The Ontario Northland Railway:

The Ontario Northland Railway Patrick C. Dorin, 1987 **Annual Report of the Ontario Northland Transportation Commission** Ontario Northland Transportation Commission, 1904 **A Century of Travel on the Ontario Northland Railway** Douglas Norman William Smith, 2004 **Steam Into Wilderness** Albert Tucker, 1998-03-01 *Annual Report of the Ontario Northland Transportation Commission* Ontario Northland Transportation Commission, 1920 **The First Half-century in Retrospect** Ontario Northland Transportation Commission, 1953 **Ontario Northland Railway** Ontario Northland Railway, 1956 *American Shortline Railway Guide* Edward A. Lewis, 1996 This edition lists nearly 600 shortline and regional railroads in the United States and Canada Includes the history radio frequency locomotive roster and other information for each line as well as diesel profiles and a listing of past shortlines **Voices from French Ontario** Sheila McLeod Arnopoulos, 1982 Franco Ontarians feel that they are both part of and rejected by Canada's two founding peoples Although proud of their heritage many hide the French side of their lives from the surrounding English majority Some are pessimistic about their future but for many in the region commonly known as Nouvel Ontario French roots run deep

Rails Across Ontario Ron Brown, 2013-10-07 For the first time train buffs and history lovers will have a book that explores the heritage of Ontario's railways from its oldest stations to its highest bridges glamorous hotels and some not so glamorous ones scenic and historic train rides rail trails and sagging old ghost towns *The Train Doesn't Stop Here Anymore* Ron Brown, 2008-04-21 Despite the green benefits of rail travel Canada has lost much of its railway heritage Across the country stations have been bulldozed and rails ripped up Once the heart of communities large and small stations and tracks have left little more than a gaping hole in Canada's landscapes This book revisits the times when railways were the country's economic lifeline and the station the social centre Here was where we worked played listened to political speeches or simply said goodbye to loved ones never knowing when they would return The landscapes which grew around the station are also explored and include such forgotten features as station hotels restaurants gardens and the once common railway YMCA Railway companies often hired the world's leading architects to design grand station buildings which ranged in style from chateau esque to art deco Even small town stations and wayside shelters displayed an artistic flare and elegance Although most have vanished the book celebrates the survival of that heritage in stations which have been saved or indeed remain in use The book will appeal to anyone who has links with our rail era or who simply appreciates the value of Canada's built heritage *Railway Age*, 1953 *Governance in Northern Ontario: Economic Development and Policy Making* Charles Conteh, Bob Segsworth, 2013-01-01 This book analyzes economic development policy governance in northern Ontario over the past thirty years with the goal of making practical policy recommendations for present and future government engagement with the region It brings together scholars from several disciplines to address the policy and management challenges in various sectors of northern Ontario's economy including the mining pulp and paper and tourism industries and both small

and medium sized businesses Governance in Northern Ontario assesses the role of the provincial government and its economic policy intervention in the region s economic development The contributors evaluate the relationship between the provincial and local governments and the business sector and also looser structures of policy networks such as those of First Nations and other interested community groups Focusing on the nature of partnerships between governments and societal interests Governance in Northern Ontario makes a significant contribution to the theories and practice of public policy governance in socioeconomically disadvantaged regions
