The Orange Riots Irish Political Violence In New York City 1870 And 1871:

The Orange Riots: Irish Political Violence in New York City, 1870 and 1871 Michael A. Gordon (1942),1993 In this book Michael A Gordon examines the causes and consequences of the tragic and bloody Orange Riots that rocked New York City in 1870 and 1871 On July 12 of both years groups of Irish Catholics clashed with Irish Protestants marching to commemorate the victory of 1690 at the Battle of the Boyne that confirmed the Protestant Ascendancy in Ireland The violence of 1870 left eight people dead the following year more than sixty died Reconstructing the events of July 12 in those years Gordon provides a riveting and richly detailed account of the riots He maintains that they stemmed from more than religious hatred or generations of oppression in Ireland Rather both years bear witness to a struggle between two profoundly different visions of the promise of America a re creation of European social classes or a form of life liberated from the constraints and stratifications of the Old World These visions were enmeshed n the turbulent ideological and political confrontations arising from industrialization and newly found immigrant power under New York City s notorious mayor William Marcy Boss Tweed Gordon concludes by showing how the riots sparked a reform movement that toppled Tweed from power and led to the restructuring of city politics in the 1870s *The Orange Riots* Michael Allen Gordon,1993 Contending visions The Elm Park Riot Portents of violence Teh Eighth Avenue Riot Judgment Aftermath Killed injured and arrested in connection with the 1870 riot Killed injured and arrested in connection with the 1871 riot and a list of property damanges Sources of biographical information on selected committee of seventy members **The Encyclopedia of New York City** Kenneth T. Jackson,Lisa Keller,Nancy Flood,2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis **The Loyal Atlantic** Jerry Bannister,Liam Riordan,2012-02-15 Adding to a dynamic new wave of scholarship in Atlantic history The Loyal

Atlantic offers fresh interpretations of the key role played by Loyalism in shaping the early modern British Empire This cohesive collection investigates how Loyalism and the empire were mutually constituted and reconstituted from the eighteenth century onward Featuring contributions by authors from across Canada the United States and the United Kingdom The Loyal Atlantic brings Loyalism into a genuinely international focus Through cutting edge archival research The Loyal Atlantic contextualizes Loyalism within the larger history of the British Empire It also details how far from being a passive allegiance Loyalism changed in unexpected and fascinating ways especially in times of crisis Most importantly The Loyal Atlantic demonstrates that neither the conquest of Canada nor the American Revolution can be properly understood without assessing the meanings of Loyalism in the wider Atlantic world

Immigrants in American History Elliott Robert Barkan, 2013-01-17 This encyclopedia is a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and has favorably positioned this country for globalization Immigrants in American History Arrival Adaptation and Integration is a chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting different groups across time periods For example the first author of the collection profiles African Americans as an example of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in the fields of history sociology cultural development economics political science law and cultural adaptation introduces a comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on American society and culture

The American Irish Kevin Kenny, 2014-07-22 The American Irish A History is the first concise general history of its subject in a generation It provides a long overdue synthesis of Irish American history from the beginnings of emigration in the early eighteenth century to the present day While most previous accounts of the subject have concentrated on the nineteenth century and especially the period from the famine 1840s to Irish independence 1920s The American Irish A History incorporates the Ulster Protestant emigration of the eighteenth century and is the first book to include extensive coverage of the twentieth century Drawing on the most innovative scholarship from both sides of the Atlantic in the last generation the book offers an extended analysis of the conditions in Ireland that led to mass migration and examines the Irish immigrant experience in the United States in terms of arrival and settlement social mobility and assimilation labor race gender politics and nationalism It is ideal for courses on Irish history Irish American history and the history of American immigration more generally

Law & Disorder Bruce Chadwick, 2017-04-25 Nineteenth century New York City was one of the most magnificent cities in the world but also one of the most deadly Without any real law enforcement for almost 200 years the city was a lawless place where the crime rate was

triple what it is today and the murder rate was five or six times as high The staggering amount of crime threatened to topple a city that was experiencing meteoric growth and striving to become one of the most spectacular in America For the first time award winning historian Bruce Chadwick examines how rampant violence led to the founding of the first professional police force in New York City Chadwick brings readers into the bloody and violent city where race relations and an influx of immigrants boiled over into riots street gangs roved through town with abandon and thousands of bars prostitutes and gambling emporiums clogged the streets The drive to establish law and order and protect the city involved some of New York s biggest personalities including mayor Fernando Wood police chief Fred Tallmadge and journalist Walt Whitman Law and Disorder is a must read for fans of New York history and those interested in how the first police force untrained and untested battled to maintain law and order

