## **The Oracles Of God The Old Testament Canon:**

*The Oracles of God* Andrew Steinmann, 1999 Surveys the history of the formation of the Hebrew Bible *The Oracles of God... Or the Words of Men?* Curtis Pillsbury, 2010-11 Why don't people believe the Bible like they used to? Do Christians themselves truly believe the Bible is the Word, part true, part superstition? Is it fair to claim that the Bible is superior to other sacred writings? Curtis Pillsbury has encountered these controversial questions and more and has set out to answer them using biblical proof and personal experiences. If you have ever questioned Christianity, fear not: Curtis himself has battled similar doubts and has spent over twenty years disproving the myths. You will never again wonder: Is the Bible The Oracles of God or the Words of Men? In a day in which postmodernism and humanism seek to dissolve absolute truth, Curtis Pillsbury has given us a tool to create a Christian worldview. The Oracles of God or the Words of Men is a tool to combat New Age mumbo jumbo and establish God's Word as an anchor for transformation and productivity. Curtis's work will help you wade through the minutia of philosophies combating real truth. Read this book as a key to your freedom. Ron McIntosh, President of Ron McIntosh Ministries, Executive Director of Victory Bible Institute: The Oracles of God or the Words of Men will help secure for you a strong foundation in the Word of God and will strengthen your faith in the fact that God's Word is your final authority. With this revelation, you can stand in the midst of any trial or temptation. This book will keep you in love with Jesus and his Word. Terry Nance, author of *God's Armorbearers* **Canon Revisited** Michael J. Kruger, 2012-04-30 Given the popular level conversations on phenomena like the Gospel of Thomas and Bart Ehrman's *Misquoting Jesus*, as well as the current gap in evangelical scholarship on the origins of the New Testament, Michael Kruger's *Canon Revisited* meets a significant need for an up-to-date work on canon by addressing recent developments in the field. He presents an academically rigorous yet accessible study of the New Testament canon that looks deeper than the traditional surveys of councils and creeds, mining the text itself for direction in understanding what the original authors and audiences believed the canon to be. *Canon Revisited* provides an evangelical introduction to the New Testament canon that can be used in seminary and college classrooms and read by pastors and educated lay leaders alike. In contrast to the prior volumes on canon, this volume distinguishes itself by placing a substantial focus on the theology of canon as the context within which the historical evidence is evaluated and assessed. Rather than simply discussing the history of canon, rehashing the Patristic data, yet again Kruger develops a strong theological framework for affirming and authenticating the canon as authoritative. In effect, this work successfully unites both the theology and the historical development of the canon, ultimately serving as a practical defense for the authority of the New Testament books. **The Books of the Old and New Testaments Canonical and Inspired** Robert Haldane, 1840 *A Biblical-Theological Introduction to the Old Testament* Miles V. Van Pelt, 2016-05-31 The Old Testament is not just a collection of disparate stories, each with its own meaning and moral lessons. Rather, it's one cohesive story tied together by the good news about Israel's coming Messiah, promised from the beginning. Covering each book in the

Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ **The canon of the Old Testament** Tobias Mullen,1892 The Scrolls and Biblical
