages The Greatest Quotes from Sporting Literature* is a handsome timeless collection one that is sure to please anyone with an interest in the outdoors