The Devil from over the Sea Sarah Covington,2022-03-24 In Ireland few figures have generated more hatred than Oliver Cromwell whose seventeenth century conquest massacres and dispossessions would endure in the social memory for ages to come The Devil from over the Sea explores the many ways in which Cromwell was remembered and sometimes conveniently forgotten in historical religious political and literary texts according to the interests of different communities across time Cromwell s powerful afterlife in Ireland however cannot be understood without also investigating his presence in folklore and the landscape in ruins and curses Nor can he be separated from the idea of the Cromwellian a term which came to elicit an entire chain of contemptuous associations that would begin after his invasion and assume a wholly new force in the nineteenth century What emerges from all these memorializing traces is a multitudinous Cromwell who could be represented as brutal comic sympathetic or satanic He could be discarded also tellingly from the accounts of the past and especially by those which viewed him as an embarrassment or worse In addition to exploring the many reasons why Cromwell was so vehemently remembered or forgotten in Ireland Sarah Covington finally uncovers the larger truths conveyed by sometimes fanciful or invented accounts Contrary to being damaging examples of myth making the memorializations contained in martyrologies folk tales or newspaper polemics were often productive in cohering communities or in displaying agency in the form of counter memories that claimed Cromwell for their own and reshaped Irish history in the process

Theodore Roosevelt Kathleen Dalton,2007-12-18 He inherited a sense of entitlement and obligation from his family yet eventually came to see his own class as suspect He was famously militaristic yet brokered peace between Russia and Japan He started out an archconservative yet came to champion progressive causes These contradictions are not evidence of vacillating weakness instead they were the product of a restless mind bent on a continuous quest for self improvement In Theodore Roosevelt historian Kathleen Dalton reveals a man with a personal and intellectual depth rarely seen in our public figures She shows how Roosevelt s struggle to overcome his frailties as a child helped to build his character and offers new insights into his family life uncovering the important role that Roosevelt s second wife Edith Carow played in the development of his political career She also shows how TR flirted with progressive reform and then finally

committed himself to deep reform in the Bull Moose campaign of 1912 Incorporating the latest scholarship into a vigorous narrative Dalton reinterprets both the man and his times to create an illuminating portrait that will change the way we see this great man and the Progressive Era **Catholicism and American Freedom** John T. McGreevy, 2003 For two centuries Catholicism has played a profound and largely unexamined role in America's political and intellectual life Emphasizing the community over the individual Catholics have alternately challenged and supported American liberals on a variety of controversial issues including slavery public education economic reform the movies contraception the nuclear arms race and abortion The story of Catholicism is also international as Catholics and non Catholics reacted to people ideas and events abroad from the 1848 revolutions to the rise of European fascism in the 1930s and the Second Vatican Council in the 1960s This history of both Catholicism and anti Catholicism puts the sexual abuse scandal in the Church of the early 21st century and the media's response into a larger context Police and the Empire City Matthew Guariglia, 2023-10-13 During the years between the Civil War and World War II police in New York City struggled with how to control a diverse metropolis In Police and the Empire City Matthew Guariglia tells the history of the New York Police Department to show how its origins were built upon and inseparably entwined with the history of race ethnicity and whiteness in the United States Guariglia explores the New York City Police Department through its periods of experimentation and violence as police experts imported tactics from the US occupation of the Philippines and Cuba devised modern bureaucratic techniques to better suppress Black communities and infiltrated supposedly unknowable immigrant neighborhoods Innovations ranging from recruiting Chinese Italian and German police to form ethnic squads to the use of deportation and federal immigration restrictions to control local crime even the introduction of fingerprinting were motivated by attempts to govern a multiracial city Campaigns to remake the police department created an urban landscape where power gender sexuality race ethnicity crime and bodies collided and provided a foundation for the supposedly color blind technocratic federally backed and surveillance based policing of today New York's Secret Subway Matthew Algeo, 2025-09-30 In the nineteenth century Manhattan's streets were so choked with pedestrians horses vehicles and vendors that a trip from City Hall to Central Park could take hours Alfred Beach had the perfect solution build a giant pneumatic tube underneath Broadway from the Battery to Harlem New York's Secret Subway The Underground Genius of Alfred Beach and the Origins of Mass Transit tells a classic story of good versus evil pitting the mild mannered Beach a visionary inventor and entrepreneur against the oafish tyrant Boss Tweed the exemplar of corruption in the Gilded Age It also tells the story of one of the most astonishing feats of engineering in American history the surreptitious creation of the nation's first operational subway Richly illustrated and populated with larger than life characters New York's Secret Subway will captivate readers and provide historical context for today's clashes between public interests and powerful business and political groups Algeo tells this amazing true story in full for the first time and although it took place more than a century ago it will at times sound surprisingly familiar Murder in

New York City Eric H. Monkkenon,2001-01-04 This investigation into urban homicide covers two centuries of murder in America s biggest city Combining statistical evidence with many other documentary sources the book attempts to uncover the factors behind the statistics

Royal Spectacle Ian Walter Radforth,2004-01-01 In 1860 Queen Victoria sent her eighteen year old son Albert Edward Prince of Wales on a goodwill mission to Canada and the United States The young heir apparent later King Edward VII had not yet gained his reputation as a fashion setter and rake but he nevertheless attracted enormous crowds both in Canada where it was the first royal visit and in the United States Civic leaders hosted the visitor in princely style decorating their towns with triumphal arches and organizing royal entries public processions openings and grand balls In *Royal Spectacle* Ian Radforth recreates these displays of civic pride by making use of the many public and private accounts of them and he analyses the heated controversies the visit provoked When communities rushed to honour the prince and put themselves on display social divisions inadvertently became part of the spectacle seen by the prince and described by visiting journalists Street theatre reached a climax in Kingston where the Prince of Wales could not disembark from his steamer because of the defiance of thousands of Orangemen dressed in their brilliant regalia and waiving their banners Contemporary depictions of the tour provide an opportunity to interpret the cultural values and social differences that shaped Canada during the Confederation decade and the United States on the eve of the Civil War Topics explored include Orange Green conflict First Nations and the politics of public display contested representations of race and gender the tourist gaze and meanings of crown and empire An original and erudite study *Royal Spectacle* contributes greatly to historical research on public spectacle colonial and national identities Britishness in the Atlantic world and the history of the monarchy

Two Irelands beyond the Sea Lindsey Flewelling,2018-04-11 Uncovers the transnational movement by Ireland s unionists as they worked to maintain the Union during the Home Rule era The book explores the political social religious and Scotch Irish ethnic connections between Irish unionists and the United States as unionists appealed to Americans for support and reacted to Irish nationalism

Orange Order Patrick Coleman,2025-01-31 On a sunny day men and women march through the streets wearing orange collarettes and carrying colourful banners However this is not the Orange Order in Northern Ireland but the same organisation in Africa This book moves beyond the cliché to delve deeply into the inner structure and rituals of the Orange Order and its global reach The Orange Order while Irish Protestant founded managed in a short period to spread to not only other parts of the UK but also to Australia New Zealand and even Africa Previous research has tended to focus on just one to two countries within a narrow timeframe This book by contrast covers almost 230 years of the Orange Order across multiple countries Unlike other studies it integrates the activities of men women and children

Thomas D'Arcy McGee David A. Wilson,2008-03-26 A brilliant writer outstanding orator and charismatic politician Thomas D Arcy McGee is best known for his prominent role in Irish Canadian politics his inspirational speeches in support of Canadian Confederation and his assassination by an Irish revolutionary who accused him of betraying

his earlier Irish nationalist principles Thomas D Arcy McGee the first volume in a two part biography explores the development of those principles in Ireland and the United States David Wilson follows McGee from Wexford Ireland across the Atlantic to Boston where at nineteen he became the editor of America s leading Irish newspaper and traces his subsequent involvement with the Young Ireland movement his reactions to the Famine and his role in the Rising of 1848 Wilson goes on to examine McGee s experiences as a political refugee in the United States where his increasing disillusionment with revolutionary Irish nationalism and his opposition to American nativism propelled him towards conservative Catholicism and sent him on a trajectory that ultimately led to Canada his experiences are the subject of volume 2 Thomas D Arcy McGee The Extreme Moderate 1857 1868 *Fenians, Freedmen, and Southern Whites* Mitchell Snay, 2010-09-01 After the American Civil War several movements for ethnic separatism and political self determination significantly shaped the course of Reconstruction The Union Leagues mobilized African Americans to fight for their political rights and economic security while the Ku Klux Klan used intimidation and violence to maintain the political and economic hegemony of southern whites Founded in 1858 as the Irish Revolutionary Brotherhood the Irish American Fenians sought to liberate Ireland from English rule In *Fenians Freedmen and Southern Whites* Mitchell Snay provides a compelling comparison of these seemingly disparate groups and illuminates the contours of nationalism during Reconstruction By joining the Fenians with freedpeople and southern whites Snay seeks to assert their central relevance to the dynamics of nationalism during Reconstruction and offers a highly original analysis of Reconstruction as an Age of Capital and an Age of Emancipation where categories of race class and gender as well as nationalism were fluid and contested After the American Civil War several movements for ethnic separatism and political self determination significantly shaped the course of Reconstruction The Union Leagues which began during the war to support the northern effort spread to the South after the war and mobilized African Americans to fight for their political rights and economic security Opposing the Leagues was the Ku Klux Klan which used intimidation and violence to maintain the political and economic hegemony of southern whites Founded in 1858 as the Irish Revolutionary Brotherhood the Irish American Fenians sought to liberate Ireland from English rule Mitchell Snay provides a compelling comparison of these seemingly disparate groups in *Fenians Freedmen and Southern Whites* illuminating the contours of nationalism during Reconstruction Despite their separate and often opposing goals the Fenians Union Leagues and the Klan Snay reveals shared many characteristics To various extents they were secret societies that sought to advance their mission through both political and extra political means Both the League and the Klan employed elaborate rites of initiation and secret passwords common to nineteenth century fraternal organizations They also shared a similar political culture of secrecy conspiracy and countersubversion All three groups were quasi military in structure and activities and shared a desire for the control of land Among the three organizations Snay shows the Fenians provide the clearest case of nationalist aspirations along the lines of ethnicity though the rise of racial consciousness among both

southern whites and blacks also might be seen as expressions of ethnic nationalism According to Snay the political culture of Reconstruction encouraged the nationalist ambitions of these groups but channeled their separatist impulses along civil rather than ethnic lines by focusing on questions of freedom citizenship and suffrage In addition the Republican emphasis on color blind equality limited overt expressions of national identities based solely on ethnicity or race Unlike southern whites and blacks Irish Americans are seldom mentioned in Reconstruction histories By joining the Fenians with freedpeople and southern whites Snay seeks to assert their central relevance to the dynamics of nationalism during Reconstruction and offers a highly original analysis of Reconstruction as an Age of Capital and an Age of Emancipation where categories of race class and gender as well as nationalism were fluid and contested

Second Founding David Quigley,2025-09-23 At the close of the Civil War Americans found themselves drawn into a new conflict one in which the basic shape of the nation s government had to be rethought and new rules for the democratic game had to be established In this superb new study David Quigley argues that New York City s politics and politicians lay at the heart of Reconstruction s intense conflicted drama In ways that we understand all too well today New York history became national history The establishment of a postwar interracial democracy required the tearing down and rebuilding of many basic tenets of American government yet as Quigley shows in dramatic detail the white supremacist traditions of the nation s leading city militated against a genuine revision of America s racial order for New York politicians placed limits on the possibilities of true Reconstruction at every turn Still change did occur and a new America did take shape Ironically it was in New York City that new languages and practices for public life were developing which left an indelible mark on progressive national politics Quigley s signal accomplishment is to show that the innovative work of New York s black activists Tammany Democrats bourgeois reformers suffragettes liberal publicists and trade unionists resulted in a radical redefinition of reform in urban America

For the People Ronald P. Formisano,2008-02-25 For the People offers a new interpretation of populist political movements from the Revolution to the eve of the Civil War and roots them in the disconnect between the theory of rule by the people and the reality of rule by elected representatives Ron Formisano seeks to rescue populist movements from the distortions of contemporary opponents as well as the misunderstandings of later historians From the Anti Federalists to the Know Nothings Formisano traces the movements chronologically contextualizing them and demonstrating the progression of ideas and movements Although American populist movements have typically been categorized as either progressive or reactionary left leaning or right leaning Formisano argues that most populist movements exhibit liberal and illiberal tendencies simultaneously Gendered notions of manhood are an enduring feature yet women have been intimately involved in nearly every populist insurgency By considering these movements together Formisano identifies commonalities that belie the pattern of historical polarization and bring populist movements from the margins to the core of American history

Unveiling the Magic of Words: A Report on "**The Orange Riots Irish Political Violence In New York City 1870 And 1871**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. The Orange Riots Irish Political Violence In New York City 1870 And 1871 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Orange Riots Irish Political Violence In New York City 1870 And 1871 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Orange Riots Irish Political Violence In New York City 1870 And 1871 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Orange Riots Irish Political Violence In New York City 1870 And 1871 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Orange Riots Irish Political Violence In New York City 1870 And 1871. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Orange Riots Irish Political Violence In New York City 1870 And 1871 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Orange Riots Irish Political Violence In New York City 1870 And 1871 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Orange Riots Irish Political Violence In New York City 1870 And 1871 is one of the best book in our library for free trial. We provide copy of The Orange Riots Irish Political Violence In New York City 1870 And 1871 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Orange Riots Irish Political Violence In New York City 1870 And 1871. Where to download The Orange Riots Irish Political Violence In New York City 1870 And 1871 online for free? Are you looking for The Orange Riots Irish Political Violence In New York City 1870 And 1871 PDF? This is definitely going to save you time and cash in something you should think about.
